Los Angeles Downs Seals Third In Row

Stars End Losing Streak By Edging Oaks; Other Games Banned By Rain

By JIM HUBBART
Associated Press Sportswriter

Los Angeles won its third straight game from San Francisco last night and this, combined with five victories over Hollywood last week, had made the Angels seem stronger than the bottom man in a balancing act in the Pacific Coast league.

Ralph Hamner cranked Los Angeles to a 4-to-1 triumph over the seals, allowing only three hits. It was win No. 5 for the season. His mates, meanwhile, raked Cliff Melton for eight blows, but none was typical of the Angel power so prevalent lately.

Hollywood snapped a four-game losing streak by getting past Oakland, 7 to 6. The Twinks trailed by 6 to 5 going into the ninth, tied it up on a single by Cliff Dapper and a triple by Bob Bundy. The bum is this case was Frank Nelson. He walked the bases full, then issued another pass to Eddie Sauer to force in the deciding run.

Nelson came on in the first frame to rescue young George Stanich from an unsuccessful PCL debut. Stanich, a deadeye on a basketball court for UCLA, couldn't locate the plate. He balked once, issued three walks and one single for three Hollywood runs.

The weatherman left the sprinklers running again in the Loop's northern extremities, so Hollywood's victory left San Diego leading the pack by two games.

The Padres were rained out at Portland, and the affair at Seattle between the Rainiers and Sacramento also was postponed.

Flowers which do not like to be transplanted include annual poppies, salpiglossis, mignonette, annual phlox. If necessary to transplant them the seedlings should be grown in small pots so they an be moved without distrubing their roots.

Records Expected To Fall At Track Meet Saturday

There is a possibility that about eight records will be topped in the Douglas county B league track meet at Finlay field Saturday.

The meet will be the second annual B league meet with seven schools entering the competition. The schools are Camas Valley, Canyonville, Drain, Glide, Oakland, Riddle and Yoncalla.

The winning times of last year's meet went down in the books as official. Frank Purdy, who is helping to officiate the meet, expects last year's time in two track events and four field events to be topped. Two other records will go in the books for the first time, the low and high hurdle runs. Last year the hurdle events were not run.

Purdy expects the time in the 880-yard run of 2:29.0 to be topped as well as the time in the mile run. Last year's winning time in the mile run was 5:33.0. Purdy also believes that the existing high jump, pole vault, broad jump and discus throw records will be erased.

Last year the Canyonville track men took the first meet trophy but they have lost 49 of their winning 69 points via the graduation route. However, Canyonville has shown plenty of strength in the running events this year, although weak in field competition, and are rated as a definite threat for the trophy. The Tigers will first have to beat Yoncalla, Glide and Riddle, who are also rated as strong contestants for the B league track trophy.

Oregon Webfoots Will Host WSC At Track Meet

UNIVERSITY OF OREGON, Eugene, May 5.—The two remaining unbeaten northern division track and field squads clash at Hayward field Saturday when the Oregon Ducks are hosts to Washington's Huskies.

Washington holds easy victories over Oregon State and Idaho while Oregon has romped to wins against Idaho and Washington State. The Duck win over Washington State was the first loss suffered by the Cougars since Washington turned the trick in 1947.

The meet this Saturday brings together many of the top running aces in the league. Washington and Oregon have at least one man in the northern division's top three in every event except the mile and the low hurdles.

The top running attractions for Saturday's meet line up like this:

100-yard dash—Bill Fell (O-9.8) vs. Craig Weisman (W-9.8).

220-yard dash—Bill Fell (O-21.5) vs. Craig Weisman (W-21.7).

440-yard dash—Dave Henthorne (O-50.0) vs. Ken Morgan (W-50.2).

880-yard run—Jack Hensey (W-1:53.9) vs Walt McClure (O-1:57.5).

Two-mile run—George Abbey (W-9:30.8) vs. Pete Mundle (O-9:46...).

High hurdles—Jack Burke (W-14.5) vs. Jack Doyle (O-15.1).

Mile relay—Washington (3:28.2) vs. Oregon (3:28.3).

In the other running events Washington's Burke is a standout in the low hurdles and Oregon's sensational sophomore has a decided edge in the mile if his injured leg is in shape.

Oregon has a slight edge in the field events with George Rasmussen favored to lead the Ducks to a possible sweep in the pole vault, Chuck Missfeldt a heavy favorite in the javelin and Bob Anderson leading the discus.

Washington has a winner in the high jump with Bill Olson and the broad jump will be a tossup between Don Bartholemy of Washington and Woodley Lewis of Oregon. Two football players, Loran Perry of Washington and Bob Anderson of Oregon will fight it out in the shot put.

SOFTBALL DATED

Softball will be played, weather permitting, Saturday morning from 9:00 to 11:30, according to Chuck Allen, director of the program. Any boy of the community is welcome to come and take part. If it is raining, Chuck added, volleyball will be played in the junior high gymnasium.

Cleveland Snaps Red Sox Winning Streak; Dodgers Smother Chicago Cubs

By JACK HAND
(Associated Press Sports Writer)

Bob Cain, Chicago White Sox lefthander making his first big league start, yesterday made the world champs look like the prize chumps in a 15-0 rout.

Nobody ever treated the New York Yankees like that. And right at home in their triple-decked staduim, too. Good thing for the front office; only 8,764 were on hand.

While Cain muzzled New York with five hits, three of them by Phil Rizzuto, the Sox dug into Eddie Lopat and Don Johnson for a jackpot total of 23. The Yanks contributed four juicy errors.

While there was slaughter in the Bronx, Cleveland broke Boston's six-game Fenway park win streak, 5-4. The Red Sox got to Bob Lemon for three in first but Mel Parnell couldn't hold it. Jim Hegan's double, followed by a sacrifice and an outfield fly broke a 4-4 tie for the tribe in the ninth.

Detroit rolled out the heavy power to Riddle Connie Mack's battered pitching staff. The Tigers collected 15 hits to trim Philadelphia, 8-5, on Art Houtteman's five-hitter.

Joe Ostrowski of the St. Louis Browns backed up his final April 29 job against Cleveland with a five-hitter against Washington to cop his second straight, 5-1.

Revenge was sweet for Dick Sisler, a former St. Louis Card who came home to haunt his old mates with five hits. Dick drove in five runs in the Phillies' 9-6 night game victory. One of Sisler's blows was his third homer off loser Gerry Staley in the second.

Negro Hurlers Disabled

Brooklyn came up with another sore arm case — Dan Bankhead—while smothering the Chicago Cubs, 10-2. Bankhead, riding easy on a 10-1 lead, complained about a pain in his right shoulder and left the game in the sixth. Later it was reported Dan tore a muscle in his shoulder and would be out indefinitely.

A few minutes before Bankhead's trouble, the Dodgers announced Don Newcombe, their other Negro pitcher, was being sent home to Colonia, N. J., to rest his sore arm.

Pee Wee Reese, Dodger captain, was ejected for the first time in his career for tossing a bat in the air to protest umpire Babe Pinelli's decision in the fifth. It was Reese's 1,000 major league game.

Soon they'll be calling the Boston Braves the new "murderers' row." They cut loose for 11 runs in the ninth inning Wednesday. Yesterday they hit four homers in a 14-6 romp over Cincinnati. The Braves now lead the majors with 15 home runs.

The New York Giants walked Ralph Kiner yesterday to get out of trouble in the ninth. Instead Nanny Fernandez followed with a game-winning home run to give Pittsburgh a 3-1 victory. Larry Jansen, yielding his fourth homer of the season, was the victim.

Indians Ready For Track Contests With Ashland

Frank Purdy, Indian track coach, reports that his track men are ready for the Ashland-Roseburg dual track meet to get underway on Finlay field at 7 tonight.

Purdy hopes that the weather will not spoil the meet, but come rain or shine, the show will go on.

Ashland's Jerry Langer, the shot put and discus artist, will receive top billing in the dual meet. Langer has put the shot over 49 feet in competition this year, which is a mighty heave by high school standards. Track fans who specialize in field competition should not miss the Ashland - Roseburg meet.

Tennis Tourney Site Announced

Indian tennis coach Al Hoffman reported today that he has received permission to use the tennis court on Commercial street for the district tennis tournament on Saturday.

Most of the tennis action will be confined to the high school courts, but Hoffman expects to play several first round matches on the Commercial street court.

The tournament play is scheduled to begin at 9 a. m. with the first round of the singles competition. The doubles play is scheduled to start at 10 a. m.

Hoffman expects to start the second round of the singles play at about 10:45 a.m. but the actual starting time will depend on how long it takes the first round players to finish. The second round of the doubles competition is scheduled to begin at about 11:30.

The climax of the district tournament will get underway at 2:30 p.m. when the two singles winners, who will represent the district in the state tournament, playoff for the district trophy. The playoff for the doubles trophy will get underway at the same time.

Swiss chard should be harvested when the leaves are ten inches tall. They lose quality when allowed to grow taller. When a plant becomes overgrown cut all leaves off at the base and new ones will soon develop.

Ezzard Charles Is Sidetracked With Bad Heart

CHICAGO, May 5—(AP) — The specter of Joe Louis haunted the heavyweight boxing scene today with NBA champion Ezzard Charles K. O.'d for at least 90 days by an ailing heart.

Louis, currently on an exhibition tour in Brazil, says Charles' possible retirement from the ring because of his health "is going to change my plans."

The brown bomber's partner in the International Boxing club, Jim Norris, says he believes Louis "would like to be the first heavyweight champion to win back the title."

The time appears ripe for the 35-year-old but still potent Louis to make a comeback—if he wants to.

Louis popped back into the already complex heavyweight picture yesterday when Charles flunked a rigorous, three-hour physical examination by the Illinois Athletic commission and was declared "not fit to fight at the present."

Charles was adjudged to have "a vascular condition of the heart."

"It is our suggestion that Charles be re-examined in three months to determine whether he is fit for fighting," the report of two commission physicians said.

The commission's finding came as a surprise to most observers. Charles was speechless and refused to comment on the doctor's report.

Charles, who won the NBA version of Louis' vacated title last June, has been idle since last February when a New York Athletic commission medical board reported he was suffering from a "bruised heart muscle."

Eddie Hogan Leads At Halfway In Golf Tourney

OLYMPIA, May 5—(AP)—Eddie Hogan, Portland pro, held a one-stroke lead at the halfway point today in the 54-hole $1,000 Olympia Centennial open golf tournament.

Hogan's four-under-par 104 for 27 holes was pressed closely by a Portland amateur, Bob Duden, and the ever reliable Tacoma pro, Chuck Congdon.

Two strokes back of their 105 were Bill Christie, Seattle pro, and Ad Huycke, Olympia amateur. Equalling par 108 were Eddie Brown and Stan Leonard, both of Vancouver, B. C., Irv Parent of Seattle and Portland's Ted Longworth.

Bud Ward, the two-time U. S. Amateur champion, put his drive off the seventh tee 40 feet up a fire tree and had to take a two-stroke penalty that left him with a 111 well down the list.

Baseball Clinic Slated At Drain

Drain's Living War Memorial will be the scene of a special baseball clinic Saturday, May 6 according to the Warriors diamond coach, Bill Chatham.

The special baseball clinic will be financed and backed by the Drain Chamber of Commerce. The clinic is slated to start at 1 p.m. Bill Svilich, the west coast representative of the Brooklyn Dodgers and Bill Fontaine, Los Angeles and Don Lindberg, Seattle, coaches and scouts for the Dodgers, will conduct the clinic.

Chatham stated that ball players and coaches from all over the county, as well as neighboring counties, are invited to attend the clinic. Chatham expects about 200 ball players and coaches to be on hand.

Locally, Norm West reported that he will be busy officiating the Douglas county B league track meet which will be held Saturday on Finlay field. However, West reported, any of the Indian diamondmen who are interested in the clinic and can arrange transportation to Drain, are urged to attend the affair.

Chatham had originally scheduled a baseball game between the Warriors and the University of Oregon freshmen diamond team to climax the day's baseball activity, but the game was canceled. Instead the Drain high school will play an all-star aggregation picked by the three Dodger officials from the out-of-town ball players.

Angling Prospects Fairly Bright

PORTLAND, May 5 — (AP) — The outlook for fishermen this weekend ranged from poor to excellent today, with the week's rain hurting many prospects.

The state game commission's weekly fishing bulleting included:

Coastal section: Douglas, Lane and Lincoln counties — trout angling in both tidewater and the above tide areas of the larger rivers remains good. Devils, Siltcoos, Tahkenitch, and Ten-Mile best trout lakes. Bass are now striking in the larger lakes and the pan fish are beginning to show. Perch are numerous. Spring salmon angling in Umpqua river poor again after a fairly good weekend. Coos county — streams cloudy. Trout fishing fair in Coos river and its tributaries. Striped bass fishing poor. Curry county — angling fair. Lower Rogue river salmon fishing poor.

Southern Oregon: upper Umpqua area — upper Umpqua water roily, trout angling poor. Best catches in smaller streams on single egg and—or small spinners. Salmon catches improving slightly. Rogue area — trout fishing good from McCloud to Galice and in the lower reaches of tributaries. Both flies and bait yielding good catches. Salmon fishing fair.
