District Heads Chosen In Active Clubs Meet

Three Roseburg delegates to the Active club district convention held at Coos Bay Saturday and Sunday reported "an exceptionally fine" gathering, highlighted by election of officers for the coming year.

Attending from Roseburg were Arlo Jacklin, Kenneth Atterbury and Dick Gilman.

Named district governor for the ensuing year was Eugene Brown, Grants Pass attorney, Bert Winters of Vancouver, Wash., was elected lieutenant-governor from the northern division and Charles McPherson of Coos Bay was named lieutenant-governor from the southern branch.

McPherson, who acted as master of ceremonies during the convention, defeated Gilman in a close election.

Grants Pass was selected as the site for next year's Active club convention.

Baruch Says U. S. Must Mobilize

NEW YORK — (AP)—Bernard M. Baruch says the United States can lose any future war by failure to mobilize now, and that atomic bombs or anything else should be used on any nation starting a conflict.

In two speeches, Baruch, financier and long-time adviser to Presidents, urged that the U.S. prepare for war during peacetime to discourage any would-be aggressor.

He told a Columbia university seminar on economic mobilization that "these are the years of decision, which we are now passing through. Yet Washington today is the capital of indecision."

"Although the cold war is now in its fifth year," he said, "we still lack the equivalent of a global strategy for peace-waging."

"We continue to dissipate our resources without decision," he added.

Baruch also spoke on a broadcast over the American Broadcasting company, in which members of the United Nations Correspondents association took part.

Baruch urged an international atomic control plan which he indicated and which has been backed by the U.S. and the United Nations. He said the plan, which provides for atomic inspection at any place and time, is the only "just, realistic and practical way" to escape world devastation.

Brockway Resident Dies Following Short Illness

Josephine Huffman, 61, resident of Brockway, died May 21 after a short illness at the home of her daughter, Mrs. Doris Hamilton, in Wilbur. She was born June 12, 1888, in Michigan and lived in Ohio a number of years before coming to this community 16 years ago. She was preceded in death by a son, Ambrose F., who was killed in action July 10, 1944, in Italy.

Surviving are her husband, Ambrose, Brockway; four daughters, Mrs. Marie Barnonski, Chicago, Mrs. Doris Hamilton, Wilbur; Mrs. Eunice Haslam, Sutherlin; Mrs. Mary Neavoll, Roseburg; three sons, Francis, Chicago, Murrel and Roger, both in the U. S. navy; two sisters, Mrs. Mary Griffith, Marysville, Wash.; Mrs. Marion Bolton, Hancock, Mich., and eight grandchildren.

Funeral services will be held in The Chapel of the Roses, Roseburg funeral home, Thursday, May 25, at 2 p. m., with the Rev. Forrest Hill officiating. Vault interment will follow in the Masonic cemetery.

Old Oregon Trail Scribe Visitor in Roseburg

Walter Meacham, executive secretary of Old Oregon Trail, Inc., visited in Roseburg for a short time Saturday, following a speaking engagement at Dillard before students in the school and at the meeting of the parent-teacher association. Meacham is particularly interested in a program for preservation, restoration and marking of spots connected with Oregon history.

Flegel Edges Out Wallace For Governor Nomination

(Continued from page One) worth, renominated by the Republicans.

State Sen. Vernon Bull, La Grande railroad man, appeared a close winner over Pendleton's former Mayor Hugh Bowman for the Democratic nomination in the Second district. Bull will face Rep. Lowell Stockman, unopposed for the Republican nomination.

Bull polled 9,054 votes to Bowman's 8,457 with 28 precincts still unreported. Bull was leading in all the missing areas except for Wheeler county, which has too few votes to affect the result.

Flegel's Margin Slight In the gubernatorial contest, Wallace carried Multnomah county by 5,243 votes, but Flegel pulled up an even larger upstate margin.

The votes from 1957 of the state's 207 precincts gave Flegel 58,832, Wallace 57,400, and State Treasurer Walter Pearson 47,112.

The remaining precincts—all upstate rural ones—will boost Flegel's total even higher. He was leading Wallace in all of them except Curry county, where the missing precinct only has four voters in it anyway.

Run-Off Avoided Circuit Judge Toozie's race against Robert F. Maguire and Austin Inn for state supreme court justice was decided by revised reports from Douglas and Crook counties. The revisions gave Toozie 179,154 votes against 174,416 for his two opponents—a majority which could not be wiped out by tallies from the still missing precincts.

Had Toozie failed to win a majority, he would have had a run-off with Maguire, the second highest, in November.

Senator Morse's early 2 to 1 margin held as the late reports trickled in. He showed under his conservative opponent Dave Hoover, 118,181 to 59,640. John McBride, Washington, D. C., house clerk, polled 16,514.

Morse's November opponent, Latourette, who campaigned as a Jeffersonian Democrat, pulled away from "fair dealer" Dr. Louis A. Wood, by a substantial margin. The Portland attorney polled 79,672; Wood 71,529.

Funds To Speed Development Of Warplanes Voted

WASHINGTON —(AP)—Money for a speedup in developing faster warplanes and new anti-submarine weapons has been recommended by the house appropriations committee.

The two items were included in a \$625,493,694 appropriation bill sent to the House.

The committee recommended \$75,000,000 for the plane development program. The program is being handled by the National Advisory Committee for Aeronautics, which has asked only \$5,000,000 in cash and \$15,000,000 in contract authority to begin a wind tunnel project to test models of faster airplanes.

In proposing \$75,000,000 for this work, the committee said that savings would result from uninterupted work on the project and there would be an "important advantage" in providing the facilities more quickly.

The \$20,000,000 asked by NACA was to be only a start on a \$100,000,000 project to be spread over several years.

"A new anti-submarine project," the committee recommended \$7,385,000 to be transferred from funds previously voted by Congress for navy ordnance. No detail of the project were given in the committee's report.

The measure is what is known as a deficiency appropriation bill. Its chief purpose is to provide additional funds for agencies whose original appropriations for the present year, ending next June 30, have proved to be inadequate. It is not related to the \$29,000,000 omnibus bill passed last week for federal financing in the new fiscal year, beginning July 1.

The bill includes \$50,000,000 for economic aid to Korea, \$99,433,200 for the Postoffice department and \$246,151,000 for the Veterans administration.

The aid to Korea is in addition to \$60,000,000 already provided.

John R. Wilson, 84, resident of N. Kane St., died suddenly this morning of a heart attack at his home. He was born Feb. 11, 1866, in Iowa and came with his parents, Mr. and Mrs. John Wilson Sr., to Oregon 75 years ago. He lived for many years in Camas Valley and a number of years in Winston before moving to Roseburg to make his home for the past few years. He was the last of eleven children. He was a member of the Christian church of Roseburg.

Surviving are his wife, Etta May, Roseburg; three daughters: Mrs. W. H. (Doc) Carter, Roseburg; Mrs. Julia Myrtle Bechtolt, San Francisco; Mrs. Millie Leona Wilson, San Diego; two sons: Lester Floyd Wilson, Ashland; Archie Lee Wilson, Winston; six grandchildren and eight great grandchildren.

Funeral announcements will be made later by the Roseburg Funeral Home.

\$600,000 Fire Sweeps Vancouver, B. C., Docks

VANCOUVER, B. C., May 22.—(CP)—The 60-vessel halibut fleet of British Columbia packers was menaced early today in a wild-fire swept \$600,000 Fraser river waterfront fire. There were no injuries.

Destroyed were a machine shop housing \$500,000 worth of machinery and supplies and a \$40,000 senior, the 45-foot Roy Roberts.

Five other boats were damaged, three of them seriously, in the fire, which broke out shortly after midnight.

Cause of the fire is undetermined. It broke out near the center of the machine shop, a converted cannery, touching off drums of gasoline and oil with cannon-like explosions.

The halibut fleet, in for overhauling, was saved when a change in the direction of the high wind drove the fire over the Fraser river.

Army's New Rocket Can Destroy Planes

NEW YORK, May 22.—(AP)—The army has a new anti-aircraft rocket which will fire 12 miles in the air and will be capable of destroying attacking planes, Chief of Staff J. Lawton Collins said yesterday.

Gen. Collins said in a radio interview that the new weapon still is in the testing stage. He did not reveal details.

The rocket is called "Loki" and Gen. Collins noted that Loki was the god of Norse mythology who was supposed to release the hosts of hades.

"That," Collins declared, "is exactly what we intend to do if anyone ever attacks the United States."
