BORN WITH A SILVER SPOON goes the old saying. Roseburg senior high school girl graduates may not have been born with a silver spoon, but they are being launched into this harsh old world of ours with one. Knudtson's jewelry is offering the 1950 feminine graduates a sterling silver tea spoon. Each may select her own pattern. Kitty Aldred, on right, is shown making her selection in the presence of Mrs. James Knudtson and Alan Knudtson.

The author, former managing editor of the Daily Worker who broke with the Communist party in 1945 and returned to the Roman Catholic faith, wrote: "For weeks prior to the Yalta conference, Communist agents in Washington had been told to gather every reliable bit of data available on President Roosevelt's hopes, plans and fears in the war.

Budenz, who has appeared frequently in Communist trials and investigations, said he was willing to support his accusations with names, dates and places "before any governmental agency in executive session."
