

**Swim Pool Opening Date June 3, Instead Of 5th**

The Roseburg swimming pool will be open ready for use by the public on Saturday, June 3, instead of June 5, as announced.

City Manager M. W. Slankard said that the pool and dressing rooms are all being redecorated, and that filtration and pumping equipment have been overhauled.

He said he plans to start filling the pool in a day or so, to make sure all equipment is in complete operation.

Ray Brown has again been employed to manage the pool. He will hire his own help, including assistant attendants and dressing room attendants, according to Slankard.

**Presbyterian Service To Be Held In Theater**

The congregation of the First Presbyterian church will hold the regular Sunday morning worship service in the Indian theater, Dr. Morris H. Roach, church pastor, said today.

Dr. Roach said Indian theater manager Donn Radabaugh offered the use of the theater while the Presbyterian church was in the process of being redecorated. Only the 11 a.m. service will be held in the theater and Sunday school meetings will be held at the church as usual. Dr. Roach said there will be no evening service because of the senior high school baccalaureate program to be held that night at the junior high auditorium.

**Sausage, Corn Meal Nice Team**

By GAYNOR MADDOX  
NEA Staff Writer

Corn meal and pork sausage are flavor twins. Combine them into pinwheels. Serve with a smooth cream pork gravy—sounds pretty wonderful, doesn't it?

**Sausage Corn Bread Pinwheels**  
(6 servings)

One pound pork sausage meat, 1 1/2 cups sifted enriched flour, 1/2 cup enriched corn meal, 3 teaspoons baking powder, 1 teaspoon salt, 1/4 cup shortening, 2/3 to 3/4 cup milk.

Cook pork sausage meat, stirring until meat is crumbly. Drain off fat. Sift together dry ingredients. Cut in shortening until mixture resembles coarse crumbs. Add milk, mixing lightly only until mixture is dampened. Turn out on lightly floured board and knead gently a few seconds.

Roll out in a rectangle about 12x9x1/4 inches, cover with cooked sausage meat. Starting with the long side, roll up like a jelly roll. Cut in slices 1 inch thick. Place on greased baking sheet and bake in a hot oven (450 degrees F.) 12 to 15 minutes. Serve with sausage gravy or hot apple sauce.

Here's another outh-wavering get-together of meat and corn meal.

**Meat Topped Corn Bread**  
(6 servings)

One-half pound pork sausage meat, 1/2 pound ground beef, 2 tablespoons chopped onion, 1/4 cup flour,

**One Suit Dismissed, Another Gives Judgment**

Circuit Judge Carl E. Wimberly dismissed one suit Wednesday and ordered judgment in one other money action.

A suit brought by A. W. Bashford, doing business as the Douglas County Flour mill, against Elmer Lander was dismissed with prejudice.

Irwin Logging Co. was ordered to pay \$1,981.77 to Henry Nelson, Jess Barr and William Feigenson, co-partners doing business as Piteco of Roseburg Ltd.

In other circuit court proceedings Wednesday, a suit was filed by W. H. Gerretsen demanding \$1,280.90 from Paul Rogers and Erman Rogers. The money is allegedly due the plaintiff for merchandise.

A dairy cow has been found in some conditions to return about seven times as much income per acre of pasture as any other livestock.

In the early days of wireless—now radio—the short waves were regarded as almost useless. Now they carry numerous services, including television.

**Recall Election Tally Sheets At Ashland Missing**

ASHLAND, May 25 (AP)—Two tally sheets for the recall election that—unofficially—ousted Mayor Tom Sheldon and councilman Elmer Williams, were missing at the official vote canvass Tuesday night.

Williams says he will contest the recall.

City Attorney Harry A. Skerry Jr. is to report to a special council meeting after studying the official report can be compiled in the face of the missing sheets.

City affairs have been in turmoil off and on for more than a

year and there have been two recall elections.

Williams polled 30 percent of the popular vote in November, 1948, defeating his nearest rival in a five-man field by 72 votes. Immediately on taking office Williams, a Southern Pacific conductor, clashed with the council over appointment of the police chief and the city attorney.

The conflict didn't end, however, and in March a recall against Williams and Sheldon, alleging incompetence, was started.

The unofficial count in Friday's election showed Williams recalled by a margin of 75 votes—1300 to 1225—and Sheldon by a larger majority, 1544 to 946.

Then came Tuesday night's meeting, called by council chairman Fred Homes to canvass the vote and make the results official. Williams assumed the mayor's chair and presided as the ballot boxes were opened. Tally sheets from two of the 13 precincts were not there. Unable to determine what course to take, the council adjourned for one night to enable the city attorney to study the legal points involved.

Before the confusion arose, Williams said he would contest the recall, alleging that the official newspaper announcement of the election was not published soon enough.

WASHINGTON, May 25 (AP)—Senator Edwin C. Johnson (D-Colo) predicts the FBI arrest of a Philadelphia chemist as an associate of British atomic spy Klaus Fuchs is only the beginning of a round-up of other accomplices.

Harry Gold, a 29-year-old research chemist of Russian extraction, was arrested in Philadelphia on charges of receiving atomic bomb secrets from Fuchs and turning them over to Russia. Fuchs now is serving a 14-year prison term in Great Britain for betraying U.S. and British atomic secrets to the Soviets.

Two FBI agents now are in London questioning Fuchs who was a key official in the British atomic
