

Famed Aerial Troupe Billed

One of the most graceful and spectacular sights in any circus are the aerialists as they perform their dangerous feats in the upper-most peak of the big top on the swinging trapeze.

No more famous or more accomplished troupes of aerial artists can be found anywhere in the world than are listed under the banners of the Clyde Beatty Circus, coming to Roseburg, June 5, for afternoon and night performances.

The Flying Thrillers—one woman and three men, are without

rivals on the high and lofty trapeze. Their exploits aloft, as they fling each other from one side of the big top to the other, causes many a heart to leap and bound. They have won the plaudits of circus flyers the world over with their mid-air somersaults to hand to hand catches.

The performances starting at 2:30 and 7 p. m. each day, open with a gorgeously produced procession pageant entitled, "Spangleland On The March" in which masses of people and animals take part.

Two Students Die In Crash On Day Of Graduation

LEWISTON, Idaho, May 26.—(AP)—An automobile crash on an S-curve killed two Lewiston high school students early Thursday and injured four others, one of them critically.

They were to have received their diplomas at high school graduation exercises last night.

The dead were identified as Michael Gruell, 17, and Donald McIntyre, 17.

Thomas Phillips, driver of the 1950 sedan, was critically injured when the car left the road about eight miles southeast of Lewiston at 3 a. m.

Less seriously injured were Jack Fairley, 19, fractured leg and arm; James Rowland, 18, possible internal injuries, and William Taylor, 18, possible skull fracture.

A sheriff's deputy said the youths were returning from a picnic at Waha 18 miles away. The picnic had been a pre-graduation celebration.

Investigating officers said the car had failed to round the second half of the S-curve and crashed through a guard-rail, overturning in a field. McIntyre was thrown 35 feet from the car.

Five of the boys were members of the Lewiston high school baseball team, which was to have left for southern Idaho last night to defend its state title Rowland,

McIntyre and Gruell were members of the first team; Phillips and Taylor; reserves.

Phillips' doctor said a diagnosis of the boy's injuries had not been completed, but that his condition was poor.

Graduation exercises were held as scheduled.

Biting Dog Exonerated By Victim's Testimony

BALTIMORE.—(AP)—Mrs. Lillian Stummers was up in police court on a charge of harboring a biting dog and it looked bad for her until the victim started talking.

The victim was little Linda Hyson, half past two.

Perched in her mother's arms, she answered questions put by Magistrate Herbert Franklin.

"How did the dog happen to bite you on the chin?"

"I put my fingers in his eyes."

Magistrate Franklin dismissed the charge against Mrs. Stummers but continued his questioning.

"Are you still angry at the dog?"

"No."

"And you won't put your fingers in his eyes again?"

"No. I'll pull his hair out."

Navy Funds Thief Suspect 'Broke' When Arrested

LOS ANGELES, May 26.—(AP)—The FBI and naval intelligence officers who arrested a navy lieutenant accused of jumping ship last Thanksgiving with more than \$19,000 of ship's funds, said he was "flat broke" when found and apparently had squandered the money in a riotous life "of wine, women and song."

The FBI said Lt. Bascom Bertam Boaz, 38, was arrested at a rooming house in nearby Pomona.

With him was Pearl Rosemary Carter who, the FBI said, had been with Boaz since his flight last year. She was not held.

Boaz is held in the Los Angeles county jail on a warrant charging embezzlement of government property and desertion from the U.S. navy.

Boaz was paymaster of the navy tanker, U.S.S. Navasota. His shore leave expired last Thanksgiving. That day, the FBI reported, he borrowed \$20 from a brother in suburban South Gate, boarded the ship for 20 minutes that night and fled.

Ship officers found two safes drilled open and \$19,201.50 missing from one of them. On Nov. 20, taxi-driver Cliff Brister, 38, of Long Beach, told police that Boaz hailed his cab in Hollywood and paid him \$600 to drive him to Sacramento. The cab driver said Boaz picked up a blonde named "Pearl" at Fresno.

The FBI said Pearl and Miss Carter, who was found with Boaz, are the same person.

The agents said they learned that he and Miss Carter had spent much of the time traveling extensively throughout the west.

Long Beach police said that Boaz, divorced wife and two children live in Long Beach.

Strike-Hit Store Uses TV To Advertise Goods

ATLANTA, May 26.—(AP)—Starting today, Atlanta's largest department store (Rich's) will carry its merchandise right to madame housewife through the medium of television.

The idea is the brainchild of Joseph Guillozet, the store's publicity director. He figures it might be a way to beat the sales slack caused by Atlanta's eight-day-old strike of trolley drivers.

Housewives stranded at home because of the transportation tie-up can relax and watch a television parade of clothing, sporting goods, swim suits, porch furniture, cookie cutters or what have you.
