Rose Show Plan Attracts Entries

Entries are rapidly being registered for the Rose show, to be held June 7 at the Methodist church. Various growers have indicated they will exhibit specimens and arrangements.

Mrs. Earl Plummer, music chairman, reports that there will be special music throughout the show.

Other special features are being planned. The technique of flower arrangement will be demonstrated at specified times to be announced later. A special feature arrangement will be "Roseburg Around the Roses."

The committee has requested that exhibitors display full blooms in floating arrangements. These may be named specimens or entered as arrangements. Also baskets or arrangements of climbers, etc., are desired.

If possible, the committee would like to know in advance those who plan to display so space can be allotted. Intending exhibitors are urged to call Mrs. J. M. Boyles at 181, or Mrs. Powell, phone 1723X.

Brother Kills Brother In Long-Standing Feud

TALLEDEGA, Ala., May 31.—(AP)—A feud between two brothers brought death to the older yesterday even as an officer hurried to prevent the slaying.

"It was kill or be killed," said Neal Singleton, a 35-year-old paroled convict, who was charged with murder after his brother Clifford was shot to death.

He told his story to jailer J. L. Lackey of Talladega county.

"He'd always run over me, from a little little kid," Neal told the jailer, Clifford was 54.

Clifford only recently had been released from Kilby prison after serving a sentence for stabbing his sister with an ice pick.

Neal was paroled in 1944 after serving two years of a 14-year sentence for burglary, state prison records show.

Witnesses said both men were intoxicated.

Deranged Negro, University Grad, Flees 4th Time

NAPA, Calif., May 31.—(AP)—Grim game of hide-and-seek which might go on for weeks was staged today by a muscular six-foot-four Negro with officers after his fourth escape from mental institutions.

The wooded terrain around Napa State hospital offered ready concealment for 180-pound Edmund E. Whitfield, 25, former University of Southern California athlete and Yale graduate. Although unarmed, he was listed as "dangerous."

Whitfield, husband of a white girl, spied an open, unguarded door yesterday while being transferred to a new wing of the hospital. Still possessed of the agility he displayed as a junior varsity halfback at USC, he sped through it to the outside. Several white-coated attendants were easily outrun.

Whitfield previously had escaped three times from a state hospital in Southern California. After the third escape, his capture was preceded by a two-hour chase across mud flats of an arm of San Francisco bay.

His wife and eight months old son live in Los Angeles.

Wilson said he expected the blaze to be controlled today although it is still out of hand. Little equipment was lost by the company, he said, as the fire started in a slash area before spreading into new timber.
