Cinnamon Buns Perk Up Menu

By GAYNOR MADDOX (NEA Staff Writer)

Just because something a little different makes the menu seem a lot more interesting, take a look at these two new menus:

Quick-Do Cinnamon Buns

Three cups sifted all-purpose flour, 1 1/2 teaspoons baking soda, 3/4 teaspoon salt, 1/2 cup sugar, 1/2 cup shortening, 1 cake compressed yeast or 1 package dry granular yeast, 1/4 cup lukewarm water, 5 tablespoons vinegar plus enough milk to make 3/4 cup liquid.

Sift some flour onto a piece of waxed paper. Measure 3 cups. Sift with baking soda, salt and sugar into large mixing bowl. Cut in shortening with pastry blender or two knives, until mixture resembles coarse corn meal. Soften yeast in lukewarm water according to directions on package. Let stand at least 10 minutes.

Combine vinegar and milk and beat to lukewarm. Add to yeast. Gradually add liquid to dry mixture, stirring only until flour is blended and dough pulls away from sides of bowl. Dough should be as soft as can be handled. Turn out lightly floured board and knead gently for 1 minute. Roll dough into rectangle 1/4-inch thick.

Spread with butter, brown sugar and cinnamon. Roll up from long side. Cut in 1/4-inch slices. Place cut side down in greased 8-inch layer pan. Let rise for about one hour, or until doubled in bulk, in a warm place (90 degrees to 95 degrees F.). Bake in moderately hot oven (375 degrees F.) about 15 minutes. Ice while warm with plain icing.

Plain Icing

Arrange alternate layers tomato aspic and potato salad in a large mold which has been rinsed in cold water. Chill until firm. Unmold on salad greens.

Phone Wage Agreement Signed By AT&T, Union

NEW YORK, June 21 — (AP)—A wage agreement was signed Tuesday by the long lines department of the American Telephone and Telegraph co., and division 10, CIO Communications Workers of America, a company spokesman announced. If ratified, it will affect 20,000 members in 40 states.

The spokesman said the agreement provides no general wage increase. However, he said it does provide a shortening of the wage progression schedule.

The long lines negotiations has been one of the key wage disputes in the nationwide telephone labor situation. A telephone strike had been threatened but it was postponed indefinitely last April 25.

Workers affected are long distance operators, plant central office craftsmen, outside maintenance and construction workers and clerical workers.

Seven Roseburg girls have been given campships to Camp Fire Girls summer sessions at Camp Tye according to Miss Barbara Lou Kitt, executive director for the organization in Douglas county.

Three campships were offered by Lady Lions, three by Lady Elks and one by Geneva Guild of the First Presbyterian church.

Miss Kitt announced Tuesday that Bluebird week at Camp Tye is full. However, girls may have their names placed on a waiting list in case of a vacancy.

There are still a few vacancies in the first two sessions for Camp Fire Girls, July 9 to 16 and July 16 to 22.

The program for the camp sessions has been drawn up and promises to be full of exciting new activities. In addition to class instruction in nature, handicraft and camp, swimming and games, many events will be enjoyed about the evening camp fire. Hikes are also on the schedule.

Wife Freed In Slaying Mistress Of Husband

SAN DIEGO, Calif., June 21 — (AP)—The wife of San Diego's "Christmas tree king" was acquitted Tuesday of murdering her wealthy husband's red-haired mistress.

Mrs. Margarette Pozner, 36, was freed after the jury had slept overnight. It had failed to agree in all-day deliberations yesterday.

Witnesses testified that Mrs. Pozner shot and killed divorced Mrs. Verna Simons, 31, in front of a tavern named "Evelyn's Friendly Corner" April 12.

Pozner, 46, produce dealer who supplies most of the city's Christmas trees, admitted from the stand that he and Mrs. Simons had carried on an affair over a period of years. She was his former office secretary.

Ellison's Record On Board Lauded By Supt. Elliott

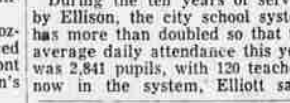

A. J. "Bud" Ellison (above) was praised today by City School Supt. Paul S. Elliott for the "many fine projects he has sponsored" during Ellison's ten years on the city school board.

Ellison, whose second five-year term expires June 30, was defeated at the polls Monday by his successor, William C. Clarenbach.

Elliott said Ellison was first elected to the school board in 1940 when the district was composed of three elementary schools, a junior high school and a senior high — with a total enrollment of 1,257 pupils served by 47 teachers.

School improvements during the time Ellison served as board chairman (1943-46, 1947-50) have been many and varied, Elliott said. He pointed to the expanded educational program, new and enlarged school buildings, establishments of a hot lunch program, increased athletic facilities and the new school buildings now under construction.

During the ten years of service by Ellison, the city school system has more than doubled so that the average daily attendance this year was 2,841 pupils, with 120 teachers now in the system, Elliott said.
