Felt Like Brick in Stomach for 10 Years

One man recently stated that for 30 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas, and terribly constipated. Recently he started taking KAL-O-DEX and says that the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man. KAL-O-DEX is an HERBAL FORMULA extracted from NATURE'S PLANTS. Taken before meals it mixes with your food, helping to eliminate poisons from system by cleansing the bowels, rid stomach of gas, and remove sickening bile. Don't go on suffering. Get KAL-O-DEX today! MONEY BACK GUARANTEE! All drug stores.

Better Growth with TRIANGLE Poultry Feeds

"I have been using Triangle feed for the last three years. I have been a poultryman for 26 years and have in that time used all kinds of poultry feeds, but no feed gives me the satisfaction of Triangle. For starting chicks it is fine. They like it and develop faster with very little loss."

Yours truly,
John Sitzmann

Lay the Groundwork for a Better Laying Flock

The present growing shortage of eggs means better profits for you, if you develop a better laying flock. Triangle developing feed in mash or pellet form is built to supply your growing pullets with a better body reserve so essential for future egg production.

All Triangle poultry feeds are fortified with Animal Protein Factors Supplement.
