Sutherland Team Defeats Roseburg Junior Legion

Sutherland's undefeated Junior American Legion baseball squad racked up a lopsided 12-5 win over the Roseburg team on Friday night in a ragged contest which saw a total of 17 errors marked up against the two teams.

Although Wally Beamer, Sutherland's fireball artist, struck out 18 local batsmen while allowing only four hits, Roseburg lost the game on the 13 errors committed, most of them coming in the final two innings. Of the 27 putouts recorded against Sutherland pitcher Mickey Coen accounted for 13 by the strikeout — nearly half.

Beamer completely baffled most of the Roseburg batsmen. Only outfielder Gene Henry was able to collect more than one hit against the Sutherland ace — a single and an eight inning homer which tied the count at -5 and briefly revived Roseburg hopes late in the game. Sutherland second baseman Kenny Wahl led both teams in hitting with a three four four record, all singles. Steve Dancho, outfielder, smacked a single and a triple in five tries; Fennell, outfielder, rapped a double in four trips to the plate, and Beamer and Darrell Roberson accounted for the other two blows given up by Coen.

Had it not been for the fatal last two innings, Roseburg may have won their second game with the Sutherland nine. The visitors scored seven runs on three hits and nine errors as Roseburg defenses crumbled.

Makeup Contest For Chiefs Eyed

It has been suggested that a makeup game between the Umpqua Chiefs and Central Point be played at night on the Fairgrounds field at Medford at any time satisfactory to Roseburg, according to I. R. Friderger, president of the Southern Oregon baseball league.

The makeup tilt was suggested after a review of the protest entered by the Chiefs following cancellation of the regularly scheduled game. The Chiefs protested when Central Point reported its field in too bad shape to play. The Roseburg club suggested the game be played on Finlay field, but the SOI president pointed out that the Central Point players had been told of the agreement to cancel the game at noon the day before the game. Roseburg did not call back the offer to play in Roseburg until about 4 p.m.

New Hatchery To Save Chinook Salmon Runs

PORTLAND June 30 — (P) — A new \$500,000 hatchery built by the government to conserve the Chinook salmon run will be occupied by 50,000 fingerling salmon July 5.

The fish will be moved to the hatchery on Marion Creek north of Portland, 15 miles above Detroit dam from the Mehama hatchery on the North Santiam. Irvine French state hatchery superintendent said.

Jones couldn't confirm the story. He said he knew nothing of what happened until he regained consciousness in New Haven hospital. But he did know he had had \$27 in his wallet.

This man is mad...

This is a picture of a man who is mad at his watch. I should say that he is angry — but isn't angry — he's mad!

Frankly, I don't blame him; I'd be mad too if my watch wouldn't run and had been in the repair shop a lot of the time besides.

If he weren't so mad, I could tell him a few facts that would solve all his problems. I'd tell him that any watch, like any automobile, is a piece of machinery that can be made to run if it is properly serviced — that a responsible jeweler builds his reputation upon the good service his watches give.

And finally, I'd tell him to choose jeweler before choosing watches, for ANY watch from a responsible jeweler will keep good time.
