Women Eager To Enlist; Men Show No Interest

ATLANTIC CITY, N. J., June 30 — (AP) — The navy recruiting office here reports a rush business as a result of the Korean situation. Chief gunner's mate Sidney A. Brahlin said yesterday that since Monday he had had 25 applicants for enlistment — all women. Six were accepted the others turned down because they were too young, he said.

The men? "Hardly any inquiries," said Brahlin.

COWBOY INFLUENCE

PHILADELPHIA June 30 — (AP) — The influence of cowboys and their wearing apparel on the youth of today was put this way by Elizabeth Morton a trade book editor before the Philadelphia regional writers conference:

"It used to be that teachers would say 'Hang up your coats and hats until 3 o'clock boys and girls.'"

"But now it's different. Teacher is more apt to say: 'Park your guns and take off your spurs until 3 o'clock.'"

Wage Boost Ends Strike

LOS ANGELES June 30 — (AP) — Los Angeles has bread with its butter today. Nineteen hundred striking AFL bakers returned to work today after being off the job since June 17. They voted yesterday to accept an employers' offer for a wage increase.

The strikers employed in 21 wholesale bakeries in the Los Angeles area had asked for a five-day 35-hour week at no loss of pay under their six-day 40-hour week. The settlement provides a wage

ANIMAL LAUNDRY

LOS ANGELES — (AP) — Beauty treatments for anything from elephants to hummingbirds, that's the motto of 26-year-old Lea Busche. She has opened an animal laundry which she believes is the first of its type in the country. She guarantees to get customers clean by following this routine:

(1) Dunk it in suds and scrub increase of five cents an hour guarantee of an eight-hour day with a 40-hour week with journeymen receiving \$1.75 an hour. They will get \$37.50 each in lieu of retroactive pay to May 1.
