

Simmons May Be Released To Pitch For Phillies

CAMP ATTERBURY, Ind. — (AP) — There are rumors going around the federalized 28th division of the Pennsylvania National guard that PFC Curt Simmons will be released to pitch in the world series if the Philadelphia Phillies win the National League pennant.

Simmons' commanding officer, Capt. Howard Emhardt of the headquarters battery for the division's artillery, wouldn't object to letting the star left hander pitch. "But I'm mum on that subject," he said yesterday, "but I'm certainly not going to object if they want to send him over there."

There was no comment from headquarters. The general impression was that a ruling must come from higher authorities.

American Tennis Pair Makes Up; Win In Tourney

By BOB MYERS

LOS ANGELES — (AP) — Off-court feeling today had cooled down to the "closed incident" status between Davis cup veteran Ted Schroeder and U. S. National champion Art Larsen.

The two are playing in the 24th annual Pacific Southwest Tournament at the Los Angeles Tennis club and for a time yesterday things were highly disturbed.

Tempestuous Ted was quoted by a sports writer as saying some highly unflattering things about young Larsen and his tennis. They were based on Larsen's public criticism several weeks ago regarding the selections made for America's Davis cup team which was beaten by Australia. Schroeder later apologized.

Meanwhile, Larsen, Schroeder, the Aussies and most of the other favorites moved on up in the tournament.

Yesterday's results included: Schroeder defeated Gil Shea, Los Angeles, 6-3, 6-4.

Larsen defeated George Richards, Montebello, Calif., 11-9, 6-4.

George Worthington, Australia, defeated John Sisson, San Marino, Calif., 7-5, 6-1.

Stan Clark, Los Angeles, defeated Harry Hopman, non-playing captain of the Australian team, 6-3, 2-6, 6-3.

Jim Brink, Seattle, defeated Straight Clark, Los Angeles, 9-7, 6-2.

SLUGGING GAL

DENVER — (AP) — some local gallery experts think Isobel De Fiore of Pueblo, the new Colorado women's golf champion, is the most powerful feminine hitter to crack a tee shot here since Babe Didrikson Zaharias made Denver her home.

Miss De Fiore, in winning her first state crown, captured medal honors with a 74, two under women's par, and settled the championship match by the most crushing margin in many years—scoring an 11-and-9 victory over Mrs. Helen Hyman of Denver, twice a state champion.

As an example of Miss De Fiore's power, she drove the green on the 11th match and both times scored 276-yard ninth hole both times in a birdie three.

DESERTS FOR SHIP

YAKIMA — (AP) — Dewey Soriatano, who skippers ocean-going vessels as well as baseball teams, is going to desert the latter.

The pitching president of Yakima's Western International league champions has disclosed he will sell his one-third interest in the W. I. club.

His decision was pushed, he said, by the approaching expiration date of his master's license.

No. 9 Box Pays Off At Denver Track

DENVER — (AP) — Figure filberts always have a field day at the greyhound racing tracks. They had plenty of chance to strut their pencil-and-paper stuff at this year's Mile High Kennel club meeting which closed the first of its two sessions recently.

Thoughtful wager makers discovered they couldn't afford to leave the No. 9 box out of their calculations.

Last year this was the second poorest box in 61 nights of racing, landing in the money only 156 times in 611 races. Only the No. 7 had a poorer record.

But this year old No. 9 quickly went to the front and after 28

nights had piled up the highest combined total of firsts, seconds and thirds. Finally No. 1, the leader in money places last year, moved ahead and after the 33rd night meeting closed, was first with 131 times in the money. No. 8 was second with 121 and No. 9 hung on for third at 118. The 9-box racked up the most seconds with 45, while No. 2 had the most firsts, 30, and No. 1 the most thirds, 36.

Last year No. 2 led in wins with 99 and thirds with 84 while No. 1 had the most seconds, 86.

GETS CHANCE

CORVALLIS — (AP) — Injuries to two halfbacks may have spurred a third into enough limelight for a starting berth on the Oregon State college football team.

Walt Kelly, Portland, two-year letterman but a bit slow in moving around the ends, looked fast and nimble in practice yesterday. He was in the left half spot while Jack Hoxie and Gene Taft took things easy with leg injuries.
