Oregon Revenue From Motor Vehicles Increased

SALEM — (AP) — The state is getting more than twice as much revenue from motor vehicle licenses and drivers licenses than it did last year, Secretary of State Newby reported.

Of the total number of vehicles, 530,771 are passenger cars, an increase of 73,068 over a year ago. However, the sale of drivers licenses dropped from 207,810 licenses sold in the first eight months of last year, to 172,163 in the similar period of this year.

SILVER-LINED HEN

MADRID — (AP) — In fables geese lay golden eggs, but in Spain hens have begun to produce silver ones.

In the town of Murcia in southeastern Spain Julio Bernardo was about to enjoy a fried egg. But when he dunked his bread into the yolk, he saw it contained four pellets which turned out to be real silver.

His mother had bought the egg at market. Local merchants are looking for the silver-lined hen.
