DIAL-LOG

By CAROL KERR

ON THE MOVE KRNR personnel seem to have turned into some sort of migratory species during the past few weeks. First, it was Lyle Fenner who, with his family, moved from South Stephens street to the Cloverdale area. Next, Betty Lillard and her husband packed their household belongings and moved from Keasey road to Cloverdale. And then Bob, Barb, Linda and Bob Jr., McCarl moved with their two pet ducks and dog "Wilbur" (Wilbur's a "she") from North Roseburg to East Roseburg.

Comes a letter to "Musical Tune-O" (Weekdays, 2:00 p. m.) "Dear Mr. Tune-O: For two months now every day, I have been trying to win Tune-O. But how can we win Tune-O without any prizes? To four places I have been trying to get Tune-O cards and all I am getting is ten. Every day it seems the winner is on the fourteen cards that I haven't got. Please, Mr. Tune-O, would you either make the winners on the ten cards that I've got or let me know where the other fourteen are. Hopelully yours, An Expectant Winner." Got news for this "Tune-O" player. A new game began yesterday. A five new cards distributed in liberal amounts to the five different sponsors of the show. You're a cinch to win.

### Broader Policy Base G.O.P. Need, Chairman Says

CHAIRMAN Guy Gabrielson said here that the Republicans "need a broader base, a policy of inclusion instead of exclusion, and need to interest people in all walks of life." Here on a western tour to confer with party workers, Gabrielson predicted victory in November for all Republican candidates in Oregon.

He said that a heavy influx of population is the only reason why Democrats are gaining on Republicans in the number of registered voters in the state. He told the party workers that they must work hard to get out the vote in November.

**Male Beauty Contests Spurned By Russians**

PARIS — (AP) — The Russians want no part of male beauty contests. So they have refused to enter the contest for "the world's most beautiful athlete" to be held in connection with the world weight lifting championships here Friday, Saturday and Sunday. "It's against our principles," said Constantin Andrianov, manager of the Russian team.
