CONFIRMS CHURCH BELIEF—Pope Pius XII reads document in Vatican City proclaiming as Roman Catholic Church dogma the 1500-year-old church belief that the body of the Blessed Virgin Mary ascended into Heaven and there was reunited with her soul. Left to right: Nicola Cardinal Canali, Pope Pius, Msgr. Domenico Anichini, Giovanni Cardinal Mercati and Msgr. Enrico Dante. More than 200,000 persons, including the greatest assembly of Catholic prelates in the 2000-year history of the Roman Church, gathered in St. Peter's Square to listen to the proclamation.

Missing School Youth Sought By Tacoma Officers

Gene's father, a building supply store operator, said he knew of no motive for an abduction. He said the boy was having trouble with his studies but doubted it was serious enough to cause him to run away.

TACOMA — (AP) — State and county officers intensified their search today for a 15-year-old youth who vanished on his way home from school Wednesday.

County Det. Capt. Larry Amundsen said the boy, Gene Meade, was last heard from at 7:30 p.m. Wednesday when he telephoned his father to say he was being held captive by two men who had offered him a ride home.

The boy's father, E. A. Meade, told Amundsen that Gene said the men had given him permission to call home. The conversation was cut off before the call could be traced.

Sheriff's deputies spent yesterday interviewing friends of the Clover park high school student, but reported little progress in the case.

During the half-hour telephone conversation, Amundsen said, the boy told his father he was calling from an abandoned service station near a four-lane highway.

Gene managed to give a partial description of the men and told his father he would be hearing from him again. Then he said "they are blindfolding me."

The state patrol said a search was made Wednesday night of nearly all four-lane highways in this area and no trace of an abandoned gas station was found.

Burma Reduces Charges Against American Medic

RANGOON, Burma — (AP) — A special tribunal today reduced treason charges against American Dr. Gordon S. Seagrave, making him subject only to banishment for life or a prison sentence if he is found guilty.

One treason charge previously against the 53-year-old surgeon accused of aiding rebel Karen tribesmen—carried the death penalty on conviction.

The tribunal after a three-week hearing framed three new charges of abetting the commission of treason by giving comfort (showing sympathy) to the rebels. The maximum penalty is transportation for life, the minimum 10 years imprisonment.

Seagrave for 25 years has healed the sick and trained doctors in Burma.

French Yield Further Ground In North Indochina

SAIGON (AP) — France's foothold in North Indochina continued to shrink today as the French announced abandonment of the defense system in the foothills region on three sides of Hanoi, the northern capital.

Pressed in a giant vice turned by Ho Chi Minh's Communist-led Vietminh forces, the diminishing French spearhead around Hanoi gradually is being confined to the densely populated Red river delta, in which live 8,000,000 of North Vietnam's 10,000,000 people.
