

### Cases Decided In Circuit Court

Circuit Judge Carl E. Wimberly issued a directed verdict yesterday in the case of Loran O'Neal vs. Roseburg Lime Products. The jury allowed the plaintiff \$1,179.86, by Wimberly's direction.

The plaintiff was asking \$4,638.61 as the alleged balance of an account for construction of a rock crushing plant and clearance and preparation of a limestone quarry for the defendant.

Court action continues tomorrow morning in circuit court with the civil case of H. K. Halverson vs. the North Douglas Mills.

In the judgment from the bench Wimberly ordered the case of Loran O'Neal vs. Fred E. Lockyear Lumber Co. dismissed with prejudice since it has been settled out of court.

Judge Wimberly also issued a decree to quiet title in the case of Lesta and Ann Shoemaker vs. Agnes Pitchford. By it the plaintiffs

### Interstate Financing Of Higher Schools Urged

SPOKANE — Multi-state financing of higher education was urged by a University of Washington dean in a talk before the Northwest Association of Secondary and Higher Schools.

Dean Edward L. Turner, head of the university's medical school, said such a regional education program would permit students to attend schools in other states and take advantage of specialty courses not offered in the student's home state.

He cited a current agreement among the states of Wyoming, New Mexico and Colorado concerning study at the latter's school of medicine. For each student admitted to the school from either Wyoming

or New Mexico, the two states pay the difference between the tuition and the actual cost of medical education.

At a high time state boundaries cease to be barriers to opportunities in higher education, Turner told the delegates.

### Sutherland Church To Offer Program

The first in a series of three musical programs will be presented Sunday at 8 p. m. at St. John's Lutheran church in Sutherland. The program will feature Marie Torgeson, soprano; Nancy Diedrich, and Carol De Rose, contraltos, and Doris Graef, organist.

### Murder Admitted In Negro's Plea

YREKA, Calif. — (AP) — Henry Thomas, 28-year-old Negro, pleaded guilty in superior court here to a charge of murder growing out of the slaying of Mrs. Velie Ainsworth in an attempted stock-up of a state line grocery Oct. 20.

Judge James M. Allen said he would sentence the Bakersfield Negro next Monday.

Willie McCain, 23, and also from Bakersfield, pleaded not guilty to the murder charge and his jury trial has been set for Jan. 3.

A third Negro held in connection with the death of Mrs. Ainsworth, Joe Nathan Cooper, 28, has been relieved of the murder charge but still is held in jail as a material witness.

A .22-cal. pistol used in the robbery attempt has been identified as belonging to Cooper. The Negro said it was stolen from him.

In a recent preliminary hearing at Tulelake, the dead woman's husband, W. C. Ainsworth, and Ray Merrill, owner of the store, pointed out Thomas as the man who shot down Mrs. Ainsworth.

Merrill was slightly wounded when he scuffled with McCain, and McCain admits he was the man.

Merrill was slightly wounded by gunshot when Ainsworth scuffled with McCain and McCain admitted at the hearing it was his bullet that struck Merrill.

Judge Allen said he may hear testimony to determine the degree of murder to which Thomas has pleaded guilty.

### Fewer Horses Being Used By Canadian Mounties

OTTAWA — (AP) — The Mounties — Royal Canadian mounted police — have only 153 horses, it was disclosed.

The R.C.M.P. told about it in the annual report for the year ending last March 31. The force of 2,489 uniformed members is gradually going mechanical, with 17 fewer horses than the year before. It added an airplane to its equipment and is seeking a helicopter.

But its members in the vast northland patrolled 339,000 miles, 46,860 of them by dog sled.

Activities included everything from recovering a lost wallet to getting its man — 43,000 convictions.

### Northwest Not Likely Bomb Target, Barbey Says

SALEM — (AP) — Rear Adm. Daniel E. Barbey, commander of the 13th naval district and of the northwest sector of the western sea frontier, doesn't think an atom bomb will be dropped on the Northwest.

In an address at the Salem Rotary club, he said "the enemy wouldn't waste an atom bomb on the Northwest."

He said the region is not highly industrialized, so it wouldn't make a good target.

But, he cautioned, civilian defense preparations should be made for anything that might happen.

### National Guard Plane Crash Kills Two Airmen

SEATTLE — (AP) — A B-26 air national guard light bomber crashed and exploded 12 miles south of here Thursday night, killing the two occupants and spreading wreckage over a four-acre area.

At New Haven, Conn., Gen. George R. Stanley said the crashed ship was a Connecticut air national guard plane. He said he was awaiting word from Seattle as to identification of the victims.

### London Press OKs Attlee's Stand

LONDON — (AP) — London newspapers have fully endorsed British Prime Minister Clement Attlee's declaration in Washington that there will be no appeasement of Communist China.

"This should scotch foolish rumors in America that the prime minister had come to Washington in an appeasing mood," said the liberal News Chronicle.

"The sincerity of Attlee's words must be unmistakably apparent to Americans for all they know, not only of his record and his principles but of the British people," it continued.

"We shall not go a second time to Munich," the conservative Daily Graphic said. Attlee "made the right reply to the clumsy Russian effort to drive a wedge between this country and America."

The pro-labor Daily Herald said the need to "sustain and strengthen the association between

Britain and the United States is obviously necessary.

"Destruction of that friendship would mean an unprecedented victory for the forces of aggression everywhere. It is a victory which will not be granted to them."

The conservative Daily Telegraph commented:

"In this country there will be the fullest endorsement of Attlee's unequivocal hostility to attempts to break the ties between Britain and the United States and to any suggestion of suicidal appeasement."

### Better Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. It goes right to the seat of the trouble to aid nature soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or drug refund money. Creomulsion has stood the test of many millions of users.
