

# St. John's Upsets Bradley, 68-59

By Associated Press  
If Madison Square Garden fell apart from old age, Forrest Anderson is one old young man who probably wouldn't cry.

Two seasons running now, his Bradley basketball five has come to the big barn with extra-long winning streaks and the number one ranking in the country.

Like last March, Coach Anderson and his tired students left town today without the winning streak and temporarily, at least, not living up to its number one ranking.

The team that snatched the game Bradley string last night is St. John's. The Brooklyn five upset the favored Braves, 68-59, in a

rough-and-tumble battle to make their season mark 11 and 2. The team that snatched a 14-game Bradley string last March is CCNY, in the National Invitation tournament. CCNY also is having worse currently, losing its fifth game, 63-59, to Boston College in the Garden opener.

Bradley has lost only six games in the last two seasons and three of those losses came in the Garden, last night to St. John's and to CCNY in the NIT and NCAA finals. The Braves defeated St. John's, 83-72, in the NIT semifinals last year.

Tricky Al McGuire and Jack McMahon sparked a fighting St. John's drive. They stole Bradley passes in to 6-7 Elmer Behnke at center all evening. In addition to teaming with McGuire in slick floor play, the 6-foot McMahon scored 17 points as did teammate Ray Dombrosky. Behnke scored 18. Bradley ace Gene Melchiorre didn't score a field goal under the close guarding of McMahon. He scored four points on free throws.

Melchiorre fouled out, accompanied by teammates Bill Mann, Charlie Grover and Aaron Price. Dombrosky and Frank Mulzaff fouled out for St. John's. At times, a skeptic could suspect both lives of appearing intent on fouling out the other team's ace men.

St. John's played a deliberate game, working for openings throughout before trying for the basket. The Bradley five appeared listless or tired, showing little of its famed spark, and gave away the ball at least a couple dozen times on bad passes and errors.

Two other high-ranking teams in this week's Associated Press poll didn't go the way of Bradley. Number two Oklahoma A&M (14-0) nearly did, but came from way behind to nip Tulsa, 40-38, in a Missouri Valley game.

Tulsa coach Clarence Iba nearly dumped big brother Hank, at one time holding a 30-10 edge. The heavily-favored Aggies went ahead to stay with four minutes left.

Long Island University (11-0), number four, took it easy with 11th, 79-45, Sherman White scored 34 points for LIU.

Bowling Green (10-4) upset Toledo (11-2), 66-59. Strappy Jerry Kemper paced BG with 14 points. North Carolina snapped an eight-game losing streak in a see-saw

Southern conference battle. The Tar Heels defeated Wake Forest, 85-58.

Scotty York of Duke sank a long shot with 10 seconds left to down South Carolina, 69-58. Duke came from 15 points behind to win. Jim Slaughter poured in 34 points for the Soos.

Arizona (10-2) defeated West Texas, 59-53, in a Border conference battle.

St. Bonaventure (9-0) also came from behind to whip Canisius, 77-72. Roger Davis tied it with a set shot at 66-all to send the game into overtime and victory for Bonnie. Joe Smyth scored 27 points to spark Niagara to a 59-41 victory over Buffalo in the first game of the Buffalo double bill.

Tufts also won a last-minute victory. Jim Mullaney tossed in two baskets in the last 30 seconds to defeat Harvard, 66-62.

Tonight's major games include San Francisco vs Santa Clara and Oregon vs St. Mary's at San Francisco, Utah State at Brigham Young, Stanford at California, Wyoming at Colorado A&M, Utah at Denver, William & Mary at North Carolina State, Washington at Oregon State, Southern California at UCLA and Southern Methodist at Texas.

## Bing To Sit Out His Own Golf Tournament

PEBBLE BEACH, Calif. — (AP)—Bing Crosby's famed charity golf tournament, bringing together the top crust of pro and amateur players, gets under way today over tricky Cyprus point.

The classy field of 172 players will compete for \$10,000 in prize money over the 54-hole route in this exacting pro-amateur affair, the only one of its kind.

Crosby himself has chosen to sit this one out — the first time in the ten-year history of the tournament that he hasn't been out there swinging with the best of them.

The \$10,000 which Bing puts up himself is divided among the pros but charity fares even better, receiving more than \$30,000 last year from spectator tickets, etc. This time, the weather being favorable, charity may do even better.

## Coaltown Ready For Santa Anita Handicap Saturday

ARCADIA, Calif. — (AP) — The Calumet stable is untroubled but some of the other owners are anxiously scanning weather reports today as entry time approaches for the \$50,000 San Pasqual handicap at Santa Anita tomorrow.

The Calumet has its crack Coaltown ready to go, and Coaltown can travel under any sort of weather or conditions of the racing strip.

Mud has prevailed for the past two days at Santa Anita, and it is doubtful that such speed burners, who fancy dry footing, as William Goetz' Your Host or Abe Hirschberg's Bolero will venture forth into mile and one-sixteenth week-end attraction if the goo is still on the ground.

## Trojans Renew Rivalry Against Bruin Hoopmen

LOS ANGELES — (AP) — The University of Southern California and UCLA renew their Pacific Coast conference basketball rivalry tonight for the first time this season and a capacity throng of 6,000 is expected to witness the duel.

The Trojans of USC took command of the PCU southern division leadership a twice whipping California last week, while UCLA was splitting its series with Stan-

## HANDY WITH HAMMER

DES MOINES — (AP) — When Hans Hansen, a native of Denmark, acquired a 70-acre tract near West Branch, Iowa, 41 years ago, there wasn't a building on it — not even a fence post.

Today Hansen has 240 acres, 80 of which are tillable, and every building and fence on the place was erected by the former immigrant. These include a home, woodshed, garage and work shop, double corn crib, chicken house, two barns, hog house, tractor shed and pig house, a saw mill shed and a machine shed. Around the farm are five miles of solid fences erected by Hansen. He even fitted five bedrooms in the home with furniture he made himself.

ford, winning the first game but dropping the second. USC, which has won 11 games and lost but one this winter — to the Oklahoma Aggies — will be a... its sixth straight victory for coach Forrest Twogood.

## Government Outlaws Hoarding Of Rubber

WASHINGTON — (AP) — The government has made it unlawful to hoard supplies of natural and synthetic rubber.

The National Production Authority added rubber and a number of other items to its previously published list of materials subject to anti-hoarding provisions of the defense production act.

That act makes it unlawful to hoard designated materials. It defines hoarding as:

1. The accumulation of supplies in excess of reasonable demands of business, personal or home consumption.
2. The accumulation of supplies for the purpose of resale at prices

in excess of prevailing market levels. In addition to natural and synthetic rubber, the NPA added the following other items to its anti-hoarding list: Industrial ethyl alcohol chlorine, zinc dust and oxides, and these textile materials—bur l a p (Hessian), cotton pulp, high tenacity rayon yarn, and nylon staple and nylon filament yarn.

Presenting the New 1951 Cadillac

Far More Beautiful... Gorgeous New Interiors... and an Even Finer High-Compression Engine!

Today, we are privileged to present the new Cadillac for 1951—finer and more wonderful from every conceivable standpoint... Numerous refinements in exterior design have made it more lively to behold—while wholly new interiors, so rich in fabric and tailoring that they defy description, impart a sense of luxury that is simply beyond compare... And, oh, the things that have been done to make it more gentle to handle—and more comfortable to ride in! The changes in this regard are manifold—and the results are a revelation. The car's quietness is now akin to silence; driving is all but a response to your wish; comfort leaves literally nothing to be desired. To ride or drive is to relax—and to rest... The great master engine has also been refined—down to the smallest details. Its voice is closer to a whisper; its power application is faster; and it's even smoother in operation... And there is an even finer Hydra-Matic Drive—with a new reverse for easier shifting, and for "rocking" the car in sand or snow... There is new steadiness on the road—better balance on turns and curves—easier and softer braking. And throughout the chassis are vital improvements which add to endurance and dependability... All in all, here is new lustre for the Cadillac name—and a far higher standard for the automotive world... There are ten distinctive body types and four individual series—the "Sixty-One," the "Sixty-Two," the "Sixty Special," and the incomparable "Seventy-Five"... Why not come in and see them today?
