LOCOMOTIVE BLOWS SMOKE RINGS—This Northern Pacific railway locomotive was blowing smoke rings as it pulled into Oakes, N.D., during a recent cold wave. A slight wind blew them forward so they were not broken up by the smoke from the stack. J. W. Enger of Oakes, who took the photograph, said the lighter color of the rings is due to the vapor and steam in the puffs from the engine. (AP Wirephoto)

Camp Director Will Be Hired

The Roseburg Camp Fire board of directors met Monday at the chamber of commerce rooms. President Mrs. Morris Bowker was in charge. The Rev. W. A. MacArthur, finance committee chairman, reported that the committee recommended hiring a camp coordinator. The co-ordinator would prepare camp for opening, help maintain it during the camping season and close camp. Members voted to accept the recommendation.

Mrs. Charles Russell reported for the civic service committee on the birthday project. The policy of allowing Camp Fire Girls to solicit for civic groups was assigned to this committee for study and final decision.

Mrs. James E. Conn, regional representative, reported there would be a regional meeting in Spokane, Wash., April 12 and 13. Three guests were present, Mrs. Dean Ross, Mrs. Paul Hult and Mrs. R. E. Vineyard. Members present were the Rev. Mr. MacArthur, Miss Patricia Mayo, Mrs. Bowker, Mrs. T. H. Pargeter, Mrs. Conn, Mrs. Harold Hoyt, Mrs. O. E. Amundson, Mrs. Russell, Mrs. Harry Brubaker, Mrs. Dale Sall, Mrs. George Erickson and Mrs. R. R. Parsons.

The greatest depth of the Atlantic Ocean is 30,246 feet, at a point north of Puerto Rico.

Give 'em the finest for Lent!

Judged finest by the Oregon Dairy Manufacturers' Association—that's Borden's Cottage Cheese!

And no wonder! Borden's Cottage Cheese is made only of the finest pasteurized milk, processed by the world's most accomplished cheese makers. And it's rushed to stores fresh every day.

Get the finest—get Borden's Cottage Cheese. Your family will really go for it!

Borden's COTTAGE CHEESE

IF IT'S BORDEN'S, IT'S GOT TO BE GOOD!
