Pictured above is our new display room and office. Here you can see our complete line of water heaters, electrical appliances and bath fixtures, set up as they will appear when installed in your home. Notice the decorator colors . . . colors that you would use in your own home. Yes, this is a modern plumbing home.

Illustrated is the latest design in plumbing fixtures as they would appear in your own bathroom. Distinctively different yet so designed to include essential safety factors such as a ripple bottom in the tub. This is just one set that you will see on display in our outstanding showroom.

We cordially invite each of you to visit our new home of plumbing service and fixtures. Inspect it and select the fixtures for your home. Visit us tomorrow between 12 and 6 p.m. and help us celebrate our Grand Opening. Remember we are conveniently located at 517 South Stephens.
