#### Easter Birthdays Come Once In A Century

Persons whose birthdays fall on March 25 will celebrate their anniversary days on Easter Sun-day this year for the only fime in this century.

The last time Easter was on March 25 was in 1894. It will not happen again until after the year 2,000.

#### Peace Pact For Japan Sets No Military Limit

LONDON -(P) — The United States has drafted a peace treaty for Japan designed to harness Jap-anese men and industries into the service of the United Nations.

Western diplomats disclosed the provisional American version of the peace settlement proposes Ja-pan might be given the right 'o defend itself.

3. Does not provide for the with-drawal at the Allied (mainly Amer-ican) occupation force from Japan 8 p. m.

#### **Missing Montana Flier Object Of Search**

HELENA, Mont. -- UP9 -- The Montana sky cleared this morning and planes took off to search for a 60-year-old pilot who was 48 hours overdue on a flight from Geraldine, Mont., to Spokane, Wash Wash.

Fliers scanned the mountains of northwestern Montana, northern Idaho and eastern Washington, Jooking for Julius Bechard and be small Corner and his small Cessna plane.

The Geraldine farmer disap-peared after taking off at 7:10 a, m, Thursday, planning to fly to Spokane and bring his 18-year-old daughter, Alice, home for Easter.

### Noted 'Crucifixion' Painting European Problems Dedicated As Public Exhibit In Special \$1,500,000 Home

GLENDALE, Calif. —(AP)—One of the world's great religious paintings, Jan Styka's "Crucifixion." went on display Friday night after half a century of obscurity.

The mammoth oil-45 feet high and 195 feet long--is believed to be the world's largest on a biblical subject. The unveiling at Forest Lawn memorial-park, a Glen-

dale cemetery, highlighted dedication ceremonies for a \$1,500,000 building erected to house the work.

Sytka's canvas is a panoramic view of the ancient walled city of Jerusalem. In the foreground is the hill of Golgotha, where the citi-tenry has gathered to watch the excutions. Is mor han 1,000 lif-size figures are dominated by the maxim Christ network the dominated by the was unvelied in Warsaw. was unverse in waraw it was exhibited in Moscow in 1898, and in 1900 Styka brought it to America for the St. Louis exhibition. But when a fire destroyed his "Q u o Vadis" paintings, he desided to store the "Crucifixion" instead of showing it. ze figures are dominated by the raying Christ, pictured moements effore he is placed on the cross. Its creation and reasons for its hacurity are quile a story. Jan Styka, who died in 1925, was Polish artist internationally re-owed for religious scenes. He

showing it. It has been in storage ever since except for a brief display in Chi-cago's opera house 40 years ago. The problem: it was too huge to be conveniently displayed. Forest Eawn acquired it in 1944. Now mounted on a curving wall in a hall with 3,000 seats, it will be shown to the public daily. Viewers will hear its story in a recorded lecture. A spotlight, synchronized with the sound track, will oolnt out the object being discussed. wed for religious scenes. He and 100 sketches which inustrated the novel, "Quo Vadis," a tale of Christian martyrdom in Nero's He did the "Crucifixion" at the behest of Ignace Jan Pa derewski, late Polish premier and plants, who envisioned a painting that would be an inspiration to the Christian world and reflect glory on Poland. the object being discussed.
