Murderers' Row Operates As Sox Club Detroit Tigers

By RALPH RODEN
Associated Press Sports Writer

The "Fenway park lineup" or "murderers' row" as the pitchers call it, has made its appearance.

Steve O'Neill, manager of the Boston Red Sox, sprung a lineup he plans to use at home against the Detroit Tigers yesterday and the formation came through with a 14-hit barrage as the Soxers coasted to an 8-1 victory.

O'Neill, planning to make the most of that chummy left field wall at Fenway park, started Junior Stephens, last year's regular shortstop, at third base, and put Handy Andy Lou Boudreau at short. Johnny Pesky, regular third

IBC Schedules Spring, Summer Ring Title Bouts

NEW YORK — (AP) — A string of championship fights involving every titleholder from the featherweight division up is in the works for this spring and summer.

The various bosses of the powerful International Boxing club are keeping busy lining up the bouts for New York, Chicago, Detroit and other stations in the sprawling I. B. C. set-up.

The parade of champions will start off May 11 when lightweight Champion Ike Williams defends his crown against an opponent still to be named in Madison Square Garden. The following week Johnny Bratton, the NBA welterweight king from Chicago, will take on Cuba's Kid Gavilan, also in the Garden.

After the welterweight fuss will come a whole flock of title shows involving Ray Robinson, light heavyweight Champion Joey Maxim and heavyweight King Ezzard Charles. Throw in the names of Jake La Motta, the former 160-pound titlist, Joe Louis, the ex-heavyweight boss, Rocky Graziano the one-time middleweight champ, Sandy Saddler, the present featherweight champion, and Willie Pep, the ex-126 pound titleholder, and you'll get an idea of what's cooking.

Maxim has signed to defend his crown against Bob Satterfield of Chicago in Chicago stadium, June 27. But Maxim probably will face Charles first in a heavyweight title scrap in late May in Chicago.

La Motta and Robinson are ticketed for a June return in New York. Saddler and Pep may have their fourth bout in New York in July, Charles and Louis may have it out in September.

Charles, who likes to keep busy, may take on Jersey Joe Walcott again in Pittsburgh in late July.

Syracuse Tops Bradley For Campus Test Title

PEORIA, Ill. — (AP) — Bradley university's national campus basketball tournament promises to be bigger and better next year.

The inaugural meet, which ended Saturday night with Syracuse defeating favored Bradley, 76-75 for the title, was acclaimed such a whopping success that plans already are afoot to make it an annual affair.

Baseball Playoff Dates Scheduled May 17, 18, 19

Roseburg high school baseball Coach Ray Stephens has announced that as a result of a recent meeting, May 17, 18 and 19 has been set as playoff dates between the winner of the JDI league and the winner of the league made up of Klamath Falls, Grants Pass, Medford and Roseburg.

Since a formal procedure for determining the district 2 representative to the state tournament has been lacking in former years, the new system was instituted. Included in the JDI league are Sutherlin, Myrtle Creek, Illinois Valley, Eagle Point and Central Point.

Last year the title was determined by a three-game playoff between Roseburg and Grants Pass at the request of the Roseburg school. The Oregon State High School Athletic association allowed the playoff, which Roseburg won to enter the state tourney.

DOUBLES CHAMPS

SPOKANE, (AP) — Les Edge and Nick Donato of Spokane won the doubles crown while Bill Farnane of Tacoma captured the singles title in Pacific northwest handball tournament finals Saturday.

Ford C. Frick, current president of the National league, is the ninth holder of that office since the league was organized in 1876.

Orange Baseball Squad Bounces Linfield Twice

CORVALLIS, (AP) — Oregon State college opened its baseball season Saturday with a doubleheader victory over Linfield college. The scores were 10-9 and 4-3.

Gene Tansvill, OSU team captain and acting coach, was the star of the first game. He hit a two-run triple in the last half of the 10th inning which won the game.

A Linfield error in the last half of the final seventh inning gave the second game to Oregon State.

Seals Continue Winless Ways In Loop Cellar

By The Associated Press

A gentleman named Frank Joseph O'Doul must be wondering today whether the Pacific Coast baseball league's 1951 season, actually is under way. Or has he merely been having a nightmare these past eight days?

Mr. O'Doul, more familiarly known as Letty, shepherds a ball club known as the San Francisco Seals through the perils and pitfalls of the PCI, nastures. And that club as if you didn't know, has yet to win a game after seven starts.

The seals are supposed to be loaded with seasoned campaigners and such new talent as Jim Russell, \$30,000 Yankee bonus pitcher from Cmppton, Calif., college.

Angels Show Power

Jim lost his first pro start yesterday's twin bill nightcap, which the Los Angeles angels captured 5-3.

Incidentally, the Angels should do all right if they can keep two lads named Chuck Connors and Max West on their roster. West poked out three homers in the curtain-raiser against the Seals yesterday, one of the power blows coming in the tenth inning and clinching a 4-5 contest.

On Saturday Connors walloped three circuit smashes in his first three times up.

Speaking of home runs, Seattle found some long-hitting boys yesterday. Bud Sheely, Al Lyons and George Vico each contributed four-base blows to stop San Diego's winning streak. The Rainers, on the strength of the big hits, won the opener of a doubleheader, 7-3, but dropped the nightcap 7-5. This gave the Padres six wins and one setback for the young season.

Oakland, defending PCL champ, won a pair from Hollywood, 1949 circuit kingly, 8-4 and 2-1. The Aeros, in a three-way tie with Portland and the Angeles for second place, took three games in the four-game series.

Lynn Throws Shutout

A wild throw in the first game caught Oakland's pinch-hitter Will Haley on the ear. Several stitches were taken to close the wound. The losses dumped the Stars out of second place to a tie for fifth in the standings.

Portland took a doubleheader from Sacramento 10-7 and 2-0, sweeping the series and handing the Solons their sixth consecutive loss. The Beavers came from behind five times in the opener. Red Lynn shut out Sacramento on four hits in the seven-inning nightcap.

Tomorrow Sacramento entertains Oakland, Portland moves to San Francisco. Seattle to Hollywood and San Diego plays host to Los Angeles.

Portland 111 010 014—10 19 2 (first game)
Sacramento 021 011 110—7 16 0
Pieretti, Adams (1), Driest (9)
and Rossi; Grove, Benton (8), Grubb (8), Kileman (8), Palm (8) and Lakeman.
Portland 002 000 0—2 6 0 (second game—seven innings)
Sacramento 000 000 0—0 4 1
Lynn and Richey; Gables, Roenspie (7), and Hairston.

Baseballers Book Tuesday Contest With Yoncalla

The Roseburg high school baseball team will set its second competitive workout Tuesday on Findlay field when it tangles again with Yoncalla in another practice game.

The Indians wallowed the visitors Friday, 10-3, but according to Coach Ray Stephens the lopsided score was due more to foules by Yoncalla than heavy hitting by Roseburg. Actually, the Indians were out-hit, five hits to four. Only one Roseburg hit went for extra bases. That was a double by Larry Fisher.

Defeatively, the Indians made only three errors, which is good considering 20 men on the team were used during the seven innings.

Grange Named All-Time Star

All-Time All America Squad Being Selected

NEW BRUNSWICK, N. J. — (AP) — Harold (Red) Grange, the "galloping Ghost" of Illinois and perhaps the greatest climax runner in history, was an almost unanimous choice today for one of the halfback positions on the all-time All-America football team.

This unprecedented team is being chosen by the Associated Press in a nationwide poll of newspapers and radio sports editors and in conjunction with the national football hall of fame. It is the first time in history that such a lineup of gridiron immortals has been assembled on such a broad and representative scale.

Men on the first three teams are nominated for consideration by the honors court of the Hall of Fame, a \$5,000,000 shrine planned at Rutgers university. This is where the first college football game was played between Rutgers and Princeton in 1869.

No selection has been made yet to the Hall of Fame but it is probable players chosen on these Associated Press teams will be among the early honorees in the shrine.

Grange rolled up the largest point total of all the greats figuring in the coast-to-coast balloting.

The Illinois star received 704 points, high in the poll, outdoing such standouts as Jim Thorpe, the old Carlisle Indian; Notre Dame's George Gipp and Johnny Lulack; Michigan's Tom Harmon and Willie Heston and Chicago's Jay Berwanger.

East Trounced By West, 75-59

NEW YORK — (AP) — The West routed the East, 75 to 59, Saturday night in the sixth annual collegiate all-star basketball game for the benefit of the Herald-Tribune fresh air fund. It was the most decisive margin of victory in the six games and enabled the West to tie the series at three games apiece.

A Madison Square Garden crowd of 10,431 saw the West, coached by Phog Allen of Kansas, take a 24-12 lead in the first ten minutes of play and dominate the game the rest of the way.

The players from the Big Ten, Skyline conference, Missouri Valley, Big Seven and Pacific Coast conference, who composed the West team, simply had too much linense and shooting ability for the East. At one stage, the East failed to score a field goal for nine minutes.

Mel Hutchins of Brigham Young, voted the most valuable player of the game, sparked the West with six field goals and a free throw for 13 points. Four of his baskets came in the first ten minutes when the West demonstrated its superiority.

Indian Squad Will Not Go To Willamette Relays

Roseburg track Coach Frank Purdy has announced that the Roseburg squad will not participate in the gigantic Willamette high school college relays at Salem April 7.

Purdy said he would like very much to have his squad attend, but a conflict in the schedule has prohibited it. Instead Roseburg scatelands will participate in a triangular meet at Coquille comprised of the host school, Myrtle Point and Roseburg.

Yoncalla Fighters Defeated By Drain In Friday Smoker

Drain high school edged a group of stubborn Yoncalla high school boxers and wrestlers in a smoker Friday night at the Drain school. The Warriors won a total of six with four bouts ending in draws.

The Friday night smoker packed the Drain gymnasium with over 300 screaming, enthusiastic fight fans. The affair was the first of a series of smokers to be held between the two schools. The proceeds from the smokers will be divided equally between the two schools to finance future athletic activities.

Final Match Best

The grand finale of the smoker, a boxing match between Drain's Ray Doty, 155, and Jack Serrin, 159, of the Eagles' student body, proved to be the best fight of the affair. The two high school youths hit each other with everything but the ring posts, ending the scrap in a draw.

Bill Freske, 145, of Drain displayed plenty of punching talent as he battered Yoncalla's Don Wise with whistling lefts and rights to win a TKO. However, Freske is not a newcomer to the ring sport. He has appeared on several amateur fight cards in Douglas county.

Yoncalla's George Johnson, 134, stole the show in the wrestling department. He pinned Drain's George Gore, 120, in one minute and 30 seconds. Johnson is a product of Ray Brown's Roseburg high school wrestling squad and recently moved to Yoncalla.

Little Earl Simpson, 127, of the Warrior institution turned in a creditable performance against Ed Cowles, 135, of Yoncalla, punching out a TKO.

The two northern Douglas county high schools will renew

Denver U. Takes Hood Ski Honors

GOVERNMENT CAMP, Ore. — (AP) — Torbjorn Falkanger, Norwegian exchange student from Washington State college, won the jumping event but Denver university carried off the National intercollegiate four-way ski championship as the event ended on Mt. Hood yesterday.

The Wegeman brothers, members of the U. S. Olympic team, helped Denver win the title in the final jumping event. Keith Wegeman placed second and Paul Denver's points in the jumping, combined with those in cross-country, downhill and slalom events, gave the team the title with 28.3 points. Washington State was second with 25.1 and the University of Washington third at 28.3.

Falkanger, jumping on a short hill constructed for the meet, took the event with a leap of 139 feet. Teammates Olav Hoff placed fifth and Lars Forland seventh to give Washington State the team jumping title.

Keith Wegeman won the individual four-way crown with a total of 28.6 points. Falkanger was next with 28.2.

Officials Book New Grid Loop

Sherwood, Erickson Set To Negotiate New Slate

Athletic Director Cece Sherwood and Principal George Erickson of Roseburg high school, journey to Springfield today to negotiate a new football schedule for 1951 to include Eugene and drop Lebanon and Sweet Home.

The Oregon School Activities association notified Erickson Saturday that it had approved the decision of administrative representatives from district 5 and 6 schools who met Thursday. The administrators overruled an insinuation to allow Lebanon and Sweet Home to stay in district 5 and replace them in district 5 with Springfield and Eugene. Thus, the member schools in district 5 is a football are Roseburg, Eugene, Springfield, North Bend, Marshfield and Cottage Grove.

Schools Overlaid

Coach Sherwood said both the schools disapproved of the league shifting procedure, but they were just overlaid. He said the two schools will continue to use the district 6 as a playing league but will be a member of the southern district. Sherwood said that he wants to see Eugene become part of the district 5 playing league. For that reason, he says, he will attempt to drop Lebanon and Sweet Home from the schedule and replace one of them on the slate with Eugene. Springfield has already been placed on the 1951 schedule.

Sherwood said he was disappointed that this league setup had not been made to include all sports, but he noted, "It will eventually come. We just haven't got the thing worked out yet."

Wealth Of Talent Shows For Myrtle Creek Ball Club

Baseball Coach Frosty Loughry appears to have a wealth of material with which to build his 1951 Myrtle Creek squad. Thirty prospects have turned out and 10 are lettermen.

Loughry stated he had a letterman for every position except third base. At the catcher position, returning lettermen are Tom Corrigan and Bob Wilder. Loughry noted that for a winning season, much depends on the work of returning pitchers Don Smith and John McCauley. Infielders lack in the fold are Don Gillespie, Jim Phillips and Dick Komp. In the outfield, Phil Gormley, Jack Meahaw and George Heath have made it back. Loughry said Tim Corrigan and possibly Don Gillespie may be called to take over the third base chores.

The squad has been working out for over a week in preparation for the tough 12-game schedule opening April 13 at Eagle Point. The schedule:
