DIAL-LOG

NEW SHOW UPCOMING: For the past 16 years the number one band in the country, as voted by widely separated polls, has been Guy Lombardo and his Royal Canadians. For sheer musical ability and appealing style, the man who makes the "sweetest music this side of heaven" is tops. A major portion of his popularity is because of the Guy Lombardo Show starting on KRNR Friday evening at 8:00 p. m. You'll hear a star-studded program. The voices of Don Rodney and the Vocal Group

are wonderful. David Ross' mellow voice narrates the famous picture story. And the Lombardo Prize Medley highlights the popular half-hour. If you like sweet music, you'll enjoy the Guy Lombardo Show starting Friday night at 8:00 o'clock.

TONIGHT—JAM SESSION: For a different kind of music, KRNR has a microphone and tape-recorder on hand when another of the Sunday jam sessions started off in Roseburg. And tonight on Club 1490 (10:45) the show will be aired. In on the jam were Jimmy Turner and Red Mack hosting at the Shallmar; Ernie Hatfield, Duke Johnson and Frosty from Melody Inn; and the Sharps and Flats from Piluso's in Eugene. A couple of local musicians were also sitting in on the session: Bruce Gilly with his tenor sax, and Bill DeMussy playing trumpet and vibes. They let go with C Jam Blues, followed by How High the Moon. Then came numbers like Lemon Drop, Midnight Sun, On the Sunny Side of the Street, Lady Be Good and Body and Soul.

Teased Girl Sets Fire To Friends' Apartment

DENVER — (AP) — Because her two girl friends teased her about her hair done up in curlers, Mrs. Delores Marie Weber told police she set fire to their apartment.

"They teased me about my hair in front of a man," the 20-year-old girl told detective Capt. Joseph Coogan. She signed a confession and was held for investigation of arson, Coogan said.

The blaze was extinguished Sunday night after causing about \$100 damage.
