

Eugene Wins Track Meet Easily

Indians Take Second Place; Uni High Third

Axemen Make Strong Bid For State Honors, Taking 11 First Spots

In a perfectly run track meet which, unlike most, started on time and ended exactly on the dot, Eugene high school gave notice on the local oval that it was pointing for state honors. The Axemen won the triangular affair with a score of 86 1-4. Roseburg was second with 38 3/4 and University high, third with 26 1-3.

Eugene grabbed 11 firsts, leaving two for University high and a single top spot for Roseburg.

One of the top performances of the evening was put on by Eugene's Dean Parsons. In both the discus and shot put, he made the best marks of his high school career. The towering Parsons hoisted the shot 49-feet 6 1/2 inches and flung the discus 151 feet 2 inches. These are also the top marks in the state this year.

The single first place for Roseburg was posted by Jerry Seance in the pole vault. His 11-foot jump set a new school record. For the Indians the heartbreak of the evening came in the final 880-yard relay. With a lead of close to 10 yards coming into the anchor leg, Jim Strum fumbled the baton pass to Jerry Seance who had taken a three yard lead in the first leg, John Deshies increased it to five and Larry Freeman ran away from him to give the Indians the imposing lead before the mishap.

Eugene's Wayne Reiser made the last 200-yards of the mile-run look like a sprint. Reiser, and MesKinnon of Eugene and Roseburg's Ed Stritzke had been in a cluster for the last two laps, when Reiser made his bid. He broke from the group as they pulled out of the back stretch and came galloping across the line by a good 35 yards.

Two Headliners Scheduled For Local Wrestling Show

Two headliners come to the Roseburg Army arena Saturday night—and the pair of 45-minute, three-fall skirmishes are expected to furnish Douglas county sports followers with a jackpot in colorful and dynamic wrestling.

There will also be a one-fall, 20-minute opener—between Jack Kiser, Portland, and Tony Morelli, San Diego. The tilt opens the show at 8:30 p.m., and a capacity crowd is expected for the opening gong.

One of the headliners will match Farmer Jones, the Arkansas hillbilly, against Ace Abbott, the talented Texan. It will be Jones' first appearance here in several years, but fans remember the be-whiskered owner of the runt pig, his big overalls, straw hat and bare-footed grappling that features the mule kick.

Another Jones will also be in the double-barreled main-event—Rufus. The big Detroit Negro tangles with the "Yellow Mask" and a brutal head-butting battle is anticipated. The last time the two men met here, several years ago, it was a bloody double knock-out.

Walter "Tinkit" Achiu, colorful Chinese jiu-jitsu exponent, will referee all three matches.

Roseburg Lumber Team Cops Championship

Glendale Rallies To Beat Oakland
Glendale overcame a three-run lead in the seventh inning to defeat Oakland, 10-8, at Glendale Friday afternoon.

The Pirates got off to a 2-1 lead in the first inning and both teams countered tallies in the third and fourth, but Oakland broke loose for six runs in the fifth. Glendale added two in that inning and surged ahead in the sixth with five more runs to clinch the game.

Benny Mouchett cracked out two triples in three times at bat to lead the Pirates. Oakland's Bob Hill paced his team's hitting with two singles in three times at the plate.

This was the second loss for Oakland and the first win for Glendale. Earlier in the week, Drain beat the Oaks and Elktion scored a tight 6-5 win over the Pirates.

Flag Races Pend As Major League Teams Get Ready

By JOE REICHLER
NEW YORK — (AP) — Two tingling flag races were predicted today as major league baseball prepared to open its jubilee season Monday with a pair of games followed by a full slate of eight inaugurations Tuesday.

With few exceptions, all 16 clubs are straining at the bit, eager and ready for the opening gun. To a man, every manager feels his team will improve over its 1950 showing, with some optimistic souls openly talking pennant.

Washington, the nation's capital, will be the first to break away from the barrier in the American league as per custom. The Senators, under Manager Bucky Harris, will raise the curtain with the New York Yankees. A capacity crowd of so-called 33,000, including President Harry S. Truman, is expected for the launching of the league's 51st campaign.

Not to be outdone, the National league has a trail blazer of its own Monday when it begins its 76th year of operation. In the circuit's lone contest, the improved Reds take on the Pittsburgh Pirates before a traditional Cincinnati opening day throng of about 32,000. Ewell Blackwell, (17-15) is slated to pitch for the Reds. He will be opposed by Cliff Chambers (12-15).

In the initial inning, Elktion cut loose for four runs. Glide was gathering a single tally. The Elks added another in the third to make the score, 3-1. Then in the terrible fourth, they hit everything that came their way.

In the statistics column, the Elks slugged out 14 hits to make the 17-run total. Three of these hits were made by Dave Scott, who came to the plate four times and belted two home runs and a triple. He knocked in a total of six runs. Elktion's Gill allowed Glide only three hits.

The Roseburg high school tennis team notched the 21st consecutive scalp to its belt by defeating Grants 7-1 Friday afternoon on the local court, 5-2.
