Congratulations

and BEST WISHES for Success to the Graduates of '51

For the past 12 years you have taken lessons and examinations from your teachers and professors. The years ahead will tell how well you have learned the lessons your instructors have tried to teach.

Now that you are out of school and on your own, you should be ready for the MAJOR EXAMINATION; that of how successful you are going to be. You will find that life is sort of a Grind Stone and whether it grinds you down or polishes you depends upon the stuff you are made.

Here are 12 points that will help you thru the coming days and years of your life. Call them your "Daily Dozen" if you wish. Practice them diligently and success will be sure to follow.

1. Begin and end everyday with a prayer.
2. Appreciate and enjoy life's blessings.
3. Live by faith, not by fear.
4. Think the best of others.
5. Be careful of speech and acts.
6. Keep your HEART and MIND clean.
7. Keep your self-respect, self-control, self-reliance.
8. Scorn what is PETTY, MEAN, CONTEMPABLE.
9. Keep your body in HEALTHFUL condition. Treat it as a Temple of God.
10. Keep your promises and your temper.
11. Keep out of other peoples affairs.
12. Build a GOOD REPUTATION and a STRONG CHARACTER.

Remember, REPUTATION is what people SAY about you . . . CHARACTER is what people KNOW about you. You cannot order character over the phone . . . it cannot be bought, but it is the most IMPORTANT single possession you own.
