

National Health Plan Dead, AMA President Says

ATLANTIC CITY, N. J. — (AP) — American Medical Association President Elmer L. Henderson says that the AMA could relax its two-and-a-half year battle against compulsory health insurance.

In a speech prepared for the first session of the AMA house of delegates annual meeting, Dr. Henderson said the possibilities of a national health plan are now gone, "at least temporarily."

He announced that the AMA's special intensive campaign against compulsory health insurance would stop by the end of this year.

Dr. Henderson said a board of trustees decision to terminate the drive was made on the advice of campaign directors Clem Whitaker and Leon Baxter, Chicago public relations directors retained for the fight.

The regular AMA staff, he said, will now take over their job "to hold the ground already gained and ward off any new attacks."

Dr. Henderson also urged continued support for AMA projects to improve American medical service. Among them he listed:

1. The national fund for medical education, which will make a first distribution of money to medical schools about July 1.
2. Voluntary health insurance programs, now believed to cover about 80,000,000 people.
3. Grievance committees to iron out doctor-patient quarrels.

Minister's Wife Tells How Hadacol Was So Helpful

HADACOL Helps Folks With Weak, Run-Down Conditions, Poor Appetite, When Caused by Deficiencies of Vitamins B1, B2, Niacin and Iron

A weak, run-down condition can make life a mighty drag for folks who feel that way. Imagine not having a good appetite. Loss of weight and energy oftentimes accompany this condition. When Mrs. Ardena Longaker, a minister's wife, who lives at Rt. 5, Meadowbrook Rd., North Kansas City, Mo., began feeling that way she had heard how it was helping people with weak, run-down conditions and poor appetite, when due to a deficiency of Vitamins B1, B2, Niacin and Iron. Now, Mrs. Longaker says she feels good and is recommending HADACOL to her friends.

MRS. LONGAKER

Here is what she says: "I am a minister's wife and am 39 years old. I was run-down, lost weight, was listless, and had no appetite at all. I'm on my fifth bottle now and am amazed at the results. I want to eat all the time now. Most of all, I'm glad to say, I've gained several pounds. Hadacol is so economical, I believe almost anyone can afford it, and I do recommend it to my friends."

HADACOL now makes it possible to actually relieve the REAL CAUSE of weak, run-down conditions, stomach distress, nervousness, poor appetite and nagging aches and pains when due to the lack of Vitamins B1, B2, Niacin and Iron in the system.

AND LISTEN TO THIS! Continued use of this great HADACOL not only gives continuous complete relief but helps keep such painful relief from returning when caused by such deficiencies. Now that's the kind of product you have been waiting for. That's the kind you should buy and start taking at once.

And HADACOL'S wonderful Vitamins and Minerals come in special pleasant liquid form so they are quickly absorbed and assimilated in the blood, ready to go to work at once.

HADACOL IS SO EFFECTIVE Because HADACOL helps build up the hemoglobin content of your

blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ and to every part of your body.

You may have tried other Vitamin preparations or other Vitamins and Mineral preparations, so we make you this offer. Try a bottle of HADACOL today. You be the judge. If you do not believe that HADACOL is the best Vitamin and Mineral preparation you have ever taken, we will gladly send you back your money. That's our positive money-back guarantee.

So be fair to yourself. Don't go through life suffering from these conditions when caused by lack of Vitamins B1, B2, Niacin and Iron, when relief may be as close at hand as your nearest drug store.

REFUSE SUBSTITUTES There's only one HADACOL. Don't let anyone tell you something else is "just as good." Insist on genuine HADACOL. You risk nothing because HADACOL is sold on a strict money-back guarantee.

Sold at all drug stores, trial size, \$1.25, but buy the large family-size, only \$3.50.
