DON YOUNG is pictured eradicating weeds with a hand tractor in a bean field belonging to his father, Ray Young, in lower Garden valley. The Youngs have 15 acres in commercial (Blue Lake) beans. Considerable hoe work is necessary as well as tractor work, at this season, to clean weeds from the bean hills. —(Paul Jenkins)

Clean-Up Of Lots Asked Of Property Owners

Roseburg Fire Chief William E. Mills asks all owners of empty or idle lots in the city to help prevent fires and nuisances by cleaning such lots of all debris.

Chief Mills reminds that a city ordinance makes it obligatory for such property owners to clean their own lots or be subject, upon conviction, to a fine of not less than \$5 nor more than \$25.

There are several unsightly and hazardous lots within the city and the Fire department would appreciate the cooperation of property owners in cleaning these up as an aid to the local fire prevention, health and safety program, said Chief Mills.

"Let's make Roseburg an attractive city," Chief Mills urged. Anyone desiring a burning permit should call 33226.

Communists Ask Court To Reconsider Decision

WASHINGTON — (AP)—The supreme court has been asked to reconsider its decision upholding the conspiracy conviction of 11 U. S. Communist party officials.

The 11, in a petition filed Mon-

day, said the effect of the decision will be to outlaw the party. They added that "for the first time in the history of this country a political party is being illegalized."

The high court ruled on June 4 that the 11 leaders had been properly convicted by a federal court in New York of conspiring to teach the overthrow of the gov-

MacArthur Presidency Seeker, Sen. Kerr Says

WASHINGTON — (AP)—Senator Kerr (D-Okla.) says that if General MacArthur is "not a candidate for President, there's not a steer in Texas."

He made his comment to a reporter in reference to MacArthur's series of speeches in Texas criticizing the administration for what MacArthur says is a policy of appeasement.

"He's running for President as hard as he knows how," Kerr said. "The Mac-kado rides again."

In other comment today, House Speaker Rayburn of Texas speaking of MacArthur's Texas speaking tour, told a reporter: "I'm glad that Texas showed General MacArthur its usual courtesy. However, I felt that the crowds he drew were very disappointing to him and his sponsors."

ernment by force. It did not outlaw the party as such.

Each was fined and sentenced to jail. All are free on bond, however.

Horses With Bad Reputations Due At Rodeo Here

Some outstanding rodeo stock will be used in the Douglas county Sheriff's posse rodeo Saturday and Sunday, according to information from Christensen Bros., Eugene, which is supplying all livestock for the event. The Christensen brothers have ranches at Eugene, Roseburg and Cottage Grove.

Among the saddle broncs, Black Hawk, a big black gelding, has only been ridden successfully four times. One of the instances when the horse was ridden occurred when Bud Linderman won the bronc riding competition at Los Banos, Calif., in 1930.

Other stock includes Northwestern, a spectacular bucking horse with a record of either bringing his riders to the pay window or bucking them off. Skid Row Sue is a small trick pinto mare with the ability to count, roll over, and shake hands.

Others include Henry Special, Snake and Big Enuff. Snake came into prominence when he threw Gene Pruitt in the finals of the Toppenish rodeo last year. The big gray is from the Yakima Indian country. Big Enuff is a top Canadian horse.

A couple of "meanies"—Showboat and Link Creek Red—will be among the bareback horses in the event. The former is a small, d-rappled grey horse that has a habit of fighting the chute, snorting and striking cowboys on the ground. Link Creek Red, a sorrel, jumps and kicks violently the first two jumps out of the chute.

Black Bird, another entry, is credited with bucking off Sonny Tureman, world's champion bareback rider, at Prineville in 1947. Copper is a little sorrel that ha-

bitually spins wildly near the chute.

Other top-notchers are Pavements End, a big brown; Fancy Pants, a new horse from Red Bluff; Blackie, a Canadian horse; and Red Wing, called a "classy" bucking horse.

Black Angus calves are used in the calf roping and Mexican steers are used in the team roping and bulldogging events.

Hungarian Archbishop, 8 Others Facing Trial

BUDAPEST, Hungary — (AP)— Archbishop Jozsef Grosz, 64, highest ranking Roman Catholic prelate in Hungary since the imprisonment of Jozsef Cardinal Mindszenty, goes on trial Friday on charges of plotting against the Communist government, black market currency dealings, helping

persons to flee this country and other offenses.

This was announced in the Budapest press today, in a government indictment against the archbishop and eight others. The indictment said all "confessed."

Daily Worker Manager Sentenced For Contempt

WASHINGTON — (AP)— Philip Bart, 48, general manager of the Daily Worker, was sentenced here to three months in jail and fined \$500 for contempt of Congress.

The sentence was imposed by Federal Judge Burnita S. Matthews after she turned down a plea for probation for the long-time Communist party organizer. Judge Matthews, who heard the case without a jury, convicted Bart on eight counts of contempt May 3.
