We are celebrating a new addition to our staff—May Mathews is now a member. Her official capacity is our store's that of home consultant. She is here to help you with your home decorating, cooking, freezing problems that you may have. She will also give you hints on planning your next party. Come in, get acquainted with this famous Home Economist and seek her advice.

MAY MATHEWS

May Mathews, home economist, has joined our staff of friendly and helpful clerks. She will be in her model kitchen to help you with any problems that you may have about home decorating, cooking, freezing or just any little thing that bothers you about your electrical appliances. May has a vast background that will be of great help to you and your problems. Come in tomorrow or in the next few days and ask her your questions. It's the same May that you hear over KRXL at 9 a.m. every morning on "Modern Home." Help us celebrate her joining our staff, come in soon.
