**Proud Yankees Pull Zany Stunt**

By The Associated Press

Everything happens at Ebbets' field, eh?

A jam-packed crowd of 71,289—largest ever to attend an exhibition game—can challenge you on that.

It witnessed something last night that rivals any zany stunt ever pulled in the Brooklyn Dodgers park. It happened in Yankee stadium, of all places.

The culprits? None other than the proud and conservative world champion New York Yankees.

This is the play-by-play account: The Yankees and Dodgers were deadlocked at 3-3 with New York at bat in the 10th inning. The bases were loaded with nobody out. Pinchhitter Gene Woodling smashed a long drive into the right field seats.

A grand slam homer? Nope. Just a little single.

How's that you say?

**Scores Run**

As Woodling was rounding first, he passed Hank Bauer who had stopped between first and second to congratulate his teammate. This action limited the blow to a single. Phil Rizzuto, however, scored from third with the run needed to win. The score was New York 4 Brooklyn 3.

And they call the Dodgers daffy! In other exhibition games involving major league teams:

Manager Marty Marion gave his ailing knee the first test of the season when he played four innings at shortstop as the St. Louis Cards lost a 5-3 contest to other Omaha Western league farm hands.

Monte Irvin and Bobby Thomson drove in two runs each to lead the New York Giants to a 5-4 vic-

**Carlson Meets Pacific Champ In Main Event**

There will be only one Pacific coast wrestling champion on the program at the Roseburg armory arena Saturday night, but the double main event announced by Matchmaker Elton Owen might bring two title tilts here in the near future.

Gentleman Dale Haddock, the Michigan grappler who three months ago won the coast lightweight title from Eddie Williams, in a match at Boise, Idaho, will be making his first appearance here since copping the crown. He will wrestle Cowboy Carlson in one of the one-hour, three-fall bouts.

The other match will send Rufus Jones against Ace Abbott and the winner has been promised a match against Con Bruno, "Mr. 5-by-5" of the mat. The winner of that match would then receive a contract for a title tilt against Frankie Stojack, coast junior heavyweight champ.

Haddock will not risk his title against Carlson, who claims that the champ has been hand-picking his title opponents. The former Wyoming rodeo performer who took part in the local event last weekend, believes his "bulldogging special" is a potent enough weapon to beat Haddock and force the top-ranking fundamentalist into a championship bout.

Carlson, besides appearing in the rodeo, battled Bruno to a draw here last week and looked impressive in going the route.

Owen announced that Tex Hager, who has been promoting in Idaho, will spend the summer on the coast and plans several appearances here. The former world title contender is one of the most popular grapplers ever to appear here and made his home in Roseburg before moving to Boise.

The two-star show is expected to attract another large crowd Douglas county fans are urged to make ringside reservations at Powell's.

Victory over the Red Sox in Boston.

Vern Law pitched the Pirates to a 5-2 triumph over Cleveland in Pittsburgh.

Ken Johnson and Milo Candini combined to hurl the Philadelphia Phils to a 5-1 victory over the Athletics in Shibe park.

**Two Women Tie For Golf Honors**

Mrs. Walter Bridges and Mrs. Ralston Bridges stroked identical low net scores of 80 over 18 holes at the Roseburg country club course Tuesday to tie for top class A honors in the women's sweepstakes play.

Mrs. Ralston Bridges was awarded the win, when the two drew straws to determine the winner. It was the regular weekly play for country club women golfers.

Mrs. Roger Gee won the class B competition with a low net of 78. In the 9-hole class C play, Mrs. Don Smith won with a low net of 42.

More play is scheduled this weekend, when the men and women take part in mixed two-ball four-some matches. Starting Tuesday, June 3, and continuing through Wednesday and Thursday, the women will run off qualifying rounds for the Corter-Pearson handicap playoff. This is for all class B members.

**PRACTICE HALTED**

Coach Hal Zurcher reported Tuesday night that Pee Wee baseball practice is to be suspended three days next week because of the Fourth of July. He said there would be no practices Wednesday, Thursday and Friday, July 4, 5 and 6. Practices, however, will be held Monday and Tuesday.

**Golf Tournament Slated For Women At Eugene**

July 18 has been set for the third Willamette Valley-Southern Oregon golf playoff at Eugene.

Representing cities from all over the Willamette Valley and the southwestern part of the state, the golf tournament for women draws an impressive contingent from the Roseburg area. The Eugene tourney is the final preparatory engagement of the season before the all-important final tournament at Klamath Falls in August. This final tournament will determine the city represented by the best women's team of the year. The five low scoring women from each city will add their scores and the combined result will determine the winning city.

So far this season, tournaments have been held at Roseburg and Coos Bay.

**NOW! OIL that CLEANS your Motor as you DRIVE**

**TYDOL HD MOTOR OIL**

**EXTRA RICH in Active Cleansing Ingredients!**

Thousands of motors over millions of miles... exhaustive road and laboratory tests prove it! Tydol HD actually cleans your motor as you drive! For this remarkable motor oil is rich—extra rich—in active cleansing ingredients that get rid of power-stealing sludge and carbon. It saves you costly overhauls by keeping vital parts "whistle-clean." In fact, no other oil keeps your motor so clean... so free from wear!

Next time, get this extra protection at no extra cost. Switch to Tydol HD... the oil that cleans as it protects as it lubricates.

**Why TYDOL HD Keeps Motors Cleaner!**

- Sludge, carbon and "varnish" form constantly in every motor. Many oils let these power-robbing deposits settle and harden, fouling pistons and valve stems.
- Tydol HD—extra rich in active cleansing ingredients—disperses these deposits... as you drive! Suspended in oil, such deposits do no harm.
- Also rich in ingredients that counteract rust and acid-action, Tydol HD stops corrosion... prevents the wearing away of precious engine metals.
- When Tydol HD is drained, it takes along carbon and sludge that other oils can't budge. Fresh, new Tydol HD goes into a clean motor!

**Remember!**

If Yours is a NEW Car... TYDOL HD is heavy-duty, high-detergency oil—the type many car manufacturers now recommend, because it keeps your motor clean.

If Yours is an OLDER Car... TYDOL HD drives out old, accumulated sludge and carbon... cleans vital parts... gives sluggish motors a new lease on life.
