KLAMATH FALLS — (AP) — A husband and wife team will lead the Oregon Veterans of Foreign Wars for the coming year.

### All Ship Labor Disputes Settled

NEW YORK — (AP) — All American flag ships have returned to the seas after 11 days of labor disputes. At one time, non-defense shipping was tied up in every major port in the nation.

The CIO National Marine Engineers Beneficial association won contract concessions from 40 Atlantic and Gulf coast shipowners to mark the complete restoration of maritime labor peace.

The marine engineers won their most important demand, that all engineers below the rank of first assistant be hired through union hiring halls.

Another major gain listed was the "principle" of the eight-hour day for chief engineers, who will get equivalent time off with pay for overtime work.

In the two-year contract, the engineers also obtained the same eight percent wage increase, retroactive to June 16, given the NMU.

Under the old scales, engineers earned from \$328.81-a-month, for fourth assistant engineers on class "E" vessels, to \$847.78-a-month, for chief engineers on the largest liners.

### Souvenir Recalls Fair In Roseburg 50 Years Ago

A souvenir of Roseburg's street fair of 50 years ago, with an accompanying letter, has been received by Harold Hickerson, secretary-manager of the Roseburg chamber of commerce from Harold H. Smith, now of Boise, Ida.

Smith wrote that recently he saw a car marked "Lockwood-Roseburg" near the Boise bus station. He said he had a very enjoyable visit with two ladies in the car about the growth of the city, but he failed to get their names.

The souvenir bears the inscription "Souvenir, Roseburg Free Street Fair, Sept. 17-20, 1901, second annual carnival."

### Days Creek Slates 3 Plays Friday

"Liza Jane" will twirl her skirts at Days Creek school auditorium Friday, June 29, when the Tiller Troupers present their summer show "June Hallelaloo," at 8:15 p.m.

Two dramatic skits, "The Purple Doorknob" and "The Hat," and a scene from a Paris cafe will also be presented.

Ralph and Freda Little will assist in the music department and Reg Brown will play old-time favorites. Barbara Snyder and Marcey Gosnell will lead the grand finale, which concludes the program.

Charles Porter is in charge of the sound system and Mrs. Porter is business manager. Mary Williams, Lucia Snyder, Nancy MacLean, Mary Erlebach, Olive Brown and Alice Corbett will manage the stage scenes.

The Youth group of Days Creek Community church will serve punch and homemade candies. Alvira Ward will direct the refreshment committee.

### Color TV Makes First Commercial Exhibit

NEW YORK — (AP) — Color—long just a fighting word in the television industry—has gone commercial.

The Columbia Broadcasting system, whose color system won out over that of RCA-Victor in a battle right up to the supreme court, put on an hour-long star studded color television show on the air waves Monday.

And 16 sponsors paid \$5,000 a-piece to have their products displayed in the new medium.

But they paid for a limited audience. Color television sets will not be generally available for some months, and even demonstration sets are limited.

Ordinary sets are limited. Ordinary sets are limited. Ordinary sets are limited. Ordinary sets are limited.

Chinese Attacks Smashed By Allied Artillery TOKYO — (AP) — Thundering Allied artillery today smashed a series of Chinese attacks which Lt. Gen. James A. Van Fleet warned may be forerunners of a new Red offensive in Korea.

The United Nations ground commander foresaw no "major thrust immediately." But, he said on a tour of the fighting front, "the Chinese appear to be building up for another effort" to overrun U.N. lines.

Neither Van Fleet nor the supreme Allied headquarters of Gen. Matthew B. Ridgway would discuss a Russian cease-fire proposal.

Van Fleet said he knew nothing about it.

"Of course, in our hearts, we all want peace," Van Fleet said. "But we won't let up on the enemy."

### Drain Resident Passes In Roseburg Hospital

Henry Clifford Hale, 50, retired Drain furniture dealer, died Wednesday June 27, in a Roseburg hospital after a long illness. He was born in Dewey, Wash., June 14, 1901, and came to Drain 27 years ago.

Survivors are his parents, Mr. and Mrs. Frank Hale, Drain; four brothers, Glen and Wesley, Drain; Frank, Springfield, and Edwin, on furlough from the army.

Funeral services will be held Saturday, June 30, at 2 p.m. at Drain Baptist church, with the Rev. DuBoise officiating. Interment will follow in Drain cemetery. Stearns mortuary is in charge of arrangements.

### Officers Elected By Health Assn.

George Luoma, Roseburg, was reelected president of the Douglas County Tuberculosis and Health association at its annual meeting Wednesday noon in the Umpqua hotel.

Other officers elected for the 1951-52 year (addresses Roseburg unless otherwise indicated): John Dintley, vice-president; Mrs. R. R. Hayes, Sutherland, first district vice-president; Mrs. H. M. Anderson, Canyonville, second district vice-president; Mrs. E. A. R. Neuri, secretary; and Mrs. Kathryn Petreque, treasurer.

Elected directors for a two-year term are Don Forbes, Edward Murphy, Mrs. William Thompson, Ralph Thrift, all of Roseburg, and Mrs. Bernice Coats, Reedsport. Mrs. J. A. Harding was elected honorary director.

Continuing as directors for a two-year term are Mrs. Edward Tauscher, James Oakley, Mrs. Roy Young and Dr. Earl Neuri, all of Roseburg.

Three Rail Unions Spurn Offer Of Wage Increase WASHINGTON — (AP) — Three operating rail unions have unanimously rejected the latest contract offer of the nation's railroads.

Notice was prepared immediately to advise the mediation board of the action of the three unions — firemen engineers, and conductors.

A fourth operating union, the Brotherhood of Railroad Trainmen, accepted a similar offer on May 25 and signed a new three-year agreement.

The railroads have offered to boost the pay of yard service employees 33 cents an hour and road service workers 18 1/2 cents.

An additional penny an hour also would have been available under a cost of living adjustment clause as a result of the latest advance in the government's index of May 15, announced Wednesday.

Chief obstacle to agreement was a series of changes in operating rules requested by the carriers.

SPREE DRAWS JAIL Municipal Judge Ira B. Riddle today committed Joseph Patrick Walsh of Roseburg to the city jail for 20 days in lieu of two \$20 fines on charges of drunkenness and disorderly conduct.

### Child Discipline In Eating Topic Of Health Talk

Resistance by the public against community health measures may be due to mothers forcing their children to eat spinach when they don't want to.

That was the psychological observation cited by Kenneth C. Ross, executive secretary of the Oregon Tuberculosis and Health association, in a speech in Roseburg Wednesday.

He spoke at a luncheon of the Douglas County Tuberculosis and Health association.

The idea cited is that of Lawrence K. Frank, author and psychologist. He states that a mental block is often formed by individuals against health measures because of childhood training in health discipline.

"For instance," Ross said Wednesday, "mothers tell little Johnny to go to bed early—it's good for his health. Or they tell him to eat spinach instead of candy—it's good for his health."

"Then, when he reaches the age of 50-54, the age that many tuberculosis victims die, he is told he ought to have his chest X-rayed for signs of tuberculosis—because it's good for his health. He just doesn't show up."

"The mothers are quite right, because they must discipline their children. But community health workers ought to recognize that," he added in a later interview.

The best measure, Ross said, to make individuals health conscious, is to contribute more effectively to the total community health, we must find ways to let him do the planning," Ross declared.

The mobile chest X-ray unit this year is being taken over by the State Board of Health, and operated through official state and county agencies, Ross said.

The unit, which was in Roseburg in March of 1949 when 6,800 Douglas county residents were checked for tuberculosis, was formerly financed by Oregon tuberculosis associations.

The change follows a definite trend toward letting official state and local agencies handle the surveying of the public for possible tuberculosis, Ross said.

Funds of the Oregon Health and Tuberculosis association and local organizations will be directed toward other community health projects.

The chest X-ray unit is scheduled to be in Roseburg sometime next October.

Program Suggested Ross outlined a six-point program for use by community health agencies for public health education:

### Closing Of National Forests Effective July 1

By proclamation of Governor Douglas McKay and by federal proclamation, national forest closures will go into effect Sunday, July 1.

According to Ray Hampton, fire supervisor of Umpqua National forest, the closure order covers the following points: no smoking while traveling, except on two-way surfaced highways; no camp fires are allowed without permits, except in improved forest camps; campers must carry with them an ax, shovel and bucket, except when camping in improved forest camps, and the shooting of fireworks on all national forest areas is prohibited.

Hampton emphasized that the forest situation is critical, that the forests are drier at this time of the year than usual, and that if every precaution is not taken to eliminate fire hazards, the situation could become dangerous.

### Long Distance Phone Crews To Get Wage Hike

WASHINGTON — (AP) — Some 20,000 long distance telephone operators and servicemen are going to get a ten percent wage boost, the CIO Communications Workers union announced.

The one-year agreement, covering American Telephone and Telegraph company employees in 42 states and the District of Columbia, was signed in New York, the union said. A union spokesman added that about 1.6 percent of the increase is subject to approval by the Wage Stabilization board.

The union said it grants basic wage increases ranging from 33 a week at starting rates in smaller towns to 89 a week in larger cities. Employees in 19 towns were reclassified upwards by an additional \$1 to \$3 a week.

### Quakers Plan Peace Mission To Moscow

LONDON — (AP) — A group of British quakers has decided to go to Moscow to talk peace. But they weren't sure they could get inside the Kremlin walls.

Gerald Bailey, secretary of the east-west relations committee of the society of friends in Britain, told newsmen:

"Our concern is simply and solely to promote peace and to do whatever we can, however little, to help stave off . . . a third world war."

Bailey said the delegation hoped to discuss peace issues with representatives of the Soviet government.

"How high up in government we shall get, we don't know," he said. "We shall do our best to get as high as we can."

### Hospital Director Votes Will End By Saturday

Saturday will be the final day for ballots for election of directors for the Douglas Community hospital to be received in the office of the manager. Ballots have been mailed out to all persons who have made contributions to the hospital.

Candidates for the three vacancies are Daniel Demick and Dick Gilman, seeking reelection, and O. J. Fett, Clifford Baxter, George W. Smith and O. J. Feldkamp.

COMING TO U.S. — Pauline Wilsdorf, who figures she's 105 years old, looks ahead through the smoke of her cigaret as she plans for a future in the United States. From a DP camp in Munich, Germany, she flew to U.S. on June 25 with her son and daughter-in-law and their five-year-old adopted daughter. Born on a small farm near Rowno, Poland, on July 11, 1845, Mrs. Wilsdorf lived there for the first 99 years of her life. [AP Wirephoto]

### Three Suits For Money Filed In Circuit Court

Three suits to collect money were filed in circuit court Wednesday.

Four partners of Stearns Hardware and Imp., filed suit against Archie S. Huseby and James Sim to collect \$1352.95 alleged to have been unpaid by the defendants. Attorney's fees of \$250 are also asked for.

Edith P. Irvin brought suit against Wyatt L. Irvin to recover \$300 support money, allegedly unpaid after a divorce.

Thomas M. Dods and the Oregon Automobile Insurance company filed a complaint against Ralph Corbett asking \$688.94 damages resulting from an automobile collision Jan. 21, 1951, north of Drain. Attorney's fees of \$200 are also asked.

### CORRECTION IN DATE
