

# Ten Nations Compete In Tennis Playoff

WIMBLEDON, England — (AP) — Seven of the 10 seeded players, 19 nations and five continents were represented in the Wimbledon Tennis championship as the tournament entered the round of 16 today.

After three rounds of play, the United States headed the list with four survivors from the starting field of 128 players. The remainder includes two Australians, two Frenchmen, two Swedes, one Italian, one Dutchman, one South African, one Brazilian, one Englishman and one Hungarian—the only

contender from an iron curtain country.

American Champion Art Larsen of San Leandro, Calif., his runner-up Herbie Flam of Beverly Hills, Calif., Dick Savitt of Orange, N. J., and 17-year-old Hamilton Richardson, of Baton Rouge, La., were the remaining Americans.

Larsen was the only one slated to see action today.

All are rated as having a good chance to come through, especially with a couple of tough bombas like Jaroslav Drobny and Gardnar Mulloy now resting on the sidelines.

Drobny, seeded second behind Frank Sedgman of Australia, was taken into camp yesterday in perhaps the most astonishing upset of the tourney, when Tony Mottram of the British Davis cup team whipped him, 5-7, 6-4, 2-6, 7-5, 8-6.

Mulloy, from Coral Gables, Fla., and rated No. 9, was dropped by a young Italian, Fausto Gardini, 7-5, 3-7, 6-4, 6-4.

Buster Reed of North Texas State college and Wesley Ellis of the University of Texas were paired for what seemed the top skirmish of the day.

## Texas Golfers Set For Fight

COLUMBUS, O. — (AP) — Three Texans brandishing strips set out to annex a grassy stretch of Ohio land today as the National Inter-Collegiate Golf tournament entered the quarter-finals at Ohio State university.

In western style, the Texans were to fight it out among themselves—as well as with five other golfers—in an attempt to bring the

Reed fired a four-under-par 65 yesterday to defeat Curtis Jacobs of Wisconsin, 1 up. It was the second lowest score of the week, outshone only by medalist Sam Kocsis' 67.

Tom Nieporo of Ohio State was scheduled to face John Carson of Georgia. The Ohio Stater clipped two strokes off par to beat Tony Novitsky of Detroit 2 and 1 and was one under at the finish of his 2 and 1 match with 260-pound Tommy Veech of Notre Dame.

Third Texan in the contingent is Johnny Weaver of Rice, who tees off against Don Johnson of Ohio State.

Highly regarded Bob McCall of Colgate took on Tom Matey of Notre Dame in the last quarter-final pairing. McCall, who says he hasn't "burned up" the 6915-yard scarlet course, nevertheless surpassed Dick Vost of Oregon State, 2 and 1, and Walt Knych Jr. of St. Lawrence, two over in a 1-up decision, to reach the pairing today.

### PREXY LOVES FOOTBALL

ANN ARBOR, Mich. — Dr. Harlan H. Hatcher, new president of the University of Michigan, is a lover of football.

"I sat through the snowstorm in the Ohio stadium last November right to the finish," smiled the 52-year-old educator.

# Jockey Killed When Horse Breaks Leg

INGLEWOOD, Calif. — (AP) — Veteran jockey F. A. (Freddie) Smith, one of the nation's foremost lightweight riders, died at a hospital last night. It was California's third race track fatality in five years.

Smith, a 38-year-old native of Camaguey, Cuba, was thrown to the track when his mount, Follettin, broke a leg during the running of yesterday's eighth race at Hollywood park.

He died two hours later of head and neck injuries.

It was the second accident at Hollywood park in two days. On Wednesday, Willie Shoemaker was shaken up when his mount, Dutch Wife, fell and broke a leg. Like

Follettin yesterday, Dutch Wife had to be destroyed.

He was the second jockey to die this week. Harry Harris, a steeplechase rider, was killed at Aqueduct in the east Monday while schooling a horse over the jumps between races.

Before Smith, the latest California fatality was Johnny Glisson, victim of a spill at Del Mar last August. Glisson's death was the third of the 1950 season.

### THOMAS DID IT AGAIN

EAST LANSING, Mich. — (AP) — Jesse Thomas, Michigan State's "one man nitrac kleam," scored four firsts in an outdoor dual meet with Illinois to equal a mark he set against Wisconsin in an indoor

meet. Thomas won the 190 yard dash, 120 yard high and 220 yard low hurdle events and the broad jump.

### HAVE RECORD SEASON

TALLAHASSEE, Fla. — (AP) — The Florida State university baseball team closed its 1951 season with 13 wins against 6 defeats for the best record since the sport was inaugurated here in 1948.

Coach Charlie Armstrong's Seminoles also had the best record in Dixie conference play where they won six out of seven starts.

ports Perry R. Ellsworth, extension specialist in dairy technology at Ohio State university. Ellsworth states that United States department of Agriculture dairy scientists have made an "exceptionally good, smooth spread from whey protein."

USDA dairymen expect the new product to provide an outlet for some of the billions of pounds of whey produced every year in this country. Some whey is used for livestock feed. Some is concentrated and dried for use in human foods such as process cheese and whey candy. Much is waste in spite of the fact that whey contains highly valuable proteins, minerals and vitamins.
