KDND DIAL-LOG

BILLBOARD: At the entrance to the KRNR studios, where the display cases are located, a new and interesting exhibit has been put up. The charming and mysterious "Peggy" who has kept Bob McCarl's mailbox filled with colorful postcards has her artcards on display.

VISITOR: Norman Ostby, vice-president in charge of station relations for Don Lee, was a visitor to KRNR this week to look over the station and talk with Manager LeRoy Hiatt. Ostby joined the Don Lee organization in September 1949 as sales and service manager. Most of his work was in sales and service coordination of the network with affiliations. Ostby began his radio career as a salesman with Westworth radio in Toronto. After a year and a half in Canada, he turned to New York as a radio advertiser, and in 1938 joined NBC as a network account executive. He was instrumental in organizing and operating the sales, service and traffic departments for Blue when that network was separated from NBC. He then moved into the station relations department in 1942. Four years later

Ostby was transferred to Holywood as assistant to the vice-president in charge of the western division of the ABC. Just the other day, Willit Brown, president of the Don Lee broadcasting system, appointed Ostby to his new high post.

The station relations program has a vital and far-reaching effect on the listeners. The station relations head works very closely with all departments in the network to provide the best in service to affiliate stations, by taking care of contractual arrangements, providing promotional material, and in fact being all things to both the network and affiliate stations.

Prize Awarded Methodist Church Of Camas Valley

The Camas Valley Methodist church has been awarded third prize in the open country church classification of the Sears-Roebuck Town and Country Church Improvement contest.

The award of \$50 and a certificate of merit were presented to Marlen Yoder, superintendent of the Camas Valley schools and representative of the Camas Valley church. Presentation of awards was made July 10, at the Memorial Union on the Oregon State college campus in Corvallis, during the fifth annual Leadership institute for Town and Country churches.

Many Hours Donated
Grading was based on landscaping, improvement of church buildings, and community service. The outstanding feature of Camas Valley's work was the 1000 man hours donated to improving the church and starting the parsonage. The work was accomplished under the leadership of Wesley Durlano, then minister, who has since returned to college for further education. Rev. Mr. Weaver is the new minister.

Coca-Cola Wins Ruling Against Belgian Brewers

BRUSSELS, Belgium — (AP) — A Brussels court has rejected a damage claim of the Belgian Professional Union of Brewers against the Coca-Cola Export corporation. The union had claimed token damages judgment of one franc, claiming that Coca-Cola, by containing caffeine and phosphoric acid, was "prejudicial to the interests of members of the brewers' union."

The judgment cleared the corporation of the charge. The brewers said that the beverage was breaking Belgian law which prohibited the inclusion "of toxic and medicinal" ingredients. The Belgian hygiene council had the beverage analyzed and said there was nothing in it which would make it unfit for public use. The public prosecutor dismissed the union's complaint.

The union then brought the present damage claim. Meanwhile, in the light of the hygiene council's findings, the Belgian government decided to amend the legislation. A new law stating the maximum amount of caffeine and phosphoric acid which could be safely included in foodstuffs was passed in May, 1951. Coca-Cola was found well within these limits.

State Dept. Funds Cut Asked By House Group

WASHINGTON — (AP) — The House appropriations committee recommended today an 18 percent cut in this year's funds for the State department, but aimed none of the reduction directly at Secretary Acheson.

Republicans seeking to force Acheson's ouster withheld their fire until the bill financing his department reaches the house floor, probably early next week.
