Toledo Seeks To Entice More MDs To Community
TOLEDO, Ore. — (AP) — The chamber of commerce is seeking to entice a physician or two to this town which for a long time has had only one.
 It got a list of six physicians who have applied for Oregon state licenses. And the chamber then wrote them telling of the shortage throughout this county—neighboring Newport has only two doctors and several towns have none—plus trying to convince them this is a pleasant place to live.
