

It's Douglas

County's FINEST...

If you visited the County Fair last week, you saw that Douglas County does produce some of the finest produce in the Pacific Northwest. That is the kind of produce that you always find featured at Nielsen's. We buy all of our produce locally when possible. Shop our produce department for produce that you know is fresh. Most of our fruits and vegetables are picked the same day that you buy. Shop our produce department for the finest at less cost and know that you are supporting your local farmer. We do!
