

Seals' President, Paul I. Fagan To Sell Ball Club But Retain Stadium

SAN FRANCISCO — (AP) — The fate of the unwanted San Francisco Seals may be determined when the Pacific Coast league directors meet here Wednesday.

Owner Paul I. Fagan announced Saturday he doesn't want the club anymore. He'll turn it over to anyone "for a reasonable consideration."

So far everyone else is showing the same enthusiasm about owning the Seals—running a good, solid last in the circuit and drawing very few fans.

Fagan resigned as PCL director and offered to turn the franchise back to the league. But PCL President Clarence (Pants) Rowland said in Los Angeles that the league won't act as a salesman for the club.

"We'll thrash out the whole matter at the directors' meeting in San Francisco Wednesday," Rowland said. "Fagan can resign as a director, of course, but it is up to the club to name someone else in his place."

Wednesday Meeting
Damon Miller, secretary of the Seals, said the club would not be

represented at Wednesday's meeting. Fagan is in Hawaii. Miller went to Yakima, Wash., to sell the Seals' three-quarters interest in the Yakima club to residents of that city.

Miller said he would be back in San Francisco in time for Wednesday's meeting, but wouldn't attempt to answer questions by phone.

Before taking off for Yakima Miller said, "It's up to the coast league to come out with a solution. Mr. Fagan's idea is to let the league make the first move. If it fails to provide a solution, then we will go to work finding a buyer or lessee or both."

Rowland didn't see it that way. He said:

"The league isn't making any first move in the disposition of the San Francisco club. The franchise is the property of the Pacific Coast league and is operated on a lease basis. When and if the franchise ceases to operate, it will revert to the league."

Rowland said Fagan will sell for \$200,000 for the franchise and \$150,000 for the players' but will keep the ball park. He wants to lease that.

Spokane, Vancouver Set For Stretch Flag Drive

By The Associated Press
It will be Spokane and Vancouver right down to the wire in the neck-league pennant drive.

For the Indians and the Capitanos, the league's one-two teams, the season ends a week from tomorrow at Vancouver. A single contest will wind up a crucial three-game Labor day weekend series. Each team has ten games remaining, but the schedule appears to give Spokane a slight edge in the final drive. Vancouver must face third-place Salem, sixth-place Tacoma and tallied Tri-City before the Spokane series. Spokane plays fifth-place Victoria and seventh-place Yakima.

The Shingle Co. is three miles east on the North Umpqua highway.

Up-State Grid Stars Stop Portland In Shrine Game

Staters Gain 20-13 Victory In Annual Tilt

PORTLAND — (AP) — The Up-State all-stars defeated the Portland all-stars 20-13 in the fourth annual Shrine benefit football game here Saturday night.

PORTLAND — AP — The Up-State all-stars had too much speed and power for Portland here Saturday night, defeating the city team 20-13 to even the Shrine game series at two victories each. But the Staters had a score before they got rolling when Portland scored in the opening quarter by turning a blocked punt into a touchdown.

State had the ball on the 11-yard marker and Jerry Langer of Ashland tried to kick from behind the State goal line. Pat Curtis of Jefferson blocked the kick and Chuck Odor of Benson fell on the ball. Curtis converted to give the City team a 7-0 lead.

Wally Russell, Eugene quarterback, dropped back and threw a 20-yard end zone pass to end Harold Reeve of North Bend for the first State touchdown in three years. Langer tied the score at 7-7 with his successful extra-point kick.

Pass For Touchdowns
The Staters' second touchdown came after they had advanced 88 yards in eight plays—picking up four first downs along the way. Russell's pass was caught by Bill Toole, Klamath Falls halfback. Toole squirmed across the line and Langer made his second successful conversion to give the State team a 14-7 lead at halftime.

Coach Ted Ogdahl's City crew bounced back in the third quarter for their final touchdown of the game. George Shaw, ex-Grant star, passed to Dick Davenport, also of Grant, on the 14-yard line. Davenport legged it, the rest of the way.

By downing a poor pass from center, the State team blocked the conversion attempt to hold a one-point margin 14-13.

A 60-yard run by Merritt Barber of Eugene in the third quarter set up the play for the final score of the game. The ball remained on the 14-yard line as the period ended but in the opening play of the final quarter, Langer carried the ball across to give coach Pete Susick's Stage game its 20-13 win.

Portland threatened near the end, when a 25-yard pass was completed to Grant's Jim Torson on the 25-yard line where he was stopped by Manning Barber of Eugene, twin brother of Merritt.

Then the Staters threatened in the final minutes after Toole had charged 60 yards downfield. Casey Cook of Jefferson intercepted a pass to Russell which halted the drive.

Total attendance at the game was 22-309—some 4000 more than last year. Net proceeds go to the Shrine hospital for crippled children.

Following the game awards were made to outstanding players. These included:
Most valuable player — Wally Russell, Eugene, State.
Most valuable defensive back —
