sixth last year. This year Beavers division.
Portland's win over Los Angeles moved the Beavers within a half-game of the third place Angels. These clubs are battling for first division places and appear to have them just about clinched, with the right to take part in the Governor's Cup playoffs starting next Tuesday in Seattle and Hollywood.

San Francisco's shutout, pitched by Al Lien, ended a five-game losing streak for the Seals; and enabled them to get a tie with Sacramento for the dubious distinction of being in last place. The San Francisco victory was no solace to Manager Frank (Lefty) O'Doul, who was informed that he would be without a job after the season closes Sunday. Owner Paul Pagan is pulling stakes and will sell the club.

Hidden Pup Survives Ride Under Auto Hood

SEATTLE — (AP) — When a service station operator lifted the hood of Mrs. Minette Proctor's car for an oil check, he found a quivering, frightened pup atop the heater ducts.
Mrs. Brown, the attendant, said some one must have put the spaniel pup there "and I'm sure it had been under there at least a day. He was half scared to death."
"I know he must have taken some awful electrical jolt from the sparkplugs to be forced to get up on top of those hot ducts. It was about the dirtiest, meanest stunt I've ever seen. I'm sure it was deliberate."

Injured Woman Jolts Medics With Fine Baby

NEW YORK — (AP) — "I will have my baby," she said. "They'll see."
And "they"—the anxious doctors and nurses—did when Mrs. Angelina Schaefer had a fine, healthy seven-pound girl at Brooklyn's Caldena hospital.
Less than four months ago, Mrs. Schaefer and her husband Charles jumped from a third-story window to escape the flames which destroyed their home.
Doctors shook their heads over her broken hip, fractured pelvis and shattered heel, and said the baby, by all the rules, would not be born alive.
Mrs. Schaefer was taken from a body cast for the Caesarean delivery.

Ray Robinson Resumes Toil

POMPTON LAKES, N. J. — (AP) — It will be back to the salt mines for Sugar Ray Robinson today as the ex-champion resumes heavy toil in preparation for his middleweight title bout with Randy Turpin at the Polo Grounds next Wednesday night.

A full schedule of sparring, meaning at least five rounds, is on Sugar Ray's schedule for the day following a comparative rest yesterday when he boxed only two rather patty cake rounds with Terry Moore for the benefit of visiting reporters.

His performance was greeted with mixed reactions by the crew of experts assembled in the bleachers surrounding the outdoor ring. Regardless of the sideline opinions, Robinson appeared snappy and in high spirits.
He was throwing many combinations, and putting some steam in his punches. He was getting set to punch, digging in with his feet instead of flitting around on his toes.

The challenger expects to reach peak condition this weekend, and to hold it with a light workout Monday. He will not box tomorrow, but will spar Saturday and Sunday, with the proceeds of the Saturday workout going to the family of George Flores, the boxer who died of injuries suffered in a Madison Square Garden bout last week.

Truman Dodges Query

WASHINGTON — (AP) — At his news conference Thursday, President Truman refused to be drawn out on his 1952 political intentions. He was asked about a magazine article by Jonathan Daniels, editor of the Raleigh (N. C.) News and Observer, saying he will run again and will poll at least 419 of the nation's 531 electoral votes. A majority is required for election.
The President smiled and replied that any American citizen is entitled to his opinion, but that he has not expressed his own. He said Daniels had not consulted him and the guess is as good as anybody's.

ANOTHER FELLER—Bob Feller gives his four-year-old son, Marty, the main idea, which is to get plenty of wood on the ball. Feller's father, Bill, started the Cleveland grebballer pitching when he was nine. (NEA)

Drain Warriors Look Strong

Half the student body is out for football at Drain this year. This is a slight exaggeration, but the Warriors did turn up with almost as many prospects as any county "A" school this week. To top it off, new Coach Ernie Corra, an Echo import, was greeted by more lettermen than any other school in the county.
These 16 letters holders pushed through to a second place in the county "B" league last year, but with the apparent power this year, they're going to be a tough aggregation to beat. In 1950 they had a fair season of six wins and three losses.
Experienced Men Back
The prospects this year promise to make it the best Warrior team in many a year. Boosting the hopes for a winning season are three all-Valley league seniors with three years of experience under their belts. They are 105-pound Elwood Voelker at center, 155-pound Frank Walton at guard and Alan Brown at quarterback. Brown is probably one of the best passing generals in the county. The line should be further bolstered by gigantic Ray MacCormick, who tips in at 230 pounds, 170-pound Dick Joslyn and 165-pound Bob Brown.
Supplementing Alan Brown's passing wizardry, little scabbard Earl Simpson will serve up the ground speed. He was a standout at right half last year and he has run the 100 in 10 seconds.
No schedule has been drawn up yet, but it should be completed by this weekend when "B" league coaches and principals meet in Roseburg to draw up a county schedule. Drain will also play several teams from the Lane county Valley league.

26 Grid Hopefuls Practice At Sutherlin High School

With the first day of school at Sutherlin Tuesday, new coach Ralph Dyson counted 26 hopefuls for his 1951 high school football team.

Twelve of these youthful grid-dancers had at least one year of experience. Although few linemen were of the experienced variety, they appeared to have a little more heft than last year. Charles Enyart weighed in at 190 pounds and was joined by Mike Osterhout (180), Mervin Kuozer (180), Bob Galla (175) and Ronald Elliott (175) to form the tentative beef trust.

Experience was the byword of the backfield aspirants. Five men listed two years experience and only three were green. Another heavyweight, Martin Norris (190), put in his bid for a backfield berth. Although the team will miss the smart quarterbacking of Steve Danchock, it will have such

staunch returnees as Bill Smith, Kenny Wahl, Jim Barnes and Glen Gowey.
Makes Debut Friday
The squad will make its competitive debut Friday night at Finlay field in a jamboree that will launch Douglas county football. This sneak preview should reveal if the Bulldogs can be expected to better the rather hopeless 1950 season when they were relegated to the cellar in the JDI league. This year they will continue competition in the same league in addition to play in the newly established district 7-A-2.
