## Slayer Suspect Caught By Boy's Detective Work

HERMOSA BEACH, Calif. — (AP)—A 12-year-old boy was the Sherlock Holmes in the case of the murdered mother.

Young Charles Pratt found the body then gave information which led to an arrest within two hours. Saturday night, while Charles was playing near the home of Mrs. Miriam Evelyn Lake, 43, he heard a scream and saw a man, run out. Peeking in he saw Mrs. Lake lying in a pool of blood, a knife in her back.

Charles ran to the police station and gave a description of the man. Later he identified the man arrested. In jail today on suspicion of murder is William Rogers Stewart, 29, Stockham, Neb., a marine corporal discharged Friday from Camp Pendleton, Calif.

Stewart was arrested in nearby Torrance.

Officers said Stewart met Mrs. Lake through friends and they began celebrating his discharge and her birthday, which was Saturday. Under questioning, Stewart said he could not remember what had happened.

Mrs. Lake was the mother of a 9-year-old boy, Jackson. Her husband, Jack Lake, is with the air force in Alaska.

## Attend School Or Lose License, Bad Drivers Told

HAMILTON, O. — (AP)—If you violate a traffic law in Hamilton from now on, you have a choice of going to school or losing your license for a year or more.

The school is one in drivers' responsibility conducted by the Hamilton safety council. Length of attendance depends upon the nature of the violation.

The order was imposed by Municipal Judge Harry F. Walsh and Judge Oscar Leiser, of the juvenile-probate court. They make one exception overtime parkers.

Two students already enrolled in the school. Judge Walsh registered Miles Langdon, 26, and Louis Abrams, 23, when they were hauled into court on charges of reckless driving.

He ordered them to attend four classes, fined them \$5 and costs, and suspended their licenses for three days.
