Parts equipment, etc. are getting scarce and now a bill is being introduced to 30 percent tax on new trailers coming up in Congress. Fortunately we have developed a method that will allow you to still have a good stock of QUALITY trailers on hand. They are being built now and they will be finished by PRICE TRAILERS. The trailer you buy now may have to last you a long time. Buy only a QUALITY trailer. And from a dealer who can and will stand back of it. Select your QUALITY trailer from the following outstanding lines -

SPARTAN - NEW MOON
ROYCRAFT - KIT
