SUCCESSFUL HUNTERS-Bringing back the evidence of a successful 14-day hunting trip to the Caribou district of British Columbia are left to right, Chester Stiltner, L. C. Kruse and H. E. Kruse, all Roseburg. Also in the party was George Pankey, who got his moose, too. The big moose in the center was estimated at 650 pounds, said to be the third largest to come out of that area this year. The others weighed about 450. (Staff photo)
