"YOUTH VIEWS THE NEWS"
BACK ON THE AIR!

Again this season you will hear the unrehearsed discussions of local and world events, as high school students of Washington and Oregon air their opinions of today's news. Listen to this thought-provoking program each week, and watch for the date when "Youth Views the News" visits your high school.

MUTUAL'S TWO-GUN HERO
 "Wild Bill Hickok" moves to a new Sunday afternoon time slot with tomorrow's broadcast. The drama, which is called "Mission in Almodoro" will be presented from 1:30 to 1:55 p.m. We find Bill and his partner, Jingles, (acted by Andy Devine) acting as live decoys in an effort to trap an international smuggling ring. The two lawmen face a hail of lead when they write a finish to the 2:00 to 2:30 p.m. **THE SHADOW** appears in "MIND FOR MURDER." A series of suicides, cleverly planned, are exposed as the murders they are. The nemesis of crime uncovers the homicidal activities of a phony psychic adviser, who steals fortunes... and lives.

WE'VE ALL HEARD THE OLD SAW about blondes being beautiful but dumb. Now we have a chance to find out, when Wendy Barrie appears as guest on **"TWENTY QUESTIONS."** Her sparkling personality and charm have always made her a welcome panelist. When her mother, now in Ireland, requests that she go on the show again, there's an added filip to the invitation. Her mother wrote her to get on the program again so that she can hear her voice. She also said that "Twenty Questions" program was one of the three typical United States programs beamed by the Armed Forces Radio services to the Irish people. **TWENTY QUESTIONS** is heard each and every Sunday evening, 8:15 to 8:30 p.m., over your Mutual station, KRNR.

For you long-hair fans we have a must coming up Sunday night on **"CHICAGO THEATER OF THE AIR."** Sigmund Romberg's "Desert Song" is slated for the second presentation in the 1951-1952 operetta season of "Chicago Theater." Aired from 10:30 to 11:30 p.m., it will feature Margaret Roberts and Thomas L. Thomas in the leading roles.

NEW PROGRAMS, AND SOME OLD ONES CHANGED: Indicate new programs, 2-2:30 p.m., **RELAY QUIZ**, 2:30-3:00 p.m., **MUSIC YOU WANT**, 3-3:30 p.m., **POOR BOB'S ALMANAC**, 3:30-3:45 p.m., **United Nations**; Fulton Lewis and Hemingway follow in their usual time slots, followed by the **SCHOOL SHOW** at 4:30. These new programs and time changes are effective Monday, October 15. Also effective as of that date, in the 10:30 to 11:00 p.m. time period Monday, **WAR FRONT, HOME FRONT**; Tuesday, 2000 **PLUS**; Wednesday, **MYSTERIOUS TRAVELER**; Thursday, **MURDER BY EXPERTS**; Friday, **THE HIDDEN TRUTH**. These should be welcome additions for the evening listeners who like mysteries.

Truce Prospects Ban Likelihood Of A-Bombs' Use

WASHINGTON — (AP) — The use of atomic weapons in Korea was reported to have been given serious consideration by U. S. military leaders but to have been laid aside for the present.

The question of using such weapons was one of the reasons for the recent hurried trip to Tokyo and the battlefield by Gen. Omar Bradley, a well-informed government source told a reporter.

Bradley recommended against use of A-bombs at this time because he regarded the prospects for a Korean truce as brighter, said this source, who declined to be quoted by name.

Bradley, in addition to being chairman of the joint chiefs of staff, is by law the principal military adviser of the President. Thus it may be presumed his recommendation was conveyed to President Truman who, by terms of the atomic energy act, is the final authority for use of the bomb by the armed forces.

If there is indeed an improved chance for a cease-fire agreement, it might be undesirable to give the Communists a demonstration now of the technique of applying atomic weapons tactically in a battlefield. The value of that could be greater later if there is all-out, direct war with Russia.

There appears to be little doubt that the United States can use atomic weapons on the battlefield as well as against distant enemy cities.
