This means business, Watch it. Suppose the Republic of Panama should announce flatly that it was going to throw us out of the Pan-ama canal zone.

What would we do?

Why, we'd send more troops there — just as the British are doing in the case of Suez.

The answer is simple. We have an Atlantic coast and a Pacific coast. We must be able to defend them both. WITH THE PANAMA CANAL, we can shift our naval forces from one ocean to the other (Continued on Page 4)

Penitentiary sentences ranging from one to 24 years were imposed Wednesday on three men who admitted taking part in an attempted escape from the county jail Oct. 10.

In addition an habitual criminal charge was filed today against Vernon John Gosso, 24, one of the trio. In circuit court this morning Gosso was served notice that the habitual criminal charge had been filed, and that at the end of a 30-day period the charge will be formally read to him.

The habitual criminal rap can be imposed after three felony convictions. Gosso has a record of five. However, the law specifies that 30 days must clapse between the filing of such a charge and reading of the charge to the accused.
