Camas Valley

By JEAN YODER

The Ladies Aid netted over \$100 on their chicken dinner given Thursday evening. Present at the dinner were the Rev. and Mrs. H. Ernie Taylor of Gardiner, former missionaries in Rhodesia, Africa. They displayed a table of African curios and discussed them. Proceeds of the dinner will go to the Camas Valley church.

At the regular Grange meeting held Wednesday, the Grange voted to pay for sound proofing the school stage. It was also voted to send a token of appreciation to retiring State Grange Deputy William Howes. Mr. and Mrs. Guy Moore were appointed to represent the Camas Valley Grange at a meeting of Grange insurance representatives at the Umpqua hotel Tuesday, Oct. 16. Mr. Moore was also appointed to represent the Camas Valley Grange at the organizational meeting for the Douglas county centennial celebration. At the next meeting, Nov. 13, officers will be elected and nominations will be received from the floor.

Visiting with the William Cunninghams are Mrs. Louise Golden from Minneapolis, Minn., and Mrs. Mary Luke of Hillsboro, Ore. They arrived last Friday and will stay for an indefinite time.

All Camas Valley teachers attended the Douglas County Teacher Institute held in Roseburg Oct. 11 and 12. Superintendent Marlen Yoder attended the administrative conference in Salem, Oct. 15 and 16.

Tops in the "Buck for a Buck" contest at present is Miles Standley, who brought in a buck weighing 167½ pounds. He topped the nearest contender, Oran Standley, by two pounds.

Mrs. Hayden Taylor has had her right hand injured in the wringer of a washing machine. She was taken to Community hospital Friday night, but returned home the same night.

Mrs. William Cunningham reports that a radiator ornament was stolen from their car while they were attending Grange last Wednesday evening. If the ornament is returned, no questions will be asked.

Bomb-Shelter Surveys For Civil Defense Begun
WASHINGTON—(P)—The Federal Civil Defense administration is sending experts to 70 heavily-populated cities throughout the nation to help make bomb-shelter surveys.

Five technicians will visit the cities to give advice to local civil defense authorities on measurement of the shelter facilities of existing buildings, and of the modifications needed to make them suitable.

They also will make recommendations as to construction of group-type shelters where proper shelter facilities are lacking.

The cities to be visited were not named.

FCDA officials have estimated that 62,000,000 persons live in critical target areas, and that half of them are in congested commercial or industrial zones during the daytime working hours. They estimated also that there are adequate shelters in these work zones for only 2,000,000 persons.

Rhode Island entered the Union in 1790.

Local Sailor Spends Leave With Parents

SN LeRoy Cherryholmes, son of Mrs. Dorothy Cherryholmes, 421 S. Pine street, has left for San Diego to report at the naval base, following a 30-day leave in Roseburg at his home. He arrived in Korea, Aug. 28, 1950, and remained there until Sept. 18, 1951, when he returned here on leave. He was on the ship, USS Eldorado AGCLL, which assisted with the landings at Imjon, Korea, and with the evacuation of Chinese. He was slightly wounded while in Korea.

MacArthur Blasts Administration; Heavily Applauded

MIAMI, Fla. — (P) — Gen. Douglas MacArthur bitterly accused the Truman administration Wednesday of plunging the nation toward socialism and economic disaster. And he called for all-out use of military force to end the "unnecessary slaughter" of Americans in Korea.

The five-star general told thou-

sands of cheering American Legionnaires "you cannot profitably negotiate with Communists" and he all but proposed an end to the truce talks in Korea. He declared force is the only persuasion the Reds can understand and the best way to end the war.

MacArthur's address was a slashing attack on the administration's domestic, foreign and military policies — perhaps the hardest-hitting since he was ousted from his Far-Eastern commands by President Truman.

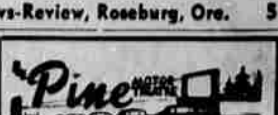

He was greeted with roaring cheers when he began his speech in the auditorium where more than 15,000 people had gathered. And he often was interrupted by applause.

MacArthur's 45-minute speech was interrupted 49 times by outbursts of cheering. The heaviest applause broke when the General mentioned using greater military force to the Korean war.

MacArthur proposed a 15-point program for the Legion to support in correcting weaknesses as the general saw them — including an "atomic program with a full commitment to the use as needed of the atomic weapon."

ACCUSED OF LARCENY
William Alexander Young, 53-year-old mechanic from Stockton, Calif., was released on \$50 bail on a larceny of personal property charge, the sheriff's office reported. He was arrested by Drain police.

California entered the Union in 1850.
