Forest Products Market Report

CORVALLIS — (AP) — Christmas tree sales have entered the Oregon farm forest products market report. The report, issued weekly by the Oregon State colleg extension service, said the trees brought 10 cents each in the woods near Eugene.

Other aspects of the report :

DOUGLAS FIR SAWLOGS remained steady inspite of a weal lumber market. The small volume of logs available met with very good demand. Second-growth logs over 24 feet long brought $38 to $40 a thousand board feet for No. 3 sawlogs, $48 to $50 for No. 2's, and $60 for No. 1's. Camp run logs were mostly $40 to $42 a thousand. 12 to 24 foot logs ranged from $39 to $48 a thousand with some foot-hills mills paying down to $32. 8-foot logs down to 6-inch diameter were steady at $15 to $18 a cord or $32 to $40 a thousand.

OLD-GROWTH SAWLOGS were $60 a thousand for No. 1's, $50 for No. 2's, and $40 for No. 3's, to grade.

Peelers were $75 to $110 according

PULPWOOD: Northern and central valley pulp mills paid $17 a cord for unpeeled spruce, hemlock and true fir. Peeled, spruce brought $20 a cord and other species were $19. Douglas fir was in fair to good demand at $14 to $17 a cord unpeeled, or $5.90 a ton.

POLES AND PILING: Douglas fir barkie poles ranged from 7 cents a lineal foot for 20-foot poles to 43 cents for 100-foot lengths. 40-foot poles brought 13 to 18 cents a foot and 50-foot poles were 20 to 26 cents. Pilings ranged from 25 to 43 cents a foot for 20 to 100 lenghts.

CEDAR POLES in the northern valley ranged from $2.75 each for small 25-foot poles up to $45 each for 75-foot poles.

HARDWOOD LOGS: Hardwoods were mostly $34.50 to $37.50 a thousand. A few mills paid up to $45. Cottonwood was $24 to $30 a thousand.

OTHER FOREST PRODUCTS: Demand for car stakes exceeded the supply at 50 cents each in the central valley. Hop poles were in strong demand in the same area at $1 to $1.15 for Douglas fir and $1.75 each for cedar poles. The fir cone harvest was almost ended, with white fir cones at 4 cents a pound and Douglas fir at 4 cents.

Eleanor Holm Plans To Discard Billy Rose

NEW YORK — (AP) — Former Olympic swimming star Eleanor Holm is reported seeking a legal separation from her showman husband, Billy Rose.

Reports said the papers were served on the 50-year-old Rose over the weekend.

The Roses split up some weeks after blonde Joyce Matthews cut her wrists last July in Rose's apartment above the Ziegfeld theater. Miss Matthews is the former wife of comedian Milton Berle.

Rose and Miss Holm, now 37, were married 12 years ago. He and the late comedienne Fanny Bric were divorced a few months bfore. Miss Holm previously had divorced singer Art Jarrett.

American Jews Oppose Appointee To Vatican

NEW YORK — (AP) — The American Jewis congress has gone on record against an American ambassador to the Vatican. It is the first major Jewis group to do so.

The AJC claims a paid membership of 60,000 Jewis laymen. Its affiliated organizations have 1,200,000 members throughout the nation.

Scattered opposition was registered in the vote that followed a heated debate.

Washington Town Slated To Move

WALLA WALLA — (AP) — Destroyed once by fire and again by flood, the town of Wallula is about to move to a new site.

That's because the waters to rise behind McNary dam will inundate the present site. A group of residents who announced they "refuse to live any place but in a town named "Wallula" said they would build a new and better town.

Wallula is Washington's second oldest community. It is located at the entrance of Wallula gap on the Columbia river.

Railroad operations have constituted the town's one and only industry. Such operations are now centered at the new Hinkle terminal in Oregon and at a point up the Columbia river in Walla Walla county of Washington.

So approximately 25 Wallula families, many of whom have spent most of their lives in the shadow of old Fort Walla Walla nearby, will move their homes about two miles northeast of the present town and as close to the existing community of Attalia as they can get.

"We have no doubt that the new town will grow," a spokesman said Friday night. "There will be railroad operations, a reclamation project, oil tauk farms, river transportation, recreation facilities on the lake and possible industries, all to contribute to the support of the community."

Perhaps the largest gun ever built was "Little David", designed by the U. S. Army to attack the German Siegfrid line in World War II but never used.
