

Glide

By MRS. ARTHUR M. SELBY
Members of the Glide football team were treated to ice cream and cake by Mr. and Mrs. Ed. Carr and Mr. and Mrs. Laurence Ware after their game with Yoncalla. About 200 Glide residents attended the game.

Skip Mullins, outstanding Glide player, was center on the Coquille team that won the state championship in 1948. During the Yoncalla encounter, the Coquille squad, returning from a game with Univer-

sity High in Eugene, stopped to watch the contest. They recognized Mullins and swelled the Glide rooting section.

UMPQUA

Mr. and Mrs. Otto Osborn had a visit from a daughter, Jean Decker, and her two little girls, last week. Jean, who had made the drive all the way from Frederick, Md., in eight days in spite of inclement weather and the hindrances that two babies can create, told of how, when she ran out of gas in the wide-open spaces of Wyoming, she locked the children in the car and set out on foot, in a snow storm. Luckily, after she had gone only about half a mile she came upon a farm house where she secured enough gas to take her on to a filling station. (Mrs. Osborn teaches the intermediate grades.)

Chance Look In Phone Book Unites Mother, Son

LONG BEACH, Calif. — (AP) — Mrs. Katherine Young, 59, was looking in the telephone book for the number of a friend.

The book fell. As she picked it up, her glance caught on a name, Jacob H. Koch. It has the name of a son she had not heard of for 39 years.

A phone call brought about a reunion and disclosed they have been living only 15 miles apart for almost 10 years. Koch, now 40, lives in Inglewood, Calif.

Mrs. Young, since remarried and widowed, lost track of Jacob when he was a year old. His father, Harry, now living in San Francisco, obtained the child after they separated in La Crosse, Wis., she said.
