### Parks Brothers Will Meet Galloping Ghost, Blakely

If there are wrestling fans who sicken at the sight of blood, they are advised to stay away from the armory arena Saturday night.

Matchmaker Elton Owen has signed a tag team match pitting the Parks brothers — Herb and Bill — against the Galloping Ghost and Gene Blakely.

The confused melee that followed the main event battle between Herb and the Galloping Ghost last week occasioned the double header. Bill came hurtling through the ropes last week to assist his brother, and the Ghost said that he wanted a partner if he had to battle both of them. Blakely was the logical helpmate.

"We'll show them what its like to tangle with someone who is really tough," the Ghost asserted.

**Have Lost Few**

Wrestling as partners will be nothing new to the brother matmen. As partners they have lost few matches. "I soften 'em up

and Billy puts on the clincher," Herb said.

It all started last Saturday after the referee had been put out of commission and Herb was taking a bruising beating from the Ghost. Bill, stationed at rings edge, came into the ring like an enraged panther, slugged the Ghost and raised Herb's arm in token of victory.

The hooded hoodlum protested the decision and still maintains that he has been undefeated in the local arena.

Andy Tremaine, the Canadian grappler, and Jack Carter will tangle in the opener. Once again Tremaine will have to spot his opponent several pounds, but it doesn't deter him.

Carter, Jack O'Reilly's Australian buddy, says he will tie the little guy in knots and demand a shot at Herb Parks. Matchmaker Owen says he had better concentrate on Tremaine before he builds his hopes too high.

Matchmaker Owen has invited the entire Roseburg high school football team, plus coaches and their wives to the bouts Saturday. A special section will be reserved for them.

He also said that a percentage of the gate this week will be donated to the Matthes fund.

### Incident Results In Drake's Break

DES MOINES — (AP) — Drake university ended its 43-year-old Missouri Valley conference membership last night, and Bradley university quickly indicated it may follow suit.

The Drake Athletic council said it took its action because of the "refusal of the conference to investigate the assault upon John Bright in the Drake-Oklahoma A. & M. football game at Stillwater, Oct. 20."

Bright suffered a broken jaw in the early minutes of the game, which Oklahoma A. & M. won, 27-14. Drake officials after viewing pictures of the game charged Bright was the victim of at least three "vicious and premeditated" attacks by Aggie guard Wilbanks Smith.

Drake in its action last night also cut off athletic relations with Oklahoma A. & M., effective "at once." The council said it was asking Aggie officials to cancel contacts for two basketball games between the two schools this season.

President David Owen of Bradley said at Peoria, Ill., he would recommend to his faculty athletic committee that it follow Drake's lead in withdrawing from the conference. The committee meets today.
