**Oregon Collects Huge Sum In Delinquent Taxes**

**SALEM**— The state tax commission said it collected \$3,132,934 in delinquent state income taxes during the first 10 months of this year.

Delinquent tax collections during all of 1950 totaled \$3,697,000. About half the delinquent tax collections this year are personal income tax payments, with the other half being corporation income taxes.

With 40 field auditors on the job, the tax commission said it has stepped up the collection of back taxes. Collections this year include unpaid taxes for as far back as 1929.

Total income tax collections for the first 10 months of 1951 were \$52,700,000. The commission said the collections in the final two months would be \$5,000,000.

**U.S. To Demand Release Of Fliers Held In Hungary**

**WASHINGTON**— The United States is planning to serve a vigorous demand on Communist Hungary, possibly today, for the prompt release of four American airmen and an air force cargo plane.

The demand was drafted after Moscow belatedly disclosed that the unarmed plane, missing for nearly two weeks, had been forced by Soviet fighters to land in Hungary. The note was sent to George Abbott, in charge of the American legation in Budapest, for delivery to the Hungarian foreign office.

Diplomatic officials forecast a separate protest might go later to Moscow, in view of the direct Russian role in the latest episode in embittered American relations with the Soviet bloc.

**'Family Doctor Of Year' Started With Bicycle**

**LOS ANGELES**— After virtually half a century of practicing in the same town, Dr. Albert C. Yoder of Goshen, Ind., has been named America's "family doctor of the year."

The award was announced at a meeting of the American Medical association.

Dr. Yoder, 84, started answering medical calls in Goshen on a bicycle in 1902 and still handles a large practice.

Four and a half years ago a doctor more than 20 years his junior declined to take the case of five auto crash victims brought into the Goshen hospital late at night. "You'll have to call someone younger, I'm too tired," that doctor explained. The physician who answered the call was Dr. Yoder. Dr. Yoder, who will celebrate his 57th wedding anniversary Christmas day, has four children.
