

Winston

By MRS. GEORGE BACHER
Mr. and Mrs. Russel Turner of Winston will spend the Christmas holidays with friends and relatives at points north in Oregon and Washington. They will leave Saturday for Portland where they will visit with friends before going on to Camas, Wash., where they will be the guests of Mrs. Turner's brother-in-law and sister, Mr. and Mrs. A. B. Calhoun. Their place of business, Winston Electric, will be closed during their absence, reopening on Dec. 27.
Mr. and Mrs. H. J. Getman are in Portland on business. Commissioner Fred True and Judge James Harrison of Coquille visited briefly with the latter's son and daughter-in-law, Mr. and Mrs. Fred True on Monday.
George Bacher is confined to his home in Winston with flu. He is employed with the Veterans' hospital in Roseburg.
Mr. and Mrs. A. M. Dunham and Mr. and Mrs. Keith Kimball motored to Marcola on Sunday, where they visited with the Keith Dunhams.

Residents of the Winston, Dillard and Brockway communities interested in forming a rural fire prevention program are invited to attend the organization meeting to be held on the evening of Dec. 19 at 7:30 p.m. The meeting will be held in the Dillard school auditorium. Speaker for the evening will be Fire Chief "Dutch" Mills.

Local mills were shut down until noon Tuesday because of the power failure resulting from Monday night's high winds.

Most of Winston's population turned out to the grand opening of True's grocery last Saturday afternoon. Ice cream bars were served to grown-ups and children alike throughout the reception, and later the proprietors solved the Christmas menu problem for two of the guests. Mrs. Archie Anderson was presented with a large turkey (the same bird which brought down third prize at the recent Northwestern Turkey show), and Merton Lengele received a ham. Lengele, discharged from the navy a few days ago, has been visiting with his brothers, Howard and Lynn, of this community.

Many congratulations and a number of gifts were presented to the True's. They came here from Coos Bay five years ago and opened a smaller store when Winston was in its infancy. Keeping pace with the rapidly growing community they leased a more adequately-sized building in order to better accommodate the people.

In Portland are Mr. and Mrs. Bert Laurance and children, Pamela and Nick. They left Winston Tuesday.

Driving down country lanes in Winston, one would suppose an organized plan had been followed in decorating. There's scarcely a window that isn't aglitter with a colorful tree a door without a bit of evergreen. The Christmas season has definitely "boughed" in. Nature did a bit of decorating herself on Tuesday night. Snow was thin. Just heavy enough to put youngsters in a holiday mood—and roads in a slush.

The Alaska Highway stretches 1,523 miles from Dawson Creek, B. C., through Canada and the Yukon Territory to Fairbanks, Alaska.
