Winston

By MRS. GEORGE BACHER

Winston residents erected some thing they thought unusual in the annals of Christmas trees. Apparently, the Roseburg Jaycees thought so too. At least they gave special mention to the community on its "original display."

The "tree" was erected by residents of Sherry avenue. Most who drove by to view the sight agreed with the Jaycees that it was "original." By night, the colorful lights cast a colorful glow, just as Christmas trees should. By day? "Would never have been noticed probably just a mass of twigs and crosses arms."

Responsible for the move were Arthur W. McGuire, Jim Daugherty, Jack Darling, Walter Stack, Ernest Joras, Arthur Wilson, Paul Wilson and Orris White.

Residents quickly caught the spirit in most all of Winston and the entire community was lighted for the holidays.
