

64 Bowmen Turn Out For Meeting

The small-size Robin Hoods had their night at the Roseburg Junior High School archery range Wednesday night.

The word got out that the Umpqua Bowmen were offering candy bars for breaking balloons on the targets, and 40 junior archers turned up. Gary Edwards walked off with the most candy by breaking eight balloons. Dale Foster was second with seven.

Adult shooting took a new twist, also. Two women posted the high scores of the evening over competition including the masculine bowmen. Kathryn Ullrich was the top scorer with 522 and Ruth Digby was a close second with 508. The best in the mens division was a 501 by Bill Bloom. Following in order were: Al Hoyt, 472; Ed Russell, 457; Earl Ullrich, 440; Elaine

Poster, 410 and Dorothy Ballou, 365.

In addition to the 40 youngsters who turned out, 24 adults took part to make it the biggest turnout since the inception of the club. A monthly business meeting followed the regular shoot.

A TRAVELING ATHLETE

WALTHAM, Mass., (AP)—Bobby Griffin, Brandeis University football and basketball star, is seeing baskets and goalposts in his dream. Recently, he played a basketball game, hopped a plane the next day to play football with the Brandeis grid squad in a Florida contest, then returned in time for a basketball game—all within a week's time.

Dodger Coach Quits Suddenly

BROOKLYN (AP)—Clyde Sukeforth was out of a job as coach of the Brooklyn Dodgers Thursday and Billy Herman was appointed in his place, but Sukeforth said there was nothing to report there were strained relations between him and Manager Charlie Dressen.

Sukeforth, in the Dodger organization 19 years as a catcher, coach and even manager for several days on occasion, resigned suddenly Wednesday, the Brooklyn management announced.

At the same time, they said Jackie Robinson had signed his new contract for 1952.

Sukeforth was in charge of the Dodger bullpen last fall when Dressen called for a relief pitcher in the ninth inning to throw to Bobby Thomson of the New York Giants in the memorable final playoff game for the National League pennant. He told Dressen, Ralph Branca was "ready," and Thomson hit his gamewinning homer on Branca's second pitch.

At Waldoboro, Me., Sukeforth denied this caused strained feelings between him and Dressen.

No figures were given on Robinson's salary, but it was reported to be in the neighborhood of \$40,000.

Firmco Bowlers Add 3 Games, 4 Points

Firmco's second round of bowling in the second half of Industrial Bowling League play Wednesday night was as good as its first. The Firmco squad racked up three more games and four more points to sport an unmarred record for the second straight week.

The winners posted the high series of the evening, a 2,862, in whitewashing Coen Supply Co. Dick Meek of the second-place Eagles put on the individual fireworks by rolling a thumping 609 series and a 233 game. This was after an only-fair opening game of 175.

Huskies Face Oregon State

SEATTLE (AP)—The Washington basketball team flies south to Corvallis, Ore., Thursday to open what Coach Tippy Dye says may be the Huskies' most important Northern Division road trip of the season.

The Huskies face Oregon State Friday and Saturday, and they'll be playing without their prize center, Bob Houbregs, injured last week against Idaho. Until he was sidelined, Houbregs led the Northern Division in scoring.

Noting the loss of Houbregs hurts Dye to get newsmen Wednesday: "If we get by this series, we're in good shape."

Doug McClary will start at center for Houbregs but Dye also has groomed Dean Parsons, six-foot-seven freshman from Eugene, as a replacement.

Parsons, a reserve since the start of the season, saw brief action when Houbregs was injured in the Idaho game.

Grid Practice Costs Baseball

CINCINNATI (AP)—College baseball loses more players because of spring football practice than through talent being signed by professional baseball clubs. Vice President and General Manager Gabe Paul of the Cincinnati Reds believes.

The young executive, who took over the National League club helm when Warren Giles was boosted to the loop presidency, outlined his views Wednesday night to the American Association of College Baseball Coaches.

Paul admitted there were different points of view on whether college players should be signed by organized ball before graduation, but insisted "there are no real amateurs in America today."

Portland Man May Take Billiard Title

SAN FRANCISCO (AP)—It looks like Howard Lindley of Portland, Ore., or Eddie McGehean of Philadelphia for the S.F. Open Pocket Billiards title. But Jimmy Mills of San Jose, Calif., still is a threat.

Lindley, with an unfinished run of 78 defeated Mills 125-113 Wednesday night in five innings.

Lindley also defeated a fellow townsman, Bob Archer, 125-96 in 14 innings. Lindley's high was 27.

Lindley, undefeated in six games, sits it out Thursday night while Mills (5-1) plays McGehean (5-0). In Friday's scheduled finale, it's McGehean vs. Lindley.

Harold Beauchamp Paces Roseburg Rifle Club

Harold Beauchamp continued to be the big gun in the Roseburg Rifle Club's weekly shoot in the basement of the armory Wednesday night. He led all shooters with a 382 score.

He was followed closely by Harold Bailey who shot a 375. William Jones posted a 372. Dean Paulson had a 371 and Pat Carpenter shot a 370. Completing the top ten were: Mac Wood, 367; John Bratton, 357; Roy Hill, 357; Howard Carnes, 359 and Paul Robinson 341.

The Roseburg club shot against Scotts Valley this week and rang up a total of 1,500. Scotts Valley results were still unavailable.

Player Wage Will Receive Study

WASHINGTON (AP)—The Salary Stabilization Board, after a personal appearance by baseball's best hitter last year, Stan Musial, gets to work Thursday on a new player salary formula.

Musial flew into town Wednesday for a few words with board officials about his salary predicament.

He signed a contract with the St. Louis Cardinals last year which would have brought him a reported \$85,000 but had to be content with his 1950 salary of about \$50,000.

That's the base year. The salary board ruled that no player may be raised to a point higher than the highest paid man on the club in 1950.

Salary board officials said flatly

7 College Teams Remain Unbeat

NEW YORK (AP)—Syracuse and Mississippi State were knocked out of the unbeaten ranks in college basketball Wednesday night, narrowing the list of undefeated major teams to seven.

Syracuse took a 72-49 lacing at the hands of Pitt at Pittsburgh while Miss. State absorbed a 77-62 whacking from Mississippi at University, Miss. Syracuse had won 6 in a row and State 9.

This leaves Kansas 11-0; Florida 10-0; Seton Hall 10-0; Iowa 9-0; Illinois 9-0; Duquesne 8-0 and St. Bonaventure 8-0 as the seven unbeaten majors.

Syracuse was ranked 14th in this week's Associated Press poll. Louisville, No. 15, beat Xavier of Ohio, 77-67. Oklahoma City, No. 18, trimmed Wichita, 53-46, and Dayton, No. 20, walloped Ohio Univ., 101-71.

Most of the night's action was in the East. Columbia opened defense of its Ivy League crown with an easy 68-51 conquest of Harvard. In non-league games Yale nicked Brown, 64-59; Cornell took a 60-34 thumping from Colgate and Pennsylvania routed Delaware, 79-54.

The new rule now being worked out would be an industry-wide, all-club rule. The 16 clubs would have one effective ceiling rather than 16 separate ones.

At this stage no one would predict how the new ceiling or formula might work.

Message Draws Praise Along With Criticism

WASHINGTON (AP)—President Truman struck a generally responsive note in Congress Wednesday with his call for a continued build up of U. S. defenses but the members found much to criticize or praise—depending on individual leanings—in other parts of his state of the union message.

Democrats who have supported his domestic and foreign policies all along lauded it as a great message. Many Republicans called it chiefly a campaign document. Senate Democratic Leader McFarland (Ariz.) said "It was a very constructive message. It will

give us plenty of food for legislative thought at this session." Sen. Millikin (R-Colo.), chairman of the Senate GOP conference, said, "It was a hash of acceptable sentiments, of repudiated proposals and a repetition of tired words."

Senator Taft of Ohio, a candidate for the Republican Presidential nomination, told reporters he might issue a statement later, but had no immediate comment.

STOKOWSKIS AWAIT NO. 3

NEW YORK (AP)—Gloria Vanderbilt Stokowski, heiress wife of 68-year-old Conductor Leopold Stokowski, was in a hospital Wednesday expecting a second baby, a friend said.

The Stokowskis have a son, born in August, 1950.
