

Indians Play Eugene Five On Weekend

The Roseburg Indians play their only weekend game tonight at Willamette High School of Eugene. It will be the second game of a kings-X home-and-home series. Roseburg won the first encounter at the Indian villa, 40-38.

Leaving at 2:30 this afternoon, a squad of 12 men will travel with Coach Dick Ballantyne in an effort to sweep the series. If it does, it will be without the services of Bruce Dalros, who sprained his ankle in scrimmage Wednesday and will probably be unable to play.

Lost Players
This was the climax of one of those bad weeks for Coach Ballantyne. He said, "We have been working on several things, but mostly to get five men on the floor." On Monday, LeRoy Eiting and Larry Fisher were forced to make up some school work in order to be eligible for the game, and Ed Nolte was still recovering from a head rash received at Myrtle Point last week. The same day, Bob Gilbert suffered a minor strain. Then, on Tuesday, Bill Drake sprained his ankle.

When he could find a quintet to suit up, Ballantyne worked the squad on perfecting a fast break and smoothing out plays. Of course, the defensive emphasis was placed on again stopping high-scoring Gunnar Christiansen. Preceding the varsity game at 8 p.m., Al Hoffman's Junior Varsity also attempted to repeat its victory over the Willamette Jayvees.

Three other Roseburg prep squads will also see action tonight. At Grants Pass, the twice-beaten frosh will meet the Cave-men Frosh. Also at Grants Pass, Hod Turner's seventh and eighth grade squads will tangle with two hosting teams.

MAY BE BACK SOON

SALEM (AP) — Doug Logue, high scoring Willamette University center, is almost over the measles and may be able to play against Linfield Saturday, physicians said Thursday.

Logue entered the campus infirmary with measles Wednesday. Doctors determined they were the three-day kind.

Upsets, Near Upsets Mark Adult League Competition

YMCA Adult League	W	L
Luelian Construction	5	1
West Side	3	1
Sutherland	3	1
J. C. Spig. Gds.	2	2
Christian Church	1	3
Faith Lutheran	1	3
Montgomery Ward	1	3
Donut Bar	1	3
Umpqua Plywood	1	3

Upsets and near upsets rocked the YMCA Adult basketball League Thursday night at Benson Grade School gym.

In every game, the underdogs had their day and only Luelian Construction escaped a humbling by a hair's breadth. The Luelians managed to keep their undefeated record intact by narrowly squeaking past the Donut Bar, 27-25.

Second-place West Side took the worst beating as last-place Umpqua Plywood booted the former undefeateds, 46-14. This gave West Side its first defeat and Umpqua Plywood its first win. Even hapless Montgomery Ward jumped into that win column by dumping a more formidable Faith Lutheran squad, 35-16.

The real hair curler was the valiant uphill battle by Donut Bar in almost dislodging Luelian Construction. The underdogs took an early 5-4 lead, but had lost it by halftime, 11-8. Ron Strickling paced the Barmen in closing the gap to 19-18 by the third quarter, but Pete Neil and Doug James of Luelian staved off a last quarter drive by Strickling and sewed up the game by two points. Strickling led all scorers with 12 counters. A surprisingly impotent West Side

Crosby's Tourney Gets Underway

PEBBLE BEACH, Calif. (AP)—Stars of stage, screen, baseball, and the game of golf begin play Friday in Bing Crosby's \$10,000 pro amateur golfing meet.

The 54-hole, three-day tourney has 172 entries.

Two men pro amateur teams open play over Cypress Point, one of the showiest courses in the country. Band Leader Phil Harris teamed with veteran E. J. "Dutch" Harrison to win last year. They are coupled again this year, but Harris' handicap was cut from 11 to nine strokes.

Harrison and Harris compete against such entertainment and golfing celebrity duos as Bob Hope and Jimmy Demaret; Buddy Rogers and Vic Ghezzi; Ralph King and Lew Washam; Bob Crosby and Jim Ferrier, and Dick Arlen and Johnny Revolta in the best ball event.

LATTNER WAS STANDOUT
NOTRE DAME, Ind. (AP)—Johnny Lattner, sophomore right half-back from Chicago, was a stand-out on the 1951 Notre Dame grid squad, according to team statistics. Johnny had the best ball-carrying average among the regular carriers for 341 yards and an average in scoring with six touchdowns for 36 points. Since he played both offense and defense, Lattner also had the most playing time to his account. In the final game of the season against Southern California the youngster played 59 minutes.

Game time is 8 p.m. The House of David squad boasts a 13-year record of 1,007 wins against 180 losses.

Skiers Entered By 11 Nations
GRINDEWALD, Switzerland (AP)—One of the first big ore-Olympic tests pitting skiers of 11 nations against each other got under way Friday amid indications that Russia would enter a squad in the winter games.

From the standpoint of the United States, these matches will be of particular significance. They will provide the American skiers not only with a line on what they will be up against in the games at Oslo Feb. 14-25, but also how much more training they need.

The meet will be divided into two sections, the men's and women's. Most of the American women's hopes will ride with Andrea Mead Lawrence, a veteran of the last games. Herbert Jochum, Austrian trainer of the American team, termed Mrs. Lawrence "the nearest ready" for the tough competition.

Among the men, the prospects are not quite so bright. On the record, Jack Reddish of Salt Lake City is regarded as having the best chance of winding up at the top.

Howard Lindley Remains in Billiard Tournament

SAN FRANCISCO (AP)—Two high scoring shotmakers meet Friday night for the S.F. Open Pocket Billiards Championship.

Howard Lindley of Portland, Ore. and Eddie McGehean of Philadelphia have defeated everyone else in the eight man, round robin event to go into the final match with perfect 8-0 records.

McGehean defeated Jimmy Mills, San Jose, Calif., 125-81 Thursday night. McGehean ran out with a final 15 in the twelfth inning after having a 51 run earlier. Mills' best was a high of 34.

Walcott's Win Upset Of Year
NEW YORK (AP)—A short left hook shot through the sultry air, landed flush on the jaw of Erard Charles and ten seconds later, a weeping Jersey Joe Walcott was crowned heavyweight champion of the world.

The sensational victory of the 37-year old gladiator, a 5 to 1 underdog in his fifth crack at the crown, was chosen Friday as the upset of 1951 by sports writers and sportscasters participating in the annual Associated Press year end poll.

It was a year of big upsets with two others ranking close to the Walcott-Charles surprise — Randy Turpin's decision victory over Mindedlight Champion Ray Robinson in London and the New York Giants' drive past the Brooklyn Dodgers to the National League pennant.

Michigan State's 35-0 thumping of Notre Dame in football was rated fourth. Then came Southern Methodist's football victory over Notre Dame; Rocky Marciano's knockout of Joe Louis; Indiana's football triumph over Ohio State; Texas Tech's football win over Texas as Christian; Stanford's victory in the Pacific Coast Conference football race; Vanderbilt's victory over Kentucky in the Southeastern Conference basketball tournament and young Maureen Connolly's triumph in the Women's National Tennis Championship at Forest Hills.

Rose, Fullerton Post Volleyball Victories
The Grade School Girls Volleyball League was launched Wednesday with Rose and Fullerton posting initial victories.

Rose just squeaked by the Roseburg Junior High School 7th graders, 27-26. Defending champion Fullerton smothered Benson, 48-11.

Riverside is not fielding a team this year, so the league was filled out with the Junior High girls. In order to equalize the age advantage of the Junior High School girls, the squad is chosen each week from a different home room.

FIVE WON Statistics Show Indians Better Than Opponents

Basketball Coach Dick Ballantyne recently compiled statistics which show the Roseburg Indians squad 33 points better than their combined opponents, but still on the short side of the won-lost column.

Ballantyne includes in his compilation the Myrtle Creek Jamboree, which gives the Indians a total of 11 games. With this included, the Indians have won five games and lost six. In regular season play, the record is four and six.

From a scoring standpoint, the Indians have run up 420 points to opponents 387. As might be expected, the locals were well in front in the floor-shooting department, but foul-shooting statistics showed a study of utter futility. **Reveal Weakness**

From the floor, the Indians have sunk 156 baskets to opponents 129. Their average in the gift circle, however, is a dismal 448. Of 241 chances, they connected on 108. This deficiency has cost them a majority of their losses.

Comparatively, the Indians have a slightly more potent scoring punch than their combined opponents. Their offensive average is 38.18 points per game. Roseburg's average defensively, or opponent's average offensively, is 35.18. This reflects even more the difference a few more foul shots might have made.

On an individual basis, LeRoy Eiting is the scoring leader with 126 points, or 11.4 points per game. He leads in field goals (53), free throw attempts (47) and fouls (47). Ralph Rudzik and Bruce Dalros are tops in the free throw department. Rudzik has sunk 21 of 33 free throws for a .636 average. Dalros is the most consistent man at the foul line with 24 for 36, an average of .667.

Hopes Squelched For Ball Team In Far West Loop

A report from the Eugene Register-Guard puts the clamps on any hopes Roseburg has of fielding a Far West baseball team in 1952.

As the result of a class "D" league meeting at Redding early this week, the Far West League will suspend operations until 1953. The Register-Guard article states that plans call for resumption of the league in 1953 with eight teams.

The announcement was made at Eugene Wednesday night by League President Jerry Donovan.

Continuing, the article says A. A. Hadler, president of the Eugene Larks, stated that Eugene, Reno and Klamath Falls were the only clubs willing to operate under a five-club plan. Roseburg, a tentative sixth entry in the loop, did not have a representative at the meeting, and both Redding and Medford refused to carry on with only five clubs in the league.

According to the Register-Guard, economic and manpower troubles are forcing the four-year-old Far West League to shut down. Jerry Donovan said the league plans to spend 1952 rebuilding its finances and trying to organize three more clubs. He also said, teams were having trouble signing players.

In the way of background, the league finished its 1951 season with only five teams after Marysville, Pittsburg and Willows, all of California, dropped out. Redding considered dropping out, but local businessmen rallied to its support.

3 Teams Deadlocked In Bowling Standings

Jockeying for position, three teams were deadlocked for the pace position in the newly launched Commercial Bowling League second half standings Thursday night.

Ford and Houck whitewashed Jacklin's Newsboys, the Yoncalla Lions did the same to Todd Building and Construction, and Roseburg Book Store took three of four points from K and J Lunch. These winners are now all tied in the top position with seven points.

Vic Lewis ran up the high individual game with a 230 performance for Crystalite Tile and Farley Dilworth of Ford and Houck posted a 556 series for the night's best. Crystalite's 2,773 pin total was the high team effort.

Beavers Tangle With Huskies In Corvallis

By The Associated Press
There'll be no heel marks this week on the face of untrampled Oregon, but the other scramblers in the Northern Division of the Pacific Coast Conference will have to protect their basketball profiles.

Washington, with a lot of its girth rubbed thin by Idaho last weekend, goes out to regain the glitter Friday and Saturday nights against Oregon State in Corvallis. Idaho and Washington State tangle Saturday in Pullman, then renew the feud Monday in Moscow.

Although the division argument has barely started, it's all snarled up like a stack of old Christmas wrappings. By taking two in a row from WSC, Oregon landed all alone on top of the heap and left the losing Cougars uncrowded at the bottom with one victory in four starts.

Idaho, Washington and Oregon State have won one each and lost the same to deadlock for the middle spot.

But for two things, Washington would be bounding into Beaver country favored to win as it pleased. One is the upset defeat handed the Huskies by Idaho, which knocked them from third to sixth in the national AP poll. The other is the leg injury suffered by the team's leading scorer, Bobby Houbregs, which has shelved him for the OSC games.

He'll be replaced by Duane Enoch of Portland. Freshman Dean Parsons of Eugene, Ore., is likely to see a lot of action on the trip.

Idaho will be the favorite in its double brush with the Cougars, but a WSC victory Saturday night wouldn't bring much eyebrow lifting. The Staters are traditionally tough on their home court.

GRADE CAGERS PLAY To League's 2nd Spot
