A vociferous little Reedsport routing section turned the Roseburg High School gym into a bedlam Friday night after their basketball Braves took an inside track on the sub-district crown by defeating the Indians, 48-40.

With this imposing scalp on their belts, the Braves could boast a perfect 4-0 league record and a sparkling season record of nine wins and two losses.

Both teams had trouble finding the range, but Reedsport came up with slightly better shooting and it was eight points more than enough. It took three minutes before big, rough Berge Borrevik broke the ice with a crippler on a pass from Jerry Rose. Leroy Elling tied it up with a short push shot to the left of the key. Sophomore Bill Earis dunked another to start the Braves surging ahead, but Elling again tied it up a little later with two free throws. The Indians went ahead their one and only time at 8-4 when Bruce Dalras made a beautiful recovery and jump shot through the arms of Borrevik and Rose. A minute later, Borrevik hooked one in with his left hand to tie the score at 8-8 and Duane Leggett put the Braves ahead for good with the same kind of a shot.

They edged to a 15-12 quarter lead and gradually built up a ten-point margin late in the second quarter. Again Elling cut the lead down, this time with a field goal and two foul shots. The half ended at a 24-19 score.

Another hot streak in the third period gave the Braves their biggest margin at 38-27. Leggett's handsome shooting gave them the same 11-point lead twice early in the fourth, 43-32, and 45-34. It was enough to keep the Braves out of danger.

As was mentioned before, neither team broke any shooting records, but Reedsport was just a shade better. This was true both

from the field and the foul line. The Braves connected on 17 of 69 shots for a .246 average, while the Indians posted a sickly .189 on 14 successes in 74 shots. From the free throw line, Reedsport made 14 of 25 for a .560 and Roseburg was only successful on 12 of 30 for a .400 average.

The backboard work was about even.

8th Grade Wins; Seventh Loses

The Roseburg Junior High Eighth Graders stretched its undefeated record to four games by rocking the Myrtle Creek Frosh, 38-24, Friday. But the Seventh Graders took a drubbing from the Eighth Graders, 42-26, at Myrtle Creek.

The Roseburg Eighth Graders had a little trouble breaking a Myrtle Creek zone in the first half and as a result trailed at the quarters, 13-7, and 19-16. But the locals began shooting over it and drawing the defense out by playing catch in the back court. It worked and the Roseburg fast break pulled it to a 28-24 lead in the third quarter. Bobby Gray took high-scoring honors with 17 points on seven field goals and three free points.

Dick Cole of Myrtle Creek was the major factor for the Roseburg Seventh Graders downfall. He plunked in 18 points. His squad led at the quarters, 9-7, 19-13 and 27-21. Then in the final quarter their consistent scoring accounted for 15 more points while Roseburg was held to five. Bill Oerding led his team's losing effort with 13 tallies.

Both Myrtle Creek squads held a height advantage.

Central Point Beats Sutherlin In Close One

Central Point's Crater High basketball squad had to fight from behind at Sutherlin Friday night before edging the Bulldogs, 44-40.

The Husky steamroller squashed the Ducks right out of first position in the Northern Division and gave the northerners undisputed possession of the top spot.

A 19-point performance in three quarters by Frank Guisness was the pace setter as the Huskies ripped a zone defense to pieces and fired the ball through the hoop from all parts of the floor.

Oregon never got its vaunted fast break going and seemed unable to hit the hoop when a chance for a shot occurred. The Ducks connected for a percentage of only .155; Washington hit .380.

MOSCOW, Idaho — The Idaho Vandals, who speared past Oregon State 65 to 64 in a Friday night basketball game, have the promise of OSC Coach Slat Gill that "we'll make it just as tough" Saturday.

The win gave Idaho a 3-2 won-lost record and kept alive the Vandal pennant hopes for the Northern Division crown of the Pacific Coast Conference. It was OSC's fourth loss in five conference starts.

After going ahead midway in the first quarter, the Vandals stayed well in front until the last four minutes of the game when Jim Padgett scored four field goals in two minutes to tie the score, and a Bob Edwards' free throw put the Beavers ahead, 65-64.

Fish Migration Near Standstill

Fish migrations through the counting station at Winchester Dam were almost at a standstill during the first two weeks of January, reports William E. Pitney, game biologist in charge of Umpqua River studies.

Cold water temperatures were believed responsible for lack of fish movement, as records show that steelheads slow their migration during periods of cold weather.

Only 60 fish crossed the counting board during the first two weeks of January, bringing the total movement, as of Jan. 15, to 1,236 fish. Pitney reports. This compares with totals of 934 on the same date in 1946, 1,125 in 1947, 1,596 in 1948, 490 in 1950 and 1,702 in 1951. By Jan. 15 in 1951 the record shows that 42.1 percent of the run had crossed the counting board. In previous years, however, the percentage of the Jan. 15 migration varied from only 7 to 16.5 of total. Final migration figures for each year are: 6,550 in 1946, 11,220 in 1947, 9,700 in 1948, 9,225 in 1949, 7,098 in 1950, 4,188 in 1951.

Huskies Thump Ducks; Vandals Defeat Beavers

SEATTLE — Washington's Huskies served notice Friday night they mean to retain their Pacific Coast Conference championship with a convincing 74-36 win over the hapless Oregon Ducks.

Elkton Wins Over Oakland For 1st Place

Drain Also Victors Over Yoncalla After Two Overtime Periods

Elkton	3	0	131	110
Yoncalla	1	2	147	154
Oakland	1	2	129	127

Elkton stayed undefeated in Douglas County "B" League play, and Drain went two overtimes before finally capturing its third game in the north half Friday night.

Elkton came from behind to wrap up its eighth victory in an undefeated season. The Elks dumped the hosting Oakland crew, 48-44. Drain had a home crowd screaming with every play in the second overtime before the Warriors took the sudden-death match from Yoncalla, 54-52.

The Drain-Yoncalla affair was two games wrapped in one. The Eagles were about to be tabbed valiant losers as they lost a one-point lead at the first quarter break and then fell behind by 20 points early in the third quarter, 42-22.

The fourth quarter marked the rejuvenation of the Eagles. Bill Fast turned into a scoring demon and his squad followed suit. With just 1:10 left in the game the Yoncs tied it at 48-48. Drain's George Kelly pushed his warriors into the lead with nine seconds to go, but his basket was countered five seconds later when Don Vest sank a 15-footer.

In the first overtime, Jack Metz cannot one for Yoncalla and Drain pulled the game back to par as Alan Brown made a layin with four seconds to go. Finally, the hysterical crowd saw Ed Duncan take the hero's role with a pusher from eight feet out with a minute and a half gone in the second overtime.

Elkton's irresistible campaign through the "B" league basketball ranks continued, but not until Oakland had the Elks reeling on the ropes. The Oaks appeared headed for the major upset of the season as they led through the entire first half. But Ronnie Henderer and Carl Hershberger turned the tide as they led a 24-point spurge in the third quarter that gave the Elks a 40-32 lead they never lost.

Elkton experience was a major factor in the win as they quickly took advantage of bad Oakland passing in the third quarter.

At Drain, the junior Warriors won the preliminary, 55-33, from Yoncalla. Elkton's Jayvee eked out a 32-30 victory at Oakland in the opener.

Ship's Crew Search Has Been Concluded

SEATTLE — Search for the 45 or 46 man crew of the missing freighter Pennsylvania was officially concluded at 6 p.m. Friday.

The end of the futile nine-day rescue operations was signaled by the departure of the Coast Guard Cutter Yocona, last of the search units, for its home base at Eureka, Calif.

None of the crew ever was sighted after a terse message at 4:30 p.m., Jan. 9 said "We're leaving." A capsized lifeboat and some cargo believed from the Pennsylvania later were sighted near the last radioed position of the freighter.

1951-52 is Oregon's Diamond Jubilee, the first classes being held in 1876-77. The first student body numbered 171.

Riddle Upsets Favored Glendale; Canyonville Climbs Out Of Cellar

Glendale	2	1	105	90
Days Creek	1	1	75	89
Canyonville	1	2	109	121
Camas Valley	0	2	74	90

Riddle upset favored Glendale to win the top spot in the south half "B" league, and Canyonville climbed out of the cellar over Camas Valley Friday night.

At Glendale, the Pirates hit a 32-minute point-dearth to fall to Riddle, 31-23. Camas Valley ran up against too much height and a tight zone as visiting Canyonville got into the win column with a 55-40 victory.

The shocking upset at Glendale brought a new favorite into the limelight. The Riddle Irish were admittedly strong, but weren't expected to unhorse the Pirates. Instead they Irish gave Glendale a 3-2 headstart and then waited into the lead they never lost. At the quarters, Riddle was leading, 6-3, 16-10, and 24-15. Don Rigby paced the winners with 14 points. The usual high Glendale scorer, Glen Austin, had to take a back seat to Don Thomas, who ranted up 11 for the losers.

Riddle's Jayvees made the evening even more dismal for Glendale by winning the preliminary, 56-12.

Upset Victories Mark Basketball Play Over Nation

NEW YORK — Add this score to the numerous upsets that have been chalked up in college basketball:

Lemoynce (NY) 53 Siena 51

Lemoynce beaten 10 times in 13 previous games, was considered easy for Siena, ranked 11th in this week's Associated Press poll and boasting a 10-game winning streak.

But the Lemoynce cagers apparently hadn't read about Siena's progress.

As usual on Friday nights most of the action occurred in the Southwest and Far West.

Regaining their best form, Washington squashed Oregon, 74-36, to take over first place in the Northern Division of the Pacific Coast Conference. Idaho nipped Oregon State 65-54, in another northern league tilt.

The redhot race continued in the southern division of the PCC.

California tied UCLA for first place by upsetting the Uclans, 61-59. Southern California surprised Stanford, 65-58 in overtime. Calif. and UCLA each have a 3-2 league record; USC and Stanford 2-3. Anything can happen in this scramble.

Texas A&M tied Texas for second place in the Southwest Conference by beating Baylor, 47-36. Arizona State (Tempe) continued unbeaten in Border Conference competition by edging Texas Tech, 48-47.

Utah kept on Brigham Young's heels in the Skyline Eight by taking Colorado A&M, 58-54.

Bob Peterson of Oregon had 87 chances at the free throw line during the 1951 Northern division season, tops in the league, and made 64 good.

Oregon's coaches were evenly divided between the Army and Navy during World War II. Len Casanova and Bill Borcher were naval men while Don Kirsch and Bill Bowerman were with the infantry.

Junior Varsity Edges Reedsport

The Roseburg Junior Varsity went over the .500 mark in the won - lost columns Friday night as it edged out the Reedsport Jayvees, 30-26, in the varsity preliminary at the High School gym.

A quick start by the Jayvees gave them just enough buffer to stave off all Reedsport threats. Their only commanding lead was in the first quarter, which they completed leading, 13-7. By halftime, it had been narrowed to 19-17, and that two-point margin held at the third rest stop, 28-26.

The fourth quarter was a scoreless wonder in which Roseburg scored the only two points.

It was Reedsport's second loss this year and gave Roseburg a record of six wins against five losses.
