

Local News

Leave For Honolulu — Mr. and Mrs. A. F. Micelli of Roseburg left Sunday for Honolulu to enjoy a vacation and visit their daughter, Miss Eleanor Micelli who is employed there.

Attends To Business — C. M. McDermott, distributor for Tide-water - Associated Oil Company, Roseburg, spent Sunday in Eugene on business.

Home From California — Mr. and Mrs. W. R. Hirt returned to their home at 205 E. Roberts Street, Roseburg Saturday, following a month's vacation in California visiting their son-in-law and daughter, Dr. and Mrs. R. E. James, and family in San Mateo. From there they went to La Crescenta to visit at the home of their son and his family.

Meeting Postponed — The Garden Club which will meet to have met Saturday, will meet instead Wednesday Jan. 30, at which time the members are invited to attend the lecture by Dr. John Hadley sponsored by the Garden Department of the Roseburg Woman's Club, at 2 p.m. at the clubhouse for transportation call Mrs. O. F. Michel, at 3-5994.

Called To California — Miss Naomi Scott of Roseburg and her sister, Mrs. A. L. Martin of Eugene left Sunday by bus for San Francisco, where they were called by the death of their brother-in-law Mr. Slocum. Another sister Mrs. Elwood Wiles, who had been visiting here with Miss Scott for several months left last Wednesday by plane for California. She will remain there with her son-in-law and daughter, Mr. and Mrs. James Bailey, nee Suzanne Wiles and family. Mrs. Wiles' son Bob, who was also here visiting Miss Scott went south by train last week.

Camas Valley School Alteration Begins

An 11,000 gallon oil tank was sunk last Friday on the Camas Valley school property. Alteration plans for the school include a new oil furnace next year. Additional excavation has been started for the new building.

The Roseburg Sand & Gravel Company is in charge of the excavation and local board members Oran Standley, Wilmer White and Jim Combs have been lending their services.

The old bus garage has been torn down to make way for the new addition. Construction bids will be opened at a public meeting Jan. 25 at 7:30 p.m. in the Camas Valley High School auditorium.

Gemology Topic At Mineral Club

The Umpqua Mineral Club held its first meeting Thursday night at the Knights of Pythias Hall. The featured speaker was Alan Knudtson of Knudtson's Jewelers. He spoke on "Ramblings in Gemology."

Knudtson discussed the gemology profession in general and how it is related to the other professions: mineralogy, geology, paleontology and lapidary arts.

He emphasized that gemology is a distinct specialty in the grading, fashioning, mounting and selling of gemstones.

"All of us in the gemology specialty are often accused by others in the business as being too scientific. But with the new better synthetic, man-made gems, doublets and triplets and the diversity of genuine gem varieties now being cut, it is becoming increasingly difficult to identify these from the genuine. For this reason, we need all the instruments and specialized training we can get," Knudtson said.

Also shown and demonstrated were many gem identification and also showed part of the Knudtson collection of unusual and rare gems.

Walter D. Vice Passes On At 81

Walter D. Vice, 81, retired Standard Oil employee, died in a local hospital Jan. 18 after a short illness. He was born Jan. 2, 1871, in Quarry, Iowa. He had lived most of his life in South Dakota and came to Dillard nine months ago to make his home. He had been a member of the Odd Fellows Lodge of South Dakota for over 30 years.

Surviving are four daughters: Mrs. Nal (Margaret) Boyd, Dillard; Mrs. Harold (Laurabell) Dean, Mill City; Mrs. Libbie Thimssen, Portland; Mrs. Goldie Williams, Minnesota; two sons, Lee and Steve Vice, both of Rapid City, South Dakota; a brother, Charles Vice, Vic, Okla.; 14 grandchildren and eight great-grandchildren.

Funeral services will be held in The Chapel of the Roses, Roseburg, funeral home, Thursday, Jan. 23, at 11 a.m., with the Rev. Rae Kleinfeldt of the First Christian Church officiating. Interment will follow in the Odd Fellows Cemetery.

Public Library Building Topic Of Broadcast

Roseburg is probably the only city in the state that can "boast" of a library building constructed during President Grant's administration.

That was the comment of Librarian Muriel Mitchell Sunday on KRNR's "This Town Is Yours" interview.

"It must have been well-built to last this long," commented Cecil Hugh, of the City Council library committee, who was also interviewed. The building was constructed in 1874.

Both agreed that it is inadequate. A new library building was turned down by voters at the same time a new city hall was voted down, Hugh said.

"I do believe that Roseburg needs a library building regardless of whether we get another building or not," he added. Perhaps a civic club could make a project out of it, he suggested.

Miss Mitchell said she wasn't particularly worried about room for new books. They're loaned out as fast as new ones are added.

But she would like to see the addition of conference rooms for teen-agers and children as well as music listening rooms, she said.

The circulation of books from the Roseburg library is on the increase, Miss Mitchell said. In 1950, 67,000 loans of books were made. In 1951 the figure was 91,000. The way the loans are starting so far in 1952, it looks like the 100,000 mark may be reached, she commented.

Fear Banished By Bible Truths, Hord Declares

Fear is the fundamental foe of mankind, and it can be totally destroyed through spiritual understanding of God and man's relationship to Him, Frank T. Hord of Louisville, Kentucky, told a large local audience Jan. 20.

The great fear-destroying truths of the Bible, which cut the fetters of human bondage, are as available, vital, and operative today as they were twenty centuries ago, he said in a Christian Science lecture.

Mr. Hord is now lecturing in this region as a member of the Christian Science Board of Lectureship. His address here was under auspices of First Church of Christ, Scientist. He spoke in Roseburg Junior High School where he was introduced by Harry Wallen. His subject was "Christian Science: The Science of Mind - Healing."

National conflicts, disputes between capital and labor—as well as sin, sickness, and death—spring from human ignorance of God, according to Mr. Hord.

He said freedom, happiness, and harmonious living can be realized in individual experience—and collectively as well—in the degree that this ignorance is dispelled and the healing power of divine Love understood.

He took note of what he termed "the world's seeming frustration, discouragement, and desperation and said the only sure answer to chaos and confusion is scientifically realizing and practicing divine truth.

Illustrating his assertion that a better understanding of God results in improved human conditions, Mr. Hord pointed out that in his true selfhood man is the spiritual image and likeness of God, and added: "The understanding that God is Love, whose nature is to bless, is manifested as purity, tenderness, peace, blessedness, and all the Godlike qualities of Love.

"Love is attractive and attracts love. As you express unselfed love you will never be lonely or alone. You will be living in the abundant affluence of divine Love."

Mr. Hord described the application of God's spiritual laws to daily thought and action—including their application to restore health—as entirely in keeping with the teachings, practice, and instructions of Christ Jesus.

Juvenile Problems Tonight's Talk Topic

District Attorney Robert G. Davis will speak on the county's juvenile delinquency problem tonight at 8 at the Junior High School Auditorium as part of the Junior High PTA meeting.

Oregon Primary Races Begin Taking Shape

(Continued from Page 1)

getting ability of Eisenhower in the GOP contest.

Taft Slate Not Likely

State Supreme Court Justice Walter L. Toose, one of the chief supporters of Sen. Robert A. Taft in Oregon, said he doesn't expect any slate to be entered here for the Ohioan.

Taft forces apparently are concentrating their efforts on attempts to get secondary support from delegates who might be elected, without contesting in the preferential primary.

Under Oregon law, the delegates are pledged to vote in the convention for the winner of the preferential race as long as he has a chance. Oregon has 18 Republican convention votes and 12 Democratic votes.

Funeral Services Set For Alfred Hammon

Funeral services for Alfred (Dutch) Hammon 68, well-known resident of Roseburg, who died in Douglas Community Hospital, Saturday, will be held in the chapel of the Long & Orr Mortuary Wednesday, Jan. 23, at 2 p.m. with the Rev. Raymond Schaefer of the First Baptist Church officiating. Concluding services and interment will follow in Melrose cemetery.

Adult Classes Begin 2nd Term

The second term of adult education classes begins this week at the Senior High School. They will meet from 7:30 to 9:30 p.m. Registrations are still being taken for typing, bookkeeping, painting, art metal, fly tying, and home decoration.

Beginning and advanced typing meet on Tuesday and Thursday evenings, beginning and advanced bookkeeping on Monday and Wednesday. Art metal and wood turning meet on Monday nights, fly tying on Tuesday, home decoration on Wednesday, and painting and sewing on Thursday.

For further information about the classes, call Jack Brookins at the Senior High School, telephone 3-4438.

Portland Pair Faces Charge Of Murder

OREGON CITY — Two Portlanders, one of them a woman, were charged with first degree murder here Saturday in connection with the death of Jalmar Tarkia, 58.

Police found Tarkia in a ditch in Southeast Portland Thursday suffering from a beating. He died Saturday in a Portland hospital.

Mrs. Bonnie Keuhnhausen, 55, and Elmer Dorsey Williams, 28, were arrested Friday and held on charges of assault with intent to kill. The most serious charges were placed against them soon after Tarkia died.

Travel Eased After Sunday Snow Snarl

(Continued from Page 1)

in Colgate, Okla. He came to Myrtle Creek two years ago, and was employed by the Fir Manufacturing Company as a cat-skinner.

Survivors include the widow, Pauline; a daughter, Janice; two sons, Bobby and Ralph, all of Myrtle Creek; his mother, Mrs. James E. Fritt of Oklahoma City; two brothers, Clarence and James, of Myrtle Creek; two sisters, Mrs. Thelma Sayre of Myrtle Creek; and Mrs. Ruth Brown, Oklahoma City.

Funeral services will be held in the chapel of Ganz Mortuary, Myrtle Creek, at 2 p.m. Wednesday with the Rev. Leo Horner officiating. Interment will follow in the IOOF Cemetery, Myrtle Creek.

SALEM — Highway travel was hazardous everywhere in Oregon Monday except on the Oregon Coast highway, the State Highway Commission reported.

Every point on the commission's radio network reported snow or ice on the roads except the coastal cities.

Chains were needed in most areas, with 12 to 24 inches of new snow reported in the Cascade Mountain passes.

FRANCHISE GRANTED

A franchise has been granted by the county court to R. V. Coffman for installation of a water line some 500 feet along the south side of the Douglas Street Extension.

Vets Hospital Keeps Constant Patient-Load

The Roseburg Veterans Administration Hospital maintained a fairly constant patient-load during 1951, although its staff was curtailed, according to an end-of-year report released today by Dr. John L. Haskins, manager.

Dr. Haskins reported that 585 veteran - patients are now being cared for at the hospital, compared with the slightly higher figure of 590 for this time last year.

He said admissions during 1951 were slightly below the year before, having been held down because of the loss of a regular staff surgeon and a shortage of ward personnel.

Emergency surgery cases are still taken care of at the hospital through the services of local private physicians. Dr. Haskins said, but all other surgery cases are transferred to the Portland VA hospital for treatment.

Dr. Haskins pointed out that, in spite of the hospital's fewer personnel, no veteran with service-connections has been turned away. The hospital has no waiting list for veterans in this category, he said.

RIGHT NAME FOR JOB

SANDPOINT, Idaho — The Army has assigned a new man to its recruiting station at Sandpoint, a city covered with more than 30 inches of snow. His name is Snowball—Sgt. L. M. Snowball.

Truman Budget Goes Over \$85 Billion Mark

(Continued from Page One)

tend GI benefits to Korean War veterans, increase funds for government-built defense housing more than ten times, boost postal rates by 500 million dollars, and start the long-proposed St. Lawrence Seaway as a "strategic necessity."

The President said without new taxes the national debt would increase to \$274,922,000,000 by June, 1953—just under the present legal limit of 275 billion.

Mother Alone As Baby Born In Chaos At Fire

BOSTON — Mrs. Louise Murray, about 33, gave birth to a son unattended early Monday as fire raged near her in a four-story tenement house.

An ambulance and a police cruiser had been dispatched to take Mrs. Murray to city hospital.

Two women, who leaped from windows, were placed in the ambulance intended for Mrs. Murray and taken to city hospital where physicians said their injuries were not serious.

Fire engines summoned by police hemmed in the car of Mrs. Murray's husband, Kehoe, and prevented him from taking his wife to the hospital.

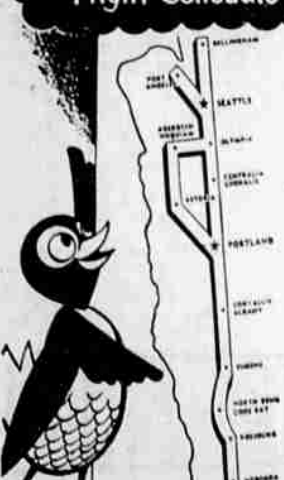

When another ambulance arrived for Mrs. Murray, the baby had already been born. Both were reported "doing well" at city hospital.
